The Cinderella of New York.Pamela

Quinzi. Someone once said, "A pair of

shoes can change your life..".This is the

story of how a pair of shoes changed my

life! My name is Pamela Quinzi but

people call me The Cinderella of New

York. It was July 2009 when Pamela arrived in New York City for vacation: a single, young, Italian girl with a luggage full of dreams. She only spoke one language: Fashion. With a heart full of passion, dreams and courage, she started the greatest adventure of her life. Born and raised in Rome, Italy young Pamela dreamt of one day becoming a Fashion Designer. She started designing dresses and shoes enveloped in a princess world from a very young age. At age fourteen Pamela attends a high school in Rome specializing in fashion, she interned for the oldest Italian couture brands. After getting her high school diploma she attended the Institute Marangoni to study fashion design and after graduating in 2005, Pamela starts her career in Milan. Pamela has designed extensively in the upper echelons of the fashion industry working for Made in Italy brands. She was living and working in Milan in 2009 when something unfortunate happened; the big recession arrived. After the economy crashed in America, it was then Europe's turn, including Italy. After that, there was nothing left in Italy to salvage. People lost a lot of money and so there were no more investments to finance the collections that she worked so hard for. Inspired by a visit from her Canadian cousins Pamela's next big life changing decision was to head to Montreal, Canada to clear her head. It was then that she remembered that New York City wasn't very far away and so she decided to spend a week of her trip there as well, eager for inspiration. She didn't know yet that the greatest adventure of her life was about to start. A random girl, a random question: 'Where did you buy your shoes from?' turns into a fashion explosion that creates The Cinderella of New York. Pamela has made a name for

herself in the big city over the years. She created and developed her own brand, Kilame, of One of a Kind Shoes and dresses. The uniqueness of her creations, especially her bespoke shoes embellished one at a time by hand in her Chelsea studio with crystals and embroideries, carried a very particular style of sophistication and a touch of elegant sexiness. This made Pamela internationally famous by capturing the attention of Media, Photographers and industry people. Her passion for her brand Kilame, her determination to follow her dreams and her ability to work hard to make her dreams come true are the keys to Pamela Quinzi's success. Pamela is a resilient spirit who arrived in the United States with no one and nothing, except for a dream. Pamela does not consider her story to be a fairy tale, even though many would say so. No, she believes it is a story about a girl that went through so much in her life and never stopped believing; a girl who worked long and hard and eventually made her vision her reality. Her mission is to inspire others with her story so that they too will follow their dreams and never stop believing in themselves and in their passions.

"Wholly original and captivating." - Brigid Kemmerer, New York Times bestselling author of *A Curse So Dark and Lonely*

Girls team up to overthrow the kingdom in this unique and powerful retelling of Cinderella from a stunning new voice that's perfect for fans of Dhonielle Clayton and Melissa Albert. It's 200 years after Cinderella found her prince, but the fairy tale is over. Teen girls are now required to appear at the Annual Ball, where the men of the kingdom

select wives based on a girl's display of finery. If a suitable match is not found, the girls not chosen are never heard from again. Sixteen-year-old Sophia would much rather marry Erin, her childhood best friend, than parade in front of suitors. At the ball, Sophia makes the desperate decision to flee, and finds herself hiding in Cinderella's mausoleum. There, she meets Constance, the last known descendant of Cinderella and her step sisters. Together

they vow to bring down the king once and for all--and in the process, they learn that there's more to Cinderella's story than they ever knew . . . This fresh take on a classic story will make readers question the tales they've been told, and root for girls to break down the constructs of the world around them.
