THE LIGHTER SIDE OF DARKNESS We all want what's best in life, but sometimes what we already have is better than that which we seek. Torn between their existing paradise, where light shines day and night, where flowers bloom with vivid hues that never fade, and where the power of love abounds, and conflicted by the allure of an alleged greater life in an unknown land, Janu and Ariana embark on a journey that brings them face to face with an evil they never knew existed, thereby placing the family they cherish in danger of being completely destroyed. Against all odds, and the overwhelming forces working against them, Janu and Ariana struggle to return to the paradise they regrettably abandoned. Their journey is one of everyday human existence filled with temptation, tragedy, triumph and the strength of family and faith. The Lighter Side of Darkness is a story of redemption and the power of love, confirming that no matter what, we can all go home again.

A sense of humor is essential for effective teaching! As educators, we often take ourselves a bit too seriously, so veteran educator and illustrator Aaron Bacall offers a little perspective with these lighthearted cartoons that all teachers can relate to. Whether used as materials for staff

development meetings or as an individual break in a busy day, this collection of whimsical glimpses at teaching will provide a moment to laugh and add a little levity—and poignancy—to your workday. Taking aim at students, parents, administrators, and teachers alike, these cartoons are intended to amuse, inspire, and reveal the simple truths and quirky aspects of education that are all around us. They are ideal for: • Staff training days • Conference presentations • Classroom lectures • Community meetings • Internal communications ...and they will continue reminding us that we can laugh at almost anything!

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these

images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Excerpt from *The Lighter Side of School Life: Scally the Story of a Perfect Gentleman* I never thought that a book so essentially, glaringly English, both in subject-matter and point of view, would ever find American readers. But I was wrong. The lighter side OF school life has brought me into touch with yet another section of the American reading public, and has introduced me to yet more American friends. As a lecturer I have visited schools and colleges in almost every State in the Union, and have made the discovery (which I might really have taken for granted) that schoolboy nature, and for that matter, schoolmaster nature, is very much the same all the world over. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Anyone from baby boomers to millennials who appreciates sarcasm will laugh out loud at the stories and often relatable life experiences of Eigel, as they are representative of American life. This is the first book in the Toiletture™ Series. Toiletture is a term Eigel has coined that defines the stories as: Literature in short form that can be read during one "sitting". These anecdotes and stories are not moderated by political correctness. So, enjoy and take no offense, for certainly none is intended. As Mark Twain famously opined, "Life is short, break the rules. Forgive quickly, kiss slowly. Love truly. Laugh uncontrollably. And never regret anything that makes you smile." [faint] Praise for THE LIGHTER SIDE OF LIFE "This book was not reviewed nor read by JEFF FOXWORTHY. He probably would not have liked it." --Anonymous "Eigel dishonors the legacy of Star Trek and tarnishes the iconic uniform of a Starship Captain." --What WILLIAM SHATNER likely would say, had he seen the Author photo "I love these stories, they are so well crafted. I don't like the drinking parts though; why do you have to tell those parts?" --SUZANNE, Eigel's Mother "I haven't read these yet... I lived them, why do I have to read them?" --MAUREEN, Eigel's Wife Eigel grew up loving the likes of Lewis

Grizzard and Paul Harvey and having a passion for the written word. Starting in 1996, he began writing an annual Christmas letter to be the antithesis of the typical letters. Self-deprecating humor and sarcasm were the impetus of his stories: real, embellished, or made up out of whole cloth. Those and many more are now compiled in this first book of Toiletture. In addition to this book, he has written a biographical novella about his Father-in-law's experiences up to and through WWII,

including the remarkable reuniting of four separated brothers following the Battle of the Bulge titled: 18 Hours in Liège--a Soldier's Story.
