HESTER AUTUMN

Paul and First-Century Letter Writing Simon and Schuster

Applies Aristotle's argument - that citizenship is like friendship - to the liberal and democratic societies of the present day.

Rediscovering Expository Preaching Routledge

In this well-argued and timely book, Bauckham considers the relationship of humans to the rest of creation. He argues that there is much more to the Bible's understanding of this relationship than the mandate of human dominion given in Genesis 1, which has too often been used as a justification for domination and exploitation of the earth's resources. He also critiques the notion of stewardship as being on the one hand presumptuous, and on the other too general a term to explain our key responsibilities in caring for the earth. In countering this, he considers other biblical perspectives, including the book of Job, the Psalms and the Gospels, and re-evaluates the biblical tradition of 'dominion', in favour of a 'community of creation'. With its clear analysis and thought-provoking conclusions, *The Bible and Ecology* is an essential read for anyone interested in a biblically grounded approach to ecology.

The Story of Israel Wipf and Stock Publishers

"A Christian without a church is a Christian in trouble." Since a global pandemic abruptly closed places of worship, many Christians have skipped church life, even neglecting virtual services. But this was a trend even before COVID-19. Polarizing issues, including political and racial strife, convinced some people to pull away from the church and one another. Now it's time to recommit to gathering as brothers and sisters in Christ. In *Rediscover Church*, Collin Hansen and Jonathan Leeman discuss why church is essential for believers and God's mission. Through biblical references and personal stories, they show readers God's true intention for corporate gathering: to spiritually strengthen members as individuals and the body of Christ. In an age of church-shopping and livestreamed services, rediscover why the future of the church relies on believers gathering regularly as the family of God. Published in partnership with the Gospel Coalition and 9Marks.

The Challenge of Jesus Zondervan

Best-selling authors Marva Dawn and Eugene Peterson offer encouragement to pastors. Pastors are strategically placed to counter the culture. No other profession looks so inoffensive but is in fact so dangerous to the status quo. Their weapon? A gospel that is profoundly countercultural. But standing firm in today's world isn't easy. Powerful forces, both subtle and obvious, attempt to domesticate pastors, to make them, in a word, unnecessary. In this book, two of today's most respected authors help pastors recover their gospel identity and maintain a pure vision of Christian leadership. Marva Dawn and Eugene Peterson reconnect pastors with the biblical texts that will train them as countercultural servants of the gospel. Marva Dawn looks to Paul's letter to the Ephesians for instruction for churches seeking to live faithfully in today's world. In turn, Eugene Peterson explores Romans, 1 and 2 Timothy, and Titus, drawing from them the correct view of pastoral identity.

Lies We Believe About God InterVarsity Press

"This volume places the New Testament letters squarely in the middle of all the important letter corpora of antiquity. Chapters cover the basic letter formula, papyrus and postal delivery, non-literary and diplomatic correspondence, Greek and Latin literary letters, epistolary theory, letters in early Judaism, and all the letters of the New Testament. Part I of each chapter surveys each corpus, followed by detailed exegetical examples in Part II. Comprehensive bibliographies and 54 exercises with answers suit this guide to student and scholar alike."--Publisher's website.

Misreading Scripture with Individualist Eyes Cambridge University Press

This book by C. Marvin Pate, J. Scott Duvall, J. Daniel Hays, E. Randolph Richards, W. Dennis Tucker Jr. and Preben Vang explores the unitive theme of the story of Israel from Genesis to Revelation-- offering both close-up examinations of key texts and panoramic shots of the biblical terrain to unfold an intriguing and compelling perspective on biblical theology.

Rediscovering the Church Fathers InterVarsity Press

Brandon O'Brien and Randy Richards shed light on the ways that Western readers often misunderstand the cultural dynamics of the Bible. Identifying nine areas where commonplaces of modern Western thought diverge with the text, the authors ask us to reconsider long-held opinions about our most beloved book.

Rediscovering Abundance Abingdon Press

The mystery of the Trinity is the central Christian belief that defines God's essence, God's ongoing love for humanity, and saving grace. Yet, over the past few centuries, especially in the West, Christians have either ceased believing in the Trinity or simply no longer recognize its relevance in their ecclesial or individual lives. Written in an ecumenical spirit that engages contemporary questions and theological viewpoints, *The Trinity: Rediscovering the Central Christian Mystery* articulates the mystery of the Trinity for people formed by modern historical consciousness, science, awareness of the equal dignity of men and women, and respect for world religions. By first identifying contemporary problems with the Christian proclamation of the Trinity in our culture and major differences among modern theologians, John Farrelly, OSB, explores Scripture, the life and message of Jesus Christ, the various stages of the development of Trinitarian doctrine in Christian History, the relation of the Trinity to creation and salvation, the generation of the Son from the Father within the Trinity and the procession of the Holy Spirit from Father and Son, and the meaning of three persons in one God. He concludes by reflecting on the implications this renewed theology of the Trinity has for ecclesiology and Christian spirituality in our twenty-first century world, especially in relation to other world religions.

Ancient Letters and the New Testament Exisle Pub

A vast reservoir of knowledge and experience from one of America's foremost speakers, this definitive book touches every base from the history of expository preaching to the mandate for Biblical inerrancy. MacArthur's goal is to motivate and equip the next generation of Christian leaders who want to provide wholesome spiritual nourishment for God's people from His Word.

J-Curve Baker Books

Does God call women to serve as equal partners in marriage and as leaders in the church? With careful exegetical work, Lucy Peppiatt considers relevant passages in Ephesians, Colossians, 1 Peter, 1 Timothy, and 1 Corinthians. There she finds a story of God releasing women alongside men into all forms of ministry, leadership, work, and service on the basis of character and gifting, rather than biological sex.

