ODOM SAGE

The Weiser Book of the Fantastic and Forgotten Harper Collins
Enter the World of Spirits! The Encyclopedia of Spirits is a comprehensive and entertaining A to Z of spirits from around this world and the next. Within these pages meet love goddesses and disease demons, guardians of children and guardians of

cadavers. Discover Celtic goddesses and goddesses of the Kabbalah, female Buddhas, African Powers, Dragon Ladies, White Ladies, Black Madonnas, the Green Man, the Green Fairy, lots and lots of ghosts, djinn, mermaids, fairies, and more. From the beneficent to the mischievous, working with these spirits can bring good fortune, lasting love, health, fertility, revenge, and relief. Discover: The true identities of over one thousand spirits (as well as their likes and dislikes) How to communicate with specific spirits for your own benefit How to recognize these spirits when they manifest themselves The mythological and historical

events associated with specific spirits The colors, days, numbers, and astrological signs associated with specific spirits The Encyclopedia of Spirits also provides an overview of the role of spirit communication throughout history and a general guide to working with spirits. No matter what your life's problems or desires, this book can guide you to the right spirits who can help fulfill your dreams. For the spiritual adept, the amateur, or the simply curious, the Encyclopedia of Spirits will inform, inspire, and delight.

The Spirit Book Encyclopedia of Spirits The Ultimate Guide to the Magic of Fairies, Genies, Demons, Ghosts, Gods & Goddesses Are ghosts real? Are there truly haunted places, only haunted people, or both? And how can we know? Taking neither a credulous nor a dismissive approach, this first-of-its-kind book solves those perplexing mysteries and more--even answering the question of why we care so very much. Putting aside purely romantic tales, this book examines the actual evidence for ghosts--from eyewitness accounts to mediumistic productions (such as diaphanous forms materializing in dim light), spirit photographs, ghost-detection phenomena, and even CSI-type trace evidence. Offering numerous exciting case studies, this book engages in serious investigation rather than breathless mystifying. Pseudoscience, folk legends, and outright hoaxes are challenged and exposed, while the historical, cultural, and scientific aspects of ghost experiences and haunting reports are carefully explored. The author--the world's only professional paranormal investigator--brings his skills as a stage magician, private detective, folklorist, and forensic science writer to bear on a topic that demands serious study.

The Weiser Field Guide to the Paranormal Simon and Schuster "The Oxford Companion to Spirits and Cocktails presents an in-depth exploration of the world of spirits and cocktails in a groundbreaking synthesis. The Companion covers drinks, processes, and techniques around the world as well as those in the US and Europe. It provides clear explanations of the different ways that spirits are produced, including fermentation, distillation and ageing, alongside a wealth of new detail on the emergence of cocktails and cocktail bars, including entries on key cocktails and influential mixologists and cocktail bars"--

In *The Encyclopedia Of 5,000 Spells: The Ultimate Reference Book for the Magical Arts*, independent scholar, educator and author of several books of folklore, folkways, and mythology Judika Illes enables the reader to enter the world of folklore, myth and magic with binding spells and banishing spells, spells for love, luck, wealth, and power, as well as spells for spiritual protection, physical healing, and enhanced fertility drawn from Earth's every corner and spanning 5,000 years of magical history. *An Illustrated Historical Reference to Spiritual Worlds* Southwater Pub

This reference explores Qabalah, Sibyls, Fairies, Poltergeists; phenomena such as intuition and karma; objects useful in the attempt to cross the divide, including tarot cards, flower reading, and runes; and related practices such as Shamanism, transfiguration, meditation, and mesmerism. It covers the history of Spiritualism as well as offshoots such as Kardecism, channeling, fraud, psychic research, and possession; and also reports on investigations of contemporary manifestations.

Knot Magic Llewellyn Worldwide

Covers the realm of ghost folklore and mythology with over five hundred entries on historical sightings, paranormal research, and supernatural hauntings.

Everyday Magic That Works SAGE

Explores this dark aspect of folklore and religion and the role that demons play in the modern world. Includes numerous entries documenting beliefs about demons and demonology from ancient history to the present.

Daily Magic HarperCollins UK

Drawing from ancient and modern folklore, myth, and religion, this reference work delves into the social and anthropological significance of supernatural beings such as angels, demons, dwarfs, encantados, fairies, keremets, nats and nymphs.

