German Made Simple Routledge

With more than 2.5 million copies in print, Spanish Made Simple is the bestselling title in the Made Simple series. For years, this trusted guide has led students, tourists, and business travelers step-by-step through the basic vocabulary and grammar of this most-studied foreign language. Thoroughly revised and updated for our increasingly bilingual world, this new edition features verb conjugation and pronunciation charts, modern vocabulary including new idioms, review chapters, reading exercises, a complete answer section, and English-Spanish and Spanish-English dictionaries—tools that make mastering the language fun. With Spanish Made Simple, learning a language is as easy as uno, dos, tres.

German Made Easy Crown

A comprehensive introduction to the German language that offers effective strategies, exercises, and advice on learning how to speak, write, and understand basic German.

Latin Made Simple German Made Simple

This handy textbook covers all you will need to know to learn to communicate using email and the internet. Learning Made Simple books give readers skills without frills. They are matched to the main qualifications, in this case ECDL, ICDL and CLAIT, and written by experienced teachers and authors to make often tricky subjects simple to learn. Every book is designed carefully to provide bite-sized lessons matched to learners' needs. Using full colour throughout, and written by leading teachers and writers, Learning Made Simple books help readers learn new skills and develop their talents. Whether studying at college, training at work, or reading at home, aiming for a qualification or simply getting up to speed, Learning Made Simple books give readers the advantage of easy, well-organised training materials in a handy volume with two or four-page sections for each topic for

ease of use.

**The Everything Learning German Book** Simon and Schuster  
A surprisingly simple way for students to master any subject--based on one of the world's most popular online courses and the bestselling book *A Mind for Numbers* and its wildly popular online companion course "Learning How to Learn" have empowered more than two million learners of all ages from around the world to master subjects that they once struggled with. Fans often wish they'd discovered these learning strategies earlier and ask how they can help their kids master these skills as well. Now in this new book for kids and teens, the authors reveal how to make the most of time spent studying. We all have the tools to learn what might not seem to come naturally to us at first--the secret is to understand how the brain works so we can unlock its power. This book explains: Why sometimes letting your mind wander is an important part of the learning process How to avoid "rut think" in order to think outside the box Why having a poor memory can be a good thing The value of metaphors in developing understanding A simple, yet powerful, way to stop procrastinating Filled with illustrations, application questions, and exercises, this book makes learning easy and fun.

**Interpretable Machine Learning** Lulu.com

Explains what to say in German in a variety of common situations and discusses the basics of German grammar.

**German for Beginners** Rockridge Press

Do you want to learn German or brush up what you already know? Are you planning a holiday in Germany or preparing for an exam? Are you looking for a course with a traditional approach to language learning, based on solid grammatical foundations, translation skills and practical vocabulary? If so, this is the course for you. The material covers a variety of everyday topics in a simple, concise manner. There are many examples and explanations to illustrate how the language works and to build confidence. Each unit, designed to build systematically on what you have already learned, contains: reading material consisting of passages or dialogues vocabulary lists clear grammar explanations exercises. At the back of the book, an exercise key enables you to check your answers while grammar and vocabulary sections provide a useful reference. The accompanying CD will help you with listening and speaking. In addition to a full pronunciation section, it contains reading passages or dialogues from the course book, followed by comprehension questions in German, together with model answers.

**Learn Oils Quickly** Speedy Publishing LLC

A practical guide to learn painting in oils, with simple exercises and step-by-step demonstrations. Bestselling artist and writer Hazel Soan has distilled her art teaching into the things that matter most and can be digested in a short period of time. Learning to paint is one of the life-long aspirations of many of us and the techniques of oil painting can be picked up faster than you think. And, as mistakes can be corrected much more easily in oils than any other painting medium, it is the ideal medium for beginners. In this concise book, Hazel Soan explains everything you need to know about oils in an accessible way. She advises on the materials you need (keeping things to a minimum), how to mix colours, basic brush techniques and how to use a palette knife. The subjects covered range from still life, flowers, animals, landscapes, figures and portraits. Filled with easy-to-follow exercises and demonstrations, this is a practical and helpful guide to learning to paint in oils very quickly.

**German for Everyone Junior 5 Words a Day** HarperCollins UK

Take the most direct path to mastering the German language! The best route to learning German starts with a solid grounding in the basics--and that's exactly what *Easy German Step-by-Step*

provides. You won't find a lot of pointless discussion; instead, you get a unique step-by-step approach to learning German, with important concepts linked together by clear explanations, appropriate exercises, and helpful answers. The first steps introduce you to the most common German expressions, enabling you to communicate in everyday situations almost immediately. From there, you're led through a series of interconnected steps taking you from simple to more-challenging concepts at your own pace; along the way are increasingly difficult exercises for practicing what you've learned. This step-by-step approach provides the confidence and tools you need to understand German in no time. *Easy German Step-by-Step* features: A unique "building-block" approach to mastering grammar, verbs, and vocabulary Easy-to-grasp descriptions of essential rules and concepts Key verbs and hundreds of key terms introduced on the basis of frequency Numerous exercises that give you valuable practice Access to a FREE flashcard app for studying and practicing on the go

**Computer Science Made Simple** Everything

Brushing up on math has never been easier! Just about everyone can use some extra help improving or remembering basic math skills. Finally, all the information you need to master the basics, once and for all, is at your fingertips. Featuring several overviews of a multitude of mathematical concepts, as well as detailed learning plans, *Mathematics Made Simple* presents the information you need in clear, concise lessons that make math fun to study. Easy-to-use features include: \* complete coverage of fractions, decimals, percents, algebra, linear equations, graphs, probability, geometry, and trigonometry \* step-by-step solutions to every problem \* multiple choice tests to help you monitor your progress \* a final, comprehensive test that makes it easy to pinpoint your strengths and target areas that need work \* glossaries of relevant mathematical terms \* sidebars that introduce real-life applications of mathematical principles Void of lengthy explanations and difficult computations, *Mathematics Made Simple* will banish your math anxiety forever.

**Basic German** Dk Pub

PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. Your first 1,000 German words - five words a day. Over the course of a year, *German for Everyone Junior: Five Words a Day* teaches new vocabulary to children who are starting to learn German. Presenting 20 new words between Monday and Thursday, the final day of each week's teaching allows children to practice the vocabulary they have just learned. A mix of nouns and verbs are taught through beautifully illustrated scenes, with each new word clearly labeled. *Five Words a Day* first encourages children to copy out the words before covering them with the flaps on the jacket and testing their new knowledge. Accompanying audio means that children are also able to practice their German pronunciation as many times as they want. With over 1,000 German words, *Five Words a Day* is a colorful, clear, and comprehensive workbook that will lay the foundations for your child's journey in learning and understanding German, at school or at home.

**Easy German** Made Simple Books