Toward Rediscovering the Old Testament Baylor University Press

The Great War was a turning point of the twentieth century, giving birth to a new, modern, and industrial approach to warfare that changed the world forever. The remembrance, awareness, and knowledge of the conflict and, most importantly, of those who participated and were affected by it, altered from country to country, and in some cases has been almost entirely forgotten. New research strategies have emerged to help broaden our understanding of the First World War. Multidisciplinary approaches have been applied to material culture and conflict landscapes, from archive sources analysis and aerial photography to remote sensing, GIS and field research. Working within the context of a material and archival understanding of war, this book combines papers from different study fields that present interdisciplinary and multidisciplinary approaches towards researching the First World War and its legacies, with particular concentration on the central and eastern European theatres of war.

Misreading Scripture with Western Eyes InterVarsity Press

The Bible was written within collectivist cultures, and it's easy for Westerners to misinterpret—or miss—important elements. Combining the expertise of a biblical scholar and a missionary practitioner, this essential guidebook explores the deep social structures of the ancient Mediterranean, stripping away individualist assumptions and helping us read the Bible better.

Rediscovering the British World InterVarsity Press

"[Philip Gulley's] vision of Christianity is grounded, gripping, and filled with uncommon sense. He is building bridges instead of boundaries, and such wisdom is surely needed now." —Richard Rohr, O.F.M, author of *Everything Belongs* Quaker minister Philip Gulley, author of *If Grace Is True* and *If God Is Love*, returns with *If the Church Were Christian*: a challenging and thought-provoking examination of the author's vision for today's church... if Christians truly followed the core values of Jesus Christ. Fans of Shane Claiborne, Rob Bell, and *unChristian* will find much to discuss in *If the Church Were Christian*, as will anyone interested in the future of this institution.

Paul in the Greco-Roman World: A Handbook University of Calgary Press

Who is your Jesus? This textbook introduction gives an enjoyable and challenging look at how we encounter Jesus in Scripture and our culture—from the New Testament to the gnostic gospels, historical Jesus studies, Islam, Mormonism, Hollywood and Americana. Follow the path to seeing Jesus truly and notice the difference it makes for faith and life.

Rediscovering Life InterVarsity Press

In everyday parlance, synthesis is synonymous with short. Here, Mauro Gagliardi uses synthesis as it has been applied to the Hypostatic Union in Christ: the "Synthetic Union" of the two natures in one Person. All of dogmatic theology is presented from this et-et (both-and), Christocentric approach in *Truth is a Synthesis: Catholic Dogmatic Theology*. The volume presents for beginners a comprehensive, organic view of the Catholic faith. *Truth is a Synthesis* spotlights, in a respectful yet clear way, the different views about Christian Dogmatics held by our separated brethren, both Protestant and Orthodox. As he explores the implications of the et-et nature of theology, Gagliardi reveals the underlying unity of both Fundamental and Dogmatic theology "Professor Gagliardi's book is in every way a magnum opus, both from the qualitative and the quantitative standpoint."—Cardinal Gerhard L. Müller

A Little Book for New Bible Scholars InterVarsity Press

For some of us, the apostle Paul is intimidating, prickly, and unpredictable. But maybe it's time to get to know Paul on his own terms. Drawing on the best of contemporary scholarship, and with language shaped by conversations with today's students, this expanded edition of *Rediscovering Paul* gives fresh consideration to Paul's conversion, call, and his ongoing impact on church and

culture.

An Introduction to the Old Testament Template Thomas Nelson

Rediscovering the British World is one part of an ongoing attempt to approach British Imperial history from a different viewpoint, placing the colonies of settlement at the centre. Editors Phillip Buckner and Douglas Francis have included nineteen essays from expert scholars in the field, which cover a broad range of cultural, social, and intellectual topics in British imperial history from the mid-nineteenth to the mid-twentieth century. The essays focus on the history of Britain and the Empire, with considerable emphasis on the self-governing dominions of Canada, South Africa, Australia, and New Zealand. They attempt to show the centrality of the Empire in the history of the nations created by the British diaspora overseas, while at the same time calling into question the extent of the existence of a "British World." The goal is not to wax nostalgic, but rather to re-examine the complex phenomenon of this far-reaching empire and to shed light on the ways in which it has shaped our world. With contributions by: James Belich Frank Bongiorno Bettina Bradbury Patrick H. Brennan Phillip Buckner Elizabeth Elbourne R. Douglas Francis Jeffrey Grey Catherine Hall John Lambert Douglas Lorimer David Lowe Stuart Macintyre Adele Perry Paul Pickering Satadru Sen R. Scott Sheffield Paul Ward Stuart Ward Wendy Webster

Making Sense of the Bible [Leader Guide] Random House

Twelve papers consider what insights the Catholic social tradition can offer to our understanding of the creation and distribution of wealth.

The Desire of the Nations InterVarsity Press

While the church today looks quite different than it did two thousand years ago, Christians share the same faith with the church fathers. Although separated by time and culture, we have much to learn from their lives and teaching. This book is an organized and convenient introduction to how to read the church fathers from AD 100 to 500. Michael Haykin surveys the lives and teachings of seven of the Fathers, looking at their role in such issues as baptism, martyrdom, and the relationship between church and state. Ignatius, Cyprian, Basil of Caesarea, and Ambrose and others were foundational in the growth and purity of early Christianity, and their impact continues to shape the church today. Evangelical readers interested in the historical roots of Christianity will find this to be a helpful introductory volume.

The Secret Path Crossway

Many young Bible scholars are passionate for the Scriptures. But is passion enough? Randolph Richards and Joseph Dodson encourage students of the Bible with wisdom from years of experience. Full of warmth, humor, and an infectious love for Scripture, this book invites a new generation of young scholars to dig into the complex, captivating world of the Bible.
