 the world. This  
 book traces  
 the country's  
 expansion  
 southward

during medieval times, its resistance to Muslim invasion, and, under energetic leaders, its defense of its independence during the European scramble for Africa. The author is concerned not only with kings, princes and politicians but also includes insights on daily life, art, architecture, religion, culture, customs and observations by travelers.

**Evaluation of Multilingual**

**and Multi-modal Information Retrieval**  
 Otto Harrassowitz Verlag  
 If you're looking for a reliable modern Amharic-English dictionary, you're in the right place. This concise dictionary includes 1,300 modern Amharic terms. The words are ordered alphabetically first in English and then in Amharic for convenient access.  
Etymological Dictionary of

Gurage (Ethiopic): Individual dictionaries  
 Scarecrow Press  
 This book constitutes the thoroughly refereed postproceedings of the 7th Workshop of the Cross-Language Evaluation Forum, CLEF 2006, held in Alicante, Spain, September 2006. The revised papers presented together with an introduction were carefully reviewed and selected for inclusion in the book. The

papers are organized in topical sections on Multilingual Textual Document Retrieval, Domain-Specific Information Retrieval, i-CLEF, QA@CLEF, ImageCLEF, CLSR, WebCLEF and GeoCLEF. Amharic-English dictionary Univ of California Press The Historical Dictionary of Ethiopia, Second Edition covers the history of Ethiopia through a

chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has several hundred cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about

Ethiopia.  
**Beginner's Shona (ChiShona)**  
 Walter de Gruyter  
 The basics of Chishona, the most widely spoken form of Shona, are taught here in 12 comprehensive lessons. Each lesson includes a practice dialogue, vocabulary, grammar explanations, and review exercises.  
**The New Oromo, Amharic, English Dictionary**  
 Springer  
 Ethiopia is one of the world's

oldest countries; its Rift Valley may be the location where the ancestors of humankind originated more than four million years ago. With a population of 67 million people today, it is the third most populous country on the African continent after Nigeria and Egypt. It is the source of 86 percent of the water reaching the Aswan Dam in Egypt, most of it carried by the amazing Blue Nile. Ethiopia offers

major historical sites such as the pre-Christian palace at Yeha, the stele and tombs of the old Kingdom of Axum, and the rock-carved churches of Lalibela. For anyone interested in Ethiopia, this historical dictionary, through its individual and carefully cross-referenced entries, captures the importance and intrigue of this truly significant African nation. Historical

Dictionary of Ethiopia appeals to all levels of readers, providing entries for each of Ethiopia's 85 ethnic groups and covering a broad range of cultural, political, and economic topics. Readers interested in the cultural aspects or who are planning to visit Ethiopia will find a wealth of entries on art, literature, handicrafts, music, dance, bird life, geography, and historic

tourist sites. Practitioners in government and non-governmental organizations will find entries on pressing economic, social, and political issues such as HIV/AIDS, female circumcision , debt, human rights, and the environment. The important historical role of missionaries and the combination of conflict and cooperation between Christians and Muslims in the region are also issues

reviewed. And, finally, many of the entries highlight relations between Ethiopia and her neighbors- Eritrea, Somalia, Somaliland, Djibouti, Kenya, and Sudan. In the bibliography, considerable emphasis has been placed on including both new and old materials covering all facets of Ethiopia, organized for easy identification by areas of major interest. Advanced Level

HirkooEnglish-Oromo-Amharic DictionaryThe New Oromo, Amharic, English DictionaryOromo-English/English-Oromo Dictionary & Phrasebook Learn Amharic with new picture dictionary series from trusted publisher of foreign language study guides, Hippocrene Books Amharic is the official working language of Ethiopia, with approximately 30 million speakers. It is

the second most widely spoken Semitic language in the world after Arabic. Unlike Arabic, however, Amharic is written left-to-right and uses a distinct script called Ge'ez script. With colorful, eye-catching illustrations to stimulate imagination and curiosity, My First Amharic Dictionary is specially designed for children ages 5 to 12. It contains more than 1,000 everyday words (from

colors, animals, household items, foods and more)--each illustrated and translated into Amharic with accompanying phonetic pronunciation. The illustrations are arranged alphabetically by English so even young readers can easily search for words. Each one is labeled with clear, bold type and the commonsense pronunciation makes it easy to begin speaking Amharic right away! Recent

studies suggest that children should begin learning a foreign language before age 10 for best results. This dictionary is a fun, engaging way for parents or grandparents to introduce Amharic to young children. Teachers will also find the dictionary useful for students who are learning Amharic from Kindergarten and up. Concise Amharic Dictionary Nordic Africa

 where they in their modes Ethiopia, was

published by Hiob Ludolf in 1698. The Amharic grammar published by Praetorius in 1879 is based on Amharic religious texts and on scattered material, usually composed by missionaries. A milestone in the study of Amharic is Marcel Cohen's *Traite de langue amharique* (1936), but this grammar, too is not completely suited for beginners since the author's generalization

s are at times aimed at linguists. The grammar that comes closest to the concept of a beginner's grammar is that of C.H. Dawkin (1960), yet this grammar is extremely short, does not give examples and does not introduce the student to the intricacies of the language. The new book gives all the grammatical forms and the sentences of the present grammar in Amharic script and in

phonetic transcription. The illustrative examples have a free and a literal translation. This procedure should likewise prove to be useful for the Semitist as well as for the general linguist. *English-Oromo-Amharic Dictionary* Otto Harrassowitz Verlag A concise Amharic-English, English-Amharic dictionary provides

definitions along with phonetic transcriptions of Amharic script. *The Amharic Dictionary* Otto Harrassowitz Verlag Oromo kasahorow. Learn to read Modern Oromo! The Oromo Learner's Dictionary is a beginner's dictionary for your multilingual child to develop their Oromo and English reading skills. Contains basic nouns, verbs and adjectives to aid fast comprehension of any Modern Oromo language book. Discover the joy of reading in Oromo and English together with your multilingual child. Suitable for children 8 to 12 years old. *My First Book of Amharic Words* Springer "This landmark publication in comparative linguistics is the first comprehensive work to address the general issue of what kinds of words tend to be borrowed from other languages. The authors have assembled a unique database of over 70,000 words from 40 languages from around the world, 18,000 of which are loanwords. This database allows the authors to make empirically founded generalizations about general tendencies of word exchange among languages." --

Book Jacket. **Advanced Level Hirkoo** Scarecrow Press For over a quarter of a century Siegbert Uhlig has been involved in Ethiopian Studies. As wide as the scope of his interests and contributions to Ethiopian Studies has been, so versatile is the thematic range of the 36 articles in this anthology. The essays in fields such as philology, history, linguistics, anthropology and arts were written by the ethiopisants from Ethiopia, Germany, Israel, Italy, the Netherlands, Poland, Russia, Sweden, Thailand, the United Kingdom and the USA. The Festschrift also includes an account of Ethiopian Studies in Hamburg, and a selected bibliography of Siegbert Uhlig's publications. An index to the contributions of the collection will be made available on the internet. List of contributors: L. Gerhardt, J. Abbink, H. Amborn, D. Appleyard, B. Zewde, B. Tafla, E.
