CLARK SANCHEZ

Theory workbooks (ABRSM)
 Following the organization of the main text, this essential resource provides additional out-of-class practice, with four parts to each unit. Français écrit and Français parle contain written and listening activities, respectively, for all three lessons in a unit. Vie pratique offers both written and listening activities based on the practical language section, and Images du monde Francophone provides written and listening activities based on the cultural magazine sections. Revision tests appear after Unites 3, 6, 9, and 11. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
Level 3 McGraw-Hill Humanities, Social Sciences & World Languages
 This Student Book is for Higher tier students in Year 7. It has been adapted from the leading Singapore course to fully match the English Key Stage 3 National Curriculum. Rigorously reviewed by experienced UK and Singapore educators, it harnesses authentic Singaporean mastery values and embeds a growth mindset that everyone can succeed at maths.

An Investigative Approach Discovering French-RougeLevel 3
 "This updated edition of Bornstein's formative *My Gender Workbook* (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh read..."--Publishers Weekly, starred review Cultural theorists have

written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In *My Gender Workbook*, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, *My Gender Workbook* has been challenging, encouraging, questioning, and helping those trying to figure out how to become a "real man," a "real woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, *My New Gender Workbook* promises to help a new generation create their own unique place on the gender spectrum.

Liberte is a French language textbook for first-year college students. Please note that an instructor guide is included as a downloadable attachment.

T'es Branché? Level 2 McGraw-Hill/Glencoe

Put the work of a Pulitzer prize-winning author in your students' hands every day. *The American Vision* boasts an exceptional author team with specialized expertise in colonial, Civil War, 20th-century, and Civil Rights history. The full panorama of American history comes alive through their vivid and accurate retelling, and the co-authorship of National Geographic ensures that the program's new maps, charts, and graphs are correct to the last detail.

Discovering French-Rouge McDougal Littell/Houghton Mifflin

How did people communicate before the telephone? What toys did kids play with many years ago? Let your students see how life has changed over the years in this delightful new series.

Historical and modern photographs make the text come alive for young readers. Simple timelines allow students to follow the development of things they use in their everyday lives.

Rouge 3 Savvas Learning Company

The third edition of *Vis-À-Vis* continues the excitement of the innovative second edition with a fully integrated and revised multimedia package and updated cultural information presented in the "Correspondance" feature (chapter opening letter, postcard, or e-mail, which is answered in the mid-lesson "Correspondance" cultural spread) and in the new "Bienvenue dans le monde francophone" feature that recurs after every four chapters in the text. The overall goal of the revision remains the same as that of the second edition: to promote a balanced four-skills approach to learning French through a wide variety of listening, speaking, reading, and writing activities, while introducing students to the richness and diversity of the Francophone world.

Company

The main objective of *À votre tour!* is to advance students to a level at which they can comfortably express themselves on a variety of French and francophone topics. Avoiding the excessive rigor of most intermediate texts, *À votre tour!* immerses students in authentic language and cultural contexts to achieve three key objectives: to build and reinforce oral and written communicative skills, to develop reading skills and cultural awareness, and to forge a strong linguistic base. New! Tête à tête communicative activities require one student to use communicative skills to elicit unknown details from another student in order to complete a task, with basic vocabulary and grammar structures recycled to reinforce previously learned material. New! Integrated video correlates to the *Français Pratique* section of each unit and to corresponding video activities provided in the *Student Activities Manual*. New! Updated cultural material highlights recent cultural trends, such as prices expressed in euros, French phone numbers with appropriate area codes; reflects the current political realities; and offers many entry points for further development of cultural awareness, grammar, and lexical points. A broad introduction to French and Francophone cultures provides authentic language and cultural contexts without an intense grammar curriculum—adapted for students who might take French as a minor, rather than a major. Accessible presentation enables students with basic conversational and grammar skills to achieve success through careful pacing, cyclical review and re-entry of structures and vocabulary, and engaging conversational material. Solid grammar review builds a framework by first covering basic structures and expressions, then adding more advanced concepts to expand students' linguistic abilities.

My New Gender Workbook McDougal Littell/Houghton Mifflin

The *New York Times* and *USA Today* bestseller! This eye-opening book challenges you to do the essential work of unpacking your biases, and helps white people take action and dismantle the privilege within themselves so that you can stop (often unconsciously) inflicting damage on people of color, and in turn, help other white people do better, too. "Layla Saad is one of the most important and valuable teachers we have right now on the subject of white supremacy and racial injustice."—*New York Times* bestselling author Elizabeth Gilbert Based on the viral Instagram challenge that captivated participants worldwide, *Me and White Supremacy* takes readers on a 28-day journey, complete with journal prompts, to do the necessary and vital work that can ultimately lead to improving race relations.

Updated and expanded from the original workbook (downloaded by nearly 100,000 people), this critical text helps you take the work deeper by adding more historical and cultural contexts, sharing moving stories and anecdotes, and including expanded definitions, examples, and further resources, giving you the language to understand racism, and to dismantle your own biases, whether you are using the book on your own, with a book club, or looking to start family activism in your own home. This book will walk you step-by-step through the work of examining: Examining your own white privilege What allyship really means Anti-blackness, racial stereotypes, and cultural appropriation Changing the way that you view and respond to race How to continue the work to create social change Awareness leads to action, and action leads to change. For readers of *White Fragility*, *White Rage*, *So You Want To Talk About Race*, *The New Jim Crow*, *How to Be an Anti-Racist* and more who are ready to closely examine their own beliefs and biases and do the work it will take to create social change. "Layla Saad moves her readers from their heads into their hearts, and ultimately, into their practice.

We won't end white supremacy through an intellectual understanding alone; we must put that understanding into action."—Robin DiAngelo, author of New York Times bestseller *White Fragility*

Beginning French Sourcebooks, Inc.

Featuring incredible photos and new information about the latest research into Mars, this updated edition of DISCOVERING MARS covers everything about the great red planet, from past to present. Topics include myths and facts about life on Mars, a history of NASA's Mars research, including the Rover missions, and ideas about our potential future relationship with the planet. With its lively text narrative and beautiful color photos, students and teachers alike will enjoy learning everything there is to know about Mars.

Me and White Supremacy Routledge

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"-

Holt French 1 Scholastic Inc.

REALIDADES is a standards-based Spanish curriculum that balances grammar and communication. The program offers technology designed to integrate language and culture to teach and motivate all students.

Vis-à-vis Walch Publishing

A monster assembled by a scientist from parts of dead bodies develops a mind of his own as he learns to loathe himself and

hate his creator. Shelley's suspenseful and intellectually rich gothic tale confronts some of the most important and enduring themes in all of literature—the power of human imagination, the potential hubris of science, the gulf between appearance and essence, the effects of human cruelty, the desire for revenge and the need for forgiveness, and much more.

À votre tour! McDougal Littell/Houghton Mifflin

"This is a program that focuses on all 3 modes of communication (interpersonal, presentational, interpretive) and was designed with the Common Core State Standards (CCSS) in mind."-- Amazon/Publisher.

A. T. E. McDougal Littell/Houghton Mifflin

Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

American Ways Holt McDougal

Even those who don't like math are interested in food. Kitchen Math serves up 38 activities connecting basic math operations to purchasing, preparing, cooking, and serving different dishes. What's really the best price on yogurt? How long should you cook the eggs? How do you read nutrition labels? Your students will practice fundamental math skills while they solve real-life cooking, shopping, and planning scenarios. Comprehensive teacher materials include lesson objectives, teaching notes, pre- and post-tests, and complete answer keys.
