*Clever Girl Finance* Racehorse for Young Readers  
 #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini

survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—*Unbroken* is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by *Time* magazine • Winner of the Los Angeles Times Book Prize for biography and the

Indies Choice Adult Nonfiction Book of the Year award “Extraordinarily moving . . . a powerfully drawn survival epic.”—*The Wall Street Journal* “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—*New York* “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—*People* “A meticulous, soaring and beautifully written account of an extraordinary life.”—*The Washington Post* “Ambitious and powerful . . . a startling narrative and an inspirational book.”—*The New York Times Book Review* “Magnificent . . . incredible . . . [Hillenbrand] has crafted another

masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—The Dallas Morning News “An astonishing testament to the superhuman power of tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washingtonian “[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks* *How One Man Wiped Out His Debts and Achieved the Life of His Dreams* Imprint Personal finance 101—without the homework or quizzes Most of us graduate high school with a basic understanding of history, math, science, and literature, but when it comes to personal finance—arguably the topic that we use most in our daily lives—we feel lost or overwhelmed. No longer! Cast aside your fear of FICO scores and your confusion about credit cards, because Scott Gamm, founder of HelpSaveMyDollars.com and student at NYU Stern School of Business is here to help. MORE MONEY, PLEASE is a comprehensive, easy-to-understand introduction to money management. Gamm walks readers through the basics of personal finance, from savings accounts to student loans, including:

- The rules for building a budget—and sticking with it
- How to pay for college without getting into tons of debt
- Why getting a credit card is a good thing—if you pick the right one
- How to use your smart phone to pay bills on time
- Why it’s important to save for retirement right now

A must-read for college students and recent grads, MORE MONEY, PLEASE will show you how to take control of your finances.

**365 Ways to Live Cheap** HarperCollins The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play’s first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play’s sexual politics and recent scholarship devoted to the position of Jews in Shakespeare’s time. He surveys the international scope and diversity of theatrical interpretations of The Merchant

in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

At any cost. 10 concentration camps. 10 different places where you are starved, tortured, and worked mercilessly. It’s something no one could imagine surviving. But it is what Yanek Gruener has to face. As a Jewish boy in 1930s Poland, Yanek is at the mercy of the Nazis who have taken over. Everything he has, and everyone he loves, have been snatched brutally from him. And then Yanek himself is taken prisoner -- his arm tattooed with the words PRISONER B-3087. He is forced from one nightmarish concentration camp to another, as World War II rages all around him. He encounters evil he could have never imagined, but also sees surprising glimpses of hope amid the horror. He just barely escapes death, only to confront it again seconds later. Can Yanek make it through the terror without losing his hope, his will -- and, most of all, his sense of who he really is inside? Based on an astonishing true story.

Wrestle debt to the ground. Figure out whether you should rent or buy. And determine if a side hustle is really worth the hassle. Get a job, buy a house, spend less than you make, and retire at sixty-five. That's advice for a world that has largely disappeared. Even good jobs today often have no guarantee of stability. Home prices have reached the stratosphere. Meanwhile, student debt drags you down just as you're trying to take off in life. To survive and thrive in today's reality, you need a whole new personal finance toolkit. Global News money reporter Erica Alini blends the big picture with practical advice to give you a deeper understanding of the economic forces that are shaping your financial struggles and how to overcome them. Packed with concrete tips, *Money Like You Mean It* covers all the bases: from debt through investing and retirement to renting vs. buying and how to tell whether a side gig is really worth the effort. It's the essential road map you need to make it in the current economy.
