A Remarkable Way to Achieve Your Dreams

Fish! A Remarkable Way to
Boost Morale and Improve
Results

The phenomenal
bestseller FISH! has sold
more than one million
copies worldwide and has

appeared on numerous
bestseller lists. Now, with
the FISH! Omnibus,
readers can enjoy the
wisdom of FISH! and its
sequels FISH! TALES and
FISH! STICKS in one book.
FISH! is a powerful
parable that will help you
love the work you do -
even if you can't always
do work that you love. In
this engaging metaphor, a
fictional manager

transforms a chronically
unenthusiastic
department into an
effective team by
applying ingeniously
simple lessons learnt from
Pike Place Fish, a wildly
successful local
fishmonger. The parable
addresses today's most
pressing work issues and
offers easy to grasp,
profound wisdom - the
hallmark of a business

classic. With FISH! TALES, readers can learn how people from four real-life businesses boosted morale and improved results by implementing the FISH! principles. Here are specific and tested techniques that can be put to use immediately in any kind of business or organisation - even at home. FISH! TALES features dozens of success stories, and it details a twelve-week programme with specific steps and action plans to help you find greater fulfilment - while inspiring

those around you to do the same. In FISH! STICKS, the authors teach you how to create your own vision for your business - and to keep it alive and renewed through the tough and changing times, such as turnover in management and staff. FISH! STICKS will show you sustainable ways to establish an invigorating management style that really works. **Uncontainable** Hachette Books
Few songs have inspired a nation as did Lee Ann Womack's "I Hope you

Dance." It affirms life and challenges you to live fully, joyously and with abandon. The companion book published in 2001 perfectly captured the message of the song and, with 1.7 million copies sold, became one of the best selling books of this decade. So much so that the book now stands alone and the message of the book transcends the original market of people who loved the song. This new edition has a fresh new cover and a lower price and does not include the companion CD.

Achieving Success at

Conversation at a Time

Hachette Books

Author of the #1 New York Times bestselling *Take Time for Your Life* now shows you how to reclaim your life one week at a time Cheryl Richardson, bestselling author and one of the most sought-after lecturers in the country, knows firsthand how tough it can be to juggle the daily demands of living in a fast-paced world, and how easily you can become disconnected

from your true self and what makes you happy. In *Life Makeovers*, Cheryl has taken all the know-how and insight she has gleaned from her years as a personal coach and distilled it into a simple, year-long program that shows how making small changes, over time, can have a huge impact on the quality of your life. In fifty-two simple yet profound essays, Richardson provides a plan for both reflecting and taking action, along with specific, practical advice and exercises to

help readers gradually and permanently remodel their lives, week by week. Easy to use and fun to read, this workbook is the perfect companion to *Take Time for Your Life*. Topics include: *The Gift of Time: It's Self-Management, Not Time Management Are We Having Fun Yet: When Life Gets Too Serious, Here's What to Do Give Your Brain a Vacation: For Finding the Best Ideas, Try This Standing in the Shadow: Whose Talent Are You Hiding Behind? Stop Juggling and Start*

Living: Here Are Some of the Balls to Drop Close Encounters: How to Make a Deeper Connection with Others Her brief, personal essays will inspire you to make changes, and her Take Action Challenges, which appear with comprehensive resource sections at the end of every essay, will guide you through small steps that will slowly teach you to think, act, love, work, and even laugh in a whole new way. Written in Cheryl's signature, heartwarming style, Life Makeovers is the ideal

book for anyone looking for a balanced way to reclaim their life one step at a time. How often do you daydream about living a better life—a life that reflects more of you, your values and deepest desires? How many times have you come to the end of a busy week and toyed with the fantasy of packing up and leaving it all behind? The "Life Makeover" program is a powerful year-long program for change. It is designed to support you in changing your life one week at a time. Each

chapter consists of a topic of the week and contains a Take Action Challenge and a Resources section to support you in taking action quickly and easily. Be prepared for your life to unfold in wonderful ways. As you clean up the clutter, reconnect with your inner wisdom, strengthen your character, and take on the challenges of high-quality living, you'll find that the lost parts of yourself start to come together to form a pretty amazing life! Omnibus Hyperion For twenty years The Fish!