Spirits, Fairies, Gnomes, and Goblins Routledge

Of all the anomalous phenomenon reported, ghost sightings are by far the most common. The words "ghost" and "spirit" are used interchangeably in American English but in other cultures the lingering souls of the departed are not to be confused with ancestral spirits, demonic spirits, numens or poltergeists. This encyclopedia lists hundreds of entities of the spirit realm--from aatxe to zuzeca--from world mythology and folklore.

The Ultimate A-z of Spirits, Mysteries and the Paranormal

Macmillan

An A-to-Z resource on paranormal phenomena, with illustrations. Stranded motorists on a lonesome road are rescued by angels. The phone rings with a call from beyond the grave. A blood-sucking predator is sighted in the south of Texas. The Weiser Field Guide to the Paranormal is your gateway into the world

beyond the known. Covering topics from cryptids to psychics, telekinesis to telepathy, this concise, alphabetized handbook will guide you through the eerie, the undeniable, and the strange world of the paranormal. Once upon a time, events like ghost sightings were commonplace. Parlors were redecorated to accommodate seance rituals, and ghost stories poured from the culture. Psychic occurrences and abilities might have been feared and disliked, but they were accepted as a normal part of life. Today, we are experiencing a resurgence of all things paranormal. Join paranormal investigator and psychic Judith Joyce as she delves into this world with haunting detail and illuminating clarity. Joyce touches on all of the major aspects of paranormal phenomena, and more. Do you have telepathic powers? Can the Ouija board really speak from the Other Side? Use this paranormal primer to find out.

Planetary Angels and Spirits of Ceremonial Magic Harper Collins
 A year-long collection of spells and rituals for harnessing the magical power of each day from the author of the Encyclopedia of 5000 Spells. We all could use a little magic in our daily lives. But while the year is filled with mystical dates, we don't always know when and how to celebrate them. By knowing and preparing for these special days we can use their inherent power to change our lives. Daily Magic is a perpetual calendar focused on days of spiritual and magical significance. April 30th for example, is

perfect for spellcasting—especially spells for love, romance, fertility, and prosperity. Judika Illes teaches you how to create rituals and cast spells, provides recipes for potions, and offers advice on creating feasts to honor sacred beings. While the most spiritually significant power dates of the year are Midsummer's Eve, Halloween/Samhain, and New Year's, opportunities to use rituals and spells for the most popular goals—love, prosperity, fertility, healing, and protection—occur every week. Illes offers guidance on when to perform a spell—whether it's best to conjure now or to wait for a special power date later in the year. Daily Magic is a spiritual daily calendar that give us the power and the tools we need to take control of our destiny!

The history of the divine is the history of human thought. For as long as men and women have pondered the mysteries of their existence, they have answered their own questions with stories of gods and goddesses. Belief in these deities shaped whole civilizations, yet today many of their names and images lie buried. The Encyclopedia of Ancient Deities makes those names available to the general reader as well as the scholar. This reference work lists all the known gods through recorded history. Alphabetically arranged entries provide the name of each deity (with alternate spellings), as well as notes on names that may be linguistically or functionally related. The tribe or culture that

worshiped the deity is identified, and the god's origins and functions are explained. An extensive bibliography provides opportunities for further research and an exhaustive index provides access to the entries through virtually all names, forms and kinds of deities.

Witches peek from greeting cards and advertisements, and they dig twisted roots from the ground. Witches dance beneath the stars and lurk around cauldrons. Witches heal, witches scare, witches creep, and witches teach! A compendium of witches through the ages, from earliest prehistory to some of the most significant modern practitioners, *The Weiser Field Guide to Witches* explores who and what is a witch. From such famed historical legends as Aleister Crowley, Marie Laveau and Elizabeth Bathory to the popular literary and cinematic figures Harry Potter and *The Wicked Witch of the West*, Illes offers a complete range of the history of witches. Included also are the sacred—Isis,

Hekate, Aradia—and the profane—the Salem Witch trials and *The Burning Times*. *The Weiser Field Guide to Witches* is appropriate for readers of all ages and serves as an excellent and entertaining introduction for those fascinated by the topic.

Today there are many books of spells for specific needs and occasions for the practising Wiccan/witch, but no comprehensive and inclusive magic reference book exists. *THE ELEMENT ENCYCLOPEDIA OF 1000 SPELLS* is the magical equivalent of a prize and inspirational cookbook: nothing is too basic to be explained and yet sophisticated tastes as well as emergency situations are catered for. This book goes beyond merely the Wiccan tradition to include a multitude of eastern and western magical traditions whilst fulfilling the archetypal fantasy of the grand grimoire (master spell book). This book is that fantasy made real.
