MATHIAS JANIYAH

Raja Ravi Varma Rupa Publications

In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.

Sanctus Harper Collins

Mukund Joshi is fourteen and newly in love. He attends the same private tuitions as his classmate, Shirodkar, just for a glimpse of her, and follows her back home every day. Sadly, she has not a clue that he is pining away for her, because in their society, boys and girls don't interact freely, much less talk about love. When he's not negotiating the tricky alleys of love, Mukund sits around the school field or loafes about town with his close friends, Surya, Chitre and Phawdya, railing against the education system, and debating ideas such as discipline and Bohemianism. Set in a small Maharashtrian town during the Emergency of 1975, Shala is a heart-warming, nuanced novel about the adolescent struggles that are as tortuous in real time as they are amusing in retrospect.

Medieval Elite Women and the Exercise of Power, 1100-1400 Legare Street Press

New York Times Bestseller A Summer Reading Pick for President Barack Obama, Bill Gates, and Mark Zuckerberg From a renowned historian comes a groundbreaking narrative of humanity's creation and evolution—a #1 international bestseller—that explores the ways in which biology and history have defined us and enhanced our understanding of what it means to be “human.” One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? Most books about the history of humanity pursue either a historical or a biological approach, but Dr. Yuval Noah Harari breaks the mold with this highly original book that begins about 70,000 years ago with the appearance of modern cognition. From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, *Sapiens* integrates history and science to reconsider accepted narratives, connect past developments with contemporary concerns, and examine specific events within the context of larger ideas. Dr. Harari also compels us to look ahead, because over the last few decades humans have begun to bend laws of natural selection that have governed life for the past four billion years. We are acquiring the ability to design not only the world around us, but also ourselves. Where is this leading us, and what do we want to become? Featuring 27 photographs, 6 maps, and 25 illustrations/diagrams, this provocative and insightful work is sure to spark debate and is essential reading for aficionados of Jared Diamond, James Gleick, Matt Ridley, Robert Wright, and Sharon Moalem.

KARMYOGINI LIFE OF AHILYABAI HOLKAR Dada Bhagwan Foundation

Historical novel on Shivaji Raja, 1627-1680, Maratha ruler.

Second Star to the Left Springer

India's biggest coverup is an investigative insight into the Netaji mystery and its stranger than fiction subplots. Relying heavily on official records-bulk of them still security classified in violation of democratic norms-the book uncovers a systematic obstruction of justice by the Government of India. First for any book in India, the narrative has been augmented with the excerpts and images of still secret records. Archival material and information obtained under the freedom of information acts of India, the US and the UK has also been made use of.

India Oxford University Press, USA

As much as we would prefer otherwise, conflict seems woven into the very fabric of life. On a daily basis, we find ourselves dealing with difficult people, facing unhealthy relationships, or suffering marriage problems. We might say that some of our relationships are the very definition of conflict! While asking ourselves how to adjust in these circumstances, and how to handle conflict, we remain confused and perplexed. In the book “Life Without Conflict”, Gnani Purush (embodiment of Self knowledge) Dada Bhagwan offers ultimate conflict resolution skills in the form of spiritual conflict resolution strategies. His spiritual teaching on how to resolve conflict - or to avoid it altogether - is offered in the context of common and everyday relationship challenges. Whether seeking relationship tips, marriage advice, or simply to learn how to stay healthy and to cultivate happy homes, this book will prove an invaluable resource.

Dayānanda Sarasvatī, His Life and Ideas Penguin UK

Since its establishment as a policy research institute in 1990, the Institute for In- grated Development Studies (IIDS) has been engaged in promoting public awa- ness and understanding of issues of national importance by undertaking studies and research on contemporary themes. It has been disseminating findings of its studies to policymakers in the public and private

sectors and ultimately to the public at large. Water resources is one of the areas of strong public interest in Nepal. It is considered a potent engine of economic growth. Its optimal use is dependent on, among other things, the cooperation among the riparian countries, especially India and Bangladesh. Water resources development is one of the subjects in which the Institute has been engaged since its beginning by undertaking studies through national professionals and joint studies on the water resources of the Ganges, Brahmaputra and Meghna river basins with policy research institutes from India and Bangladesh. In order to help policymakers to develop long-term perspectives of the need for cooperation for optimal use of water available in the tributaries of the Ganges, the Institute was involved in a major track-two exercise for over five years during the 1990s. The Institute has been undertaking a series of exercises in the form of publication and dissemination of study findings in the field since the early 1990's. In that series, this book is the latest one and is published in collaboration with Springer Science + Business Media BV, Dordrecht, The Netherlands.

Shivaji Popular Prakashan Pvt. Limited

As the Gods Will The Second Series Springer Science & Business Media

On Krishna, Hindu deity.

Shala Harper Collins

'The truth is, Partha,' Krishna said, 'that there is no "better" path. Both paths - the path of knowledge and the path of action - work just as well. It is up to you to pick the one that you are suited to.' The Bhagavad Gita is a profound book from India that people have cherished for over 2500 years. It emphasises kindness and understanding when we make mistakes, and tells a compelling story about Prince Arjuna and his friend Krishna. They engage in a crucial conversation about the war against the most powerful and dangerous enemy of all - the one that lives within our minds. Roopa Pai's spirited, one-of-a-kind retelling is engaging, easy to grasp, and leaves a lasting impact. After you finish reading, you'll find yourself contemplating its wisdom and feeling a sense of inner strength.