Philosophy has transformed businesses, schools, and individuals worldwide. Its simple, powerful practices help people find new passion and purpose in their work and lives. Thousands of organisations, such as Southwest Airlines, Ford, and Nabisco use The Fish! Philosophy to build cultures that nourish the human spirit--improving teamwork, trust, service, and retention. The book FISH! has sold over five million copies and is translated in over thirty languages. Learn how you

can transform your organisation through the story of Blue Care. *How Smart Companies Are Transforming the Way Work Gets Done* Thomas Nelson
Mega-bestselling author Ken Blanchard and celebrated business leaders Don Hutson and Ethan Willis present an inspiring story that reveals the secrets to becoming a successful entrepreneur. In THE ONE MINUTE ENTREPRENEUR, Ken Blanchard (coauthor of the #1 bestselling business classic The One

Minute Manager), Don Hutson, CEO of U.S. Learning, and Ethan Willis, CEO of Prosper Learning, tell the inspiring story of one man's challenges in creating his own business. Through a powerful and engaging narrative, we confront many of the typical problems all entrepreneurs face in starting up their business, from finding new sources of revenue to securing the commitment of their people and the loyalty of their customers. More important, we learn the

secrets to becoming a successful entrepreneur, including how to build a firm foundation, how to ensure a steady cash flow, and how to create legendary service. In addition, the book offers invaluable advice, delivered through One Minute Insights, from such entrepreneurs and thinkers as Sheldon Bowles, Peter Drucker, Michael Gerber, and Charlie “Tremendous” Jones. Today, in the midst of the largest entrepreneurial surge in U.S. history, four out of

five small businesses continue to fail. **THE ONE MINUTE ENTREPRENEUR** offers businesspeople and would-be entrepreneurs a treasure trove of wisdom on how to think, act, and succeed in creating and sustaining a business, no matter what their industry.

[An A-Mazing Way to Deal with Change in Your Work and in Your Life](#) AMACOM A guide to improving the atmosphere at work, given in the format of a novel: a fictional manager learns how to improve her co-workers' morale and

production by following the lead of the remarkably energetic Pike Place Fish market in Seattle.

[The Age of Agile Currency](#)
The philosophy of perception investigates the nature of our sensory experiences and their relation to reality. Raising questions about the conscious character of perceptual experiences, how they enable us to acquire knowledge of the world in which we live, and what exactly it is we are aware of when we hallucinate or dream, the

philosophy of perception is a growing area of interest in metaphysics, epistemology, and philosophy of mind. William Fish's *Philosophy of Perception* introduces the subject thematically, setting out the major theories of perception together with their motivations and attendant problems. While providing historical background to debates in the field, this comprehensive overview focuses on recent presentations and defenses of the different theories, and looks

beyond visual perception to take into account the role of other senses. Topics covered include: the phenomenal principle perception and hallucination perception and content sense-data, adverbialism and idealism disjunctivism and relationalism intentionalism and combined theories the nature of content veridicality perception and empirical science non-visual perception. With summaries and suggested further reading at the end of each

chapter, this is an ideal introduction to the philosophy of perception. *The Present Hyperion* In his best-selling book, *Squirrel Inc.*, former World Bank executive and master storyteller Stephen Denning used a tale to show why storytelling is a critical skill for leaders. Now, in this hands-on guide, Denning explains how you can learn to tell the right story at the right time. Whoever you are in the organization CEO, middle management, or someone on the front lines you can

lead by using stories to effect change. Filled with myriad examples, *A Leader's Guide to Storytelling* shows how storytelling is one of the few available ways to handle the principal and most difficult challenges of leadership: sparking action, getting people to work together, and leading people into the future. The right kind of story at the right time, can make an organization "stunningly vulnerable" to a new idea.
Gung Ho! Hachette Books
 Another Spencer Johnson