Social Movements and Social Transformation Swift Press

Tinker Bell, banished from her homeland for doing the unthinkable, selling the hottest drug in Neverland-pixie dust-wants absolution. Determined to find a way home, Tink doesn't hesitate to follow the one lead she has, even if that means seducing a filthy pirate to steal precious gems out from under his...hook. Captain Hook believes he's found a real treasure in Tink. That is, until he recovers from her pixie dust laced kiss with a curse that turns the seas against him. With his ship and reputation at the mercy of raging storms, he tracks down the little minx and demands she remove the curse. Too bad she can't. However, the mermaid queen has a solution to both of their problems, if Tink and Hook will work together to retrieve a magical item for her. As they venture to the mysterious Shrouded Isles to find the priceless treasure, their shared nemesis closes in. However, his wrath is nothing compared to the realization that achieving their goal may mean losing something they never

expected to find-each other. The swagger and adventure of Pirates of the Caribbean meets the sexy banter of The Hating Game with a healthy dose of steam in this retelling of Peter Pan that's far from the Neverland you know.

Mental Health Harper Collins

Based on economic and social problems of farmers in Indian society.

The Nepal-India Water Relationship: Challenges Kodansha Comics

Karna's Wife: The Outcast's Queen tells the extraordinary story of Karna, the unsung hero of the Mahabharata, through the eyes of his wife Uruvi, bringing his story to the reader from a unique perspective. An accomplished Kshatriya princess who falls in love with and dares to choose the 'sutaputra' over Arjun, Uruvi must come to terms with the social implications of her marriage and

learn to use her love and intelligence to be accepted by Karna and his family. Though she becomes his mainstay, counselling and guiding him, his blind allegiance to Duryodhana is beyond her power to change. The story of Uruvi and Karna unfolds against the backdrop of the struggle between the Pandavas and the Kauravas. As events build up leading to the great war of the Mahabharata, Uruvi is a witness to the twists and turns of Karna's fate; and how it is inextricably linked to divine design. A splendid saga from the pages of the Mahabharata, *Karna's Wife: The Outcast's Queen* brings its characters alive in all their majesty. *Karna's Wife* Harper Collins

'The epic text of Ranjit Desai's *Shriman Yogi* finds new voice in Vikrant Pande's nuanced translation, an immersive narrative of the foundations of the Maratha empire and the saga of its charismatic founder.' - Namita Gokhale. Young Shivaji reaches Pune, a dying fort city, with his mother Jijabai and lights the first lamp within its ruins. While his father Shahaji Bhosle is away on deputation by the Adil Shah sultanate after having failed in a revolt against it, Shivaji learns how an empire is built from the ground up. Thus begins the life of the Great Maratha. What awaits Shivaji is nothing short of the vast scroll of history, and it takes him from Surat to Thanjavur and all the way to Aurangzeb's durbar in Agra. He dreams of freeing his land from the clutches of Mughal rule, and though he suffers many defeats and personal losses along the way he never gives up his vision of Hindavi

Swaraj. Amidst political intrigue and a chain of skirmishes, Shivaji becomes a leader, a warrior and a tactician par excellence, driven by immense pride and love for his motherland.

The Times of India Directory and Year Book Including Who's who Simon and Schuster

A controversial novel based on the life of India's most celebrated painter, Raja Ravi Varma. He was accused of making the gods look like humans and insulting them by portraying them in the nude. He countered that he saw divinity in both gods and humans, and that nudity was the purest form he knew. This is the story of a little boy who grew up making charcoal sketches on freshly whitewashed temple walls and went on to be titled in the court of Thiruvananthapuram as 'Raja' for his artistic prowess. His painting of a Nair woman who worked in his wife's palace brought him wrath and recognition alike. His deep involvement with Sugandha, the Maharastrian lady, who became Menaka, Damayanti and Urvashi in his most acclaimed works caught the fancy of many critics and admirers.

A Brief History of India Harper Collins

Sapiens MEHTA PUBLISHING HOUSE

How do we define India? In historical terms, India originates in the Indus River Valley today on Pakistani territory. In cultural and religious terms, India was home to Hinduism, Buddhism, Jainism, Sikhism among others, and sheltered the Zoroastrians from the Persian lands to the west, as well as the place where Islam

flourished since the 7th century through Gujarat and Sind in northwest India. In geographical terms the country since 1947 is bordered to the north with Pakistan, Bangladesh, Bhutan, Nepal and China. With ex-Burma, today Myanmar, to the east. Also the proximity to the island of Sri Lanka to the south. Or would India be its enormous diaspora community in the world estimated at more than 30 million? Is India simply Hindu that makes up almost 80% of its population? If so, would the Hindus be only the Brahmins or the Vishunists or Shivitists, or the other popular currents? And the large Hindu communities in Nepal, Mauritius, Bali and other parts of the world? Are they India as well? And the approximately 14% of the Indian population claiming to be Muslims, around 172 million people, the second largest Muslim community in the world, are not they also Indians? And the Buddhists, Sikhs, Jains and Christian community in India? In linguistic terms, India has more than 20 official languages, more than 1,500 dialects and ethnic groups. Who would be more Indian than the others? The concept of India, therefore, is much more complex than it seems to be at first glance. In order to understand this stunning and kaleidoscopic region, we must seek its history that may give us some insight into how India has formed, consolidated, influenced and assimilated its policies, identities, values and cultures. In short, India is perhaps much more a civilizational concept than a mere expression defined only in geographical, religious and ethnic terms.