#1 Bestseller #1 New York Times Business #1 Wall Street Journal #1 BusinessWeek From the Author of *Who Moved My Cheese?* Dr. Spencer Johnson's stories of timeless, simple truths have changed the work and lives of millions of readers around the world. Now comes an insightful new tale of inspiration and practical guidance for these turbulent times. *Good Things Happen To Those Who Open The Present The Gift That Makes Your Work And Life Better Each Day!* For over

two decades, Spencer Johnson has been inspiring and entertaining millions with his simple yet insightful stories of work and life that speak directly to the heart and soul. *The Present* is an engaging story of a young man's journey to adulthood, and his search for *The Present*, a mysterious and elusive gift he first hears about from a great old man. This *Present*, according to the old man, is "the best present a person can receive." Later, when the young boy becomes a

young man, disillusioned with his work and his life, he returns to ask the old man, once again, to help him find The Present. The old man responds, “Only you have the power to find The Present for yourself.” So the young man embarks on a tireless search for this magical gift that holds the secret to his personal happiness and business success. It is only after the young man has searched high and low and given up his relentless pursuit that he relaxes and discovers The Present—and all of the

promises it offers. The Present will help you focus on what will make you happier and more successful in your work and in your personal life, today! Like the young man, you may find that it is the best gift you can give yourself.

“Why is it that some people challenge us and motivate us to rise to our best abilities, while others seem to drain our energy and spirit? What is that particular quality certain

people have that causes those around them to engage fully and feel connected?” You are a leader. You do not need to be in a boardroom, on a battlefield, or on a ballot to have a profound impact on everyone around you. In this life-changing book, Betsy Myers—senior adviser to two US presidents and former executive director of Harvard’s Center for Public Leadership—demonstrates how each of us has opportunities to take the lead every day and shares

seven core principles that will enable us to be more productive, engaged, and successful. From the Oval Office to the playground, cabinet meetings to kitchen tables, in public life and private, Betsy Myers has seen firsthand the emergence of a new leadership model where having all the answers up front is less important than asking the right questions, where strength is derived less from the power you wield than from how you make the people around you feel. With personal stories from

her time in government, in academia, and on the campaign trail, as well as her experiences as a wife, daughter, and mother, Myers helps all of us learn to set the right priorities for ourselves; to connect on a deeper level with the people around us; to uncover problems early when they are still easy to fix; to collaborate with those whose points of view are different from our own; and to push through our fears and live our most authentic lives. Myers demonstrates that more than simply making

people feel good, this kind of leadership can have a profound effect on the results achieved: it is how initiatives are launched, profits are made, and work gets done. Personal, practical, and profoundly inspiring, *Take the Lead* is a book for anyone who wonders where all the great leaders have gone. Betsy Myers helps us see that true leadership is all around us—and within us. **Fish! Sticks** Hachette Books
This book applies the economic principles of individualist anarchism, as

developed in Studies in Mutualist Political Economy, to the study of the large organization. It integrates the insights of mainstream organization theory into that framework, along with those of more radical thinkers like Ivan Illich, Paul Goodman, and R.A. Wilson. Part One examines the ways in which state intervention in the market, including subsidies to the inefficiency costs of large size and regulatory protection against the competitive

consequences of inefficiency, skews the size of the predominant business artificially upward to an extent that simply could not prevail in a free market. Part Two examines the effects of such large organizational size on the character of the system as a whole. Part Three examines the internal pathologies and contradictions of organizations larger than a free market could support. And Part Four surveys the potential building blocks of an alternative, decentralized

and libertarian economic order.

It's time to let the CATS out of the bag . . .

Curiosity might have killed the proverbial cat, but without it very real achievements would never occur. With this book as your guide, you'll learn how to spark your innate curiosity, pounce on problems in ways you never imagined, and enjoy greater success and satisfaction at work—and in your personal life.

Playful, profound, and positively upbeat, CATS provides what you need to tap into your power of innovation—and then unleash it in every member of your organization. While most business thinkers view this challenge from the top down, Stephen Lundin sees the subject from a CAT's-eye view, explaining how to get every employee--no matter what level--to think and act in innovative ways. Inside, he examines the four challenges to innovation

and offers practical measures aimed at conquering them. You'll learn how to: Be brave ('fraidy cats never innovate) Stop being "normal" (make your own rules!) Embrace failure (it's the only way to learn) Foster creativity (don't be a control freak) Lundin then describes the Nine Lives of Innovation, each of which is a step toward realizing your inner CAT and becoming a fully contributing member of an innovative organization. Prowling inside every employee is

a questioner, a creator, an innovator--claws out and ready to pounce. Become a CAT and you may find yourself springing on ideas in a way that surprises you—and everyone around you. *Take the Lead* McGraw Hill Professional The phenomenal international bestseller FISH! told the story of a fictional company that transformed itself by applying lessons learned from Seattle's Pike Place Fish Market. The follow-up FISH! TALES told of real-life companies that

boosted morale and improved results by implementing these same principles. Now, following the huge success of these motivational titles, comes the latest inspiring addition to the series: FISH! STICKS. In this new, stimulating volume, the authors teach us how to effect change in our business and make it stick through tough and changing times such as turnover in management and staff. With the appealing, readable style which makes the FISH philosophy so accessible,

FISH! STICKS shows us how to keep our work vital, alive and fresh, while maintaining those innovations that really work for your company. [The Story of How Bluecare Changed Its Culture and People's Lives.](#) Currency
If you want to motivate your employees to be more productive, convince your customers to use more of your products and services, encourage a loved one to engage in healthier habits, or inspire any change in yourself, renowned psychologist

Dr. Michael Pantalon can show you how to achieve Instant Influence in six simple steps. Drawing on three decades of research, Dr. Pantalon's easy-to-learn method can create changes both great and small in 7 minutes or less. This scientifically tested method succeeds in every area of work and life by helping people tap into their deeply personal reasons for wanting to change and finding a spark of "yes" within an answer that sounds like "no."
Top Performer Penguin

We all sell something for a living--whether it's a brand, a vision, an education, a direction, or a service. We might even be selling a set of numbers to a board meeting, learning to a student, or cereal to an infant. This eye-opening parable is about harnessing natural energy--yours and that of those around you--in order to take your sales, and your satisfaction to the next level of success. In Top Performer, you'll meet Jim, a disciplined but uninspired sales manager.

In London on vacation--his first in years--he meets a gentleman named Top Hat. In an engrossing conversation, Top Hat tells him about a legendary Dublin busker/street performer called the Rat Catcher, who engages his audience and effortlessly charms them into parting easily with their change. Top Hat then gives Jim an envelope to bring to the Rat Catcher as a form of introduction. Jim is incredulous, and even a bit suspicious. But after a trip back home, he's

willing to do anything to break out of his rut of good-to-average sales and dogged but unfulfilling perseverance. Jim travels to Dublin, where the Rat Catcher tells--and shows--him some surprising secrets of his work ethic and his selling style. Jim ultimately realizes that he needs to Claim the Pitch, Mine the Mess, Choose the Close, and, most importantly, Juice the Jam. When Jim returns home, he's re-energized, having learned how to Build a Circle and Pass the Hat

where it really counts--in his life, his relationships, and his workplace. Full of action-packed and sometimes hilarious descriptions of the real like adventures of street performer, this engaging metaphor will appeal to anyone in any position--and in any field, from banking to baking to busking. In the tradition of the bestselling Fish! series this is a deceptively simple story that contains profound advice--advice that will help make readers into Top Performer themselves.

Homeschool Planning for Purpose and Peace

Harmony
Ken Blanchard and Sheldon Bowles, co-authors of the New York Times business bestseller Raving Fans, are back with Gung Ho! Here is an invaluable management tool that outlines foolproof ways to increase productivity by fostering excellent morale in the workplace. It is a must-read for everyone who wants to stay on top in today's ultra-competitive business world. Raving Fans taught managers

how to turn customers into full-fledged fans. Now, Gung Ho! brings the same magic to employees. Through the inspirational story of business leaders Peggy Sinclair and Andy Longclaw, Blanchard and Bowles reveal the secret of Gung Ho--a revolutionary technique to boost enthusiasm and performance and usher in astonishing results for any organization. The three principles of Gung Ho are: The Spirit of the Squirrel
The Way of the Beaver
The Gift of the Goose

These three cornerstones of Gung Ho are surprisingly simple and yet amazingly powerful. Whether your organization consists of one or is listed in the Fortune 500, this book ensures Gung Ho employees committed to success. Gung Ho! also includes a clear game plan with a step-by-step outline for instituting these groundbreaking ideas. Destined to become a classic, Gung Ho! is a rare and wonderful business book that is packed with

invaluable information as well as a compelling, page-turning story. Management legend Ken Blanchard and master entrepreneur Sheldon Bowles are back with Gung Ho!, revealing a surefire way to boost employee enthusiasm, productivity, and performance and usher in astonishing results for any organization. Raving Fans brilliantly schooled managers on how to turn customers into raving fans. Gung Ho! now brings the same magic to employees. Here is the

story of how two managers saved a failing company and turned in record profits with record productivity. The three core ideas of Gung Ho! are surprisingly simple: worthwhile work guided by goals and values; putting workers in control of their production; and cheering one another on. Their principles are so powerful that business leaders, reviewing the manuscript for Ken and Sheldon, have written to say, "Sorry. Ignored instructions. Have photocopied for everyone.

I promise to buy books, but can't wait. We need now!" Like Raving Fans, Gung Ho! delivers. *How Passion, Commitment, and Conscious Capitalism Built a Business Where Everyone Thrives* Coronet A parable that helps you love the work you do - even if you can't always do work that you love. *Ubuntu!* Hachette Books There's a new FISH! in the pond! Here's a brilliant parable for everyone who wants to lead a fuller, happier life millions of business people have

already used the bestselling FISH! books to improve the way they work. Now, the authors turn their attention to life's daily personal challenges, helping readers deal with them simply and effectively. By applying the FISH! principles of Play, Make Their Day, Choose Your Attitude, and Be Present, FISH! for Life shows readers how to confront life's issues and to reach their full potential. With advice on such life issues as weight loss, personal finance, and relationships,

the book is a road map for achieving personal happiness and well-being in all areas of life. After all, life shouldn't be work. *Philosophy of Perception* Routledge Practical, proven techniques for managing today's smaller, more mission-critical projects Managers who can bring projects in on time, under budget, and within specs are among the most valuable and marketable in today's project-driven environment. Just Enough Project Management-- written by globally

renowned project management authority Curtis R. Cook--is a quick-hitting, no-nonsense pocket guide on how to successfully handle projects of any size, in any environment. This versatile book's one-of-a-kind, customizable templates free managers from the time-consuming process of having to reinvent basic techniques and methods from one project to the next. Valuable for projects of every size, but especially helpful for today's newer breed of tighter, more

focused projects, *Just Enough Project Management* will help project managers achieve: Greater bottom-line performance
Dramatically improved team morale
Long-term competitive advantage
[The Gift That Makes You Happier And More Successful At Work And In Life, Today!](#) Yearling Books
"You're going to sell what? Empty Boxes?" Back in 1978, Kip Tindell (Chairman & CEO of The Container Store) and his partners had the vision

that people were eager to find solutions to save both space and time - and they were definitely onto something. A new category of the retailing industry was born - storage and organization. Today, with stores nationwide and with more than 5,000 loyal employees, the company couldn't be stronger. Over the years, The Container Store has been lauded for its commitment to its employees and focus on its original concept and inventory mix as the formula for its success.

But for Tindell, the goal never has been growth for growth's sake. Rather, it is to adhere to the company's values-based business philosophies, which center on an employee-first culture, superior customer service and strict merchandising. The Container Store has been named on Fortune magazine's "100 Best Companies To Work For" list for 15 consecutive years. Even better, The Container Store has

millions of loyal customers. In *Uncontainable*, Tindell reveals his approach for building a business where everyone associated with it thrives through embodying the tenets of Conscious Capitalism. Tindell's seven Foundation Principles are the roadmap that drives everyone at The Container Store to achieve the goals of the company. *Uncontainable*

shows how other businesses can adapt this approach toward what Tindell calls the most profitable, sustainable and fun way of doing business. Tindell is that rare CEO who fully embraces the "Golden Rule" of business - where all stakeholders - employees, customers, vendors, shareholder, the community - are successful through a harmonic balance of win-wins.
