 • Presents in-depth teachings and channeled wisdom from the six star nations--the Pleiades, Sirius, Andromeda, Centaurus, Epsilon Eridani, and Lyra • Reading about your cosmic lineage will trigger the awakening of ancient memories of your star origin and activate your spiritual DNA  
 • Includes energy exercises and guided meditations specific to

each star nation to help awaken the light codes embedded within you, accelerate your vibrational intelligence, and embrace your inherited starseed gifts  
 You are a starseed. You carry within you the spiritual DNA of your cosmic family. Eons ago the Pleiadians, along with other star nations, seeded the Earth, and their energy is still present. By recognizing your starseed lineage, you

can activate your spiritual DNA and awaken the soul attributes that resonate with your star nation. In this book, Eva Marquez explains how to discover your starseed lineage and activate your cosmic DNA. She presents in-depth teachings and channeled wisdom from the six star nations: the Pleiades, Sirius, Andromeda, Centaurus, Epsilon Eridani, and Lyra. You will learn about your cosmic

family's lives in the stars, their home worlds, and who they are. As you read about the star nations, you will automatically attune to their energies. When you connect with your ancestral star nation, you may experience the sudden awakening of ancient memories, and your spiritual DNA will be activated. Marquez includes energy exercises and guided meditations

specific to each star family to help activate your spiritual DNA and awaken the light codes embedded within you. By activating your starseed ancestry and reconnecting to your soul family, you help transform the frequencies of fear into love and reignite the cosmic ascension process. The Fifth Tarot Signet Marconics The Human Upgrade, is the story of a new multidimensional energy

system that arrived on the planet at the end of 2012, marking the final phase of an operation by Galactic Founders to conclude the evolution of the human experience. This is the Clarion Call, as all Spiritual journeys will culminate with the Ascension of mankind out of the limited belief systems and paradigms of fear that have enslaved humanity in the density of the material realm for eons. All will pass through

the Karmic Gates as free souls, to traverse space without time, to create new realities with limitless potential through higher love and compassion. The Spiritual Hierarchy is interceding to assist the many who struggle to maintain their own higher vibrations in Earths planetary ecosystem, which has been disconnected from Source. Marconic Energy Practitioners

are the Gate Keepers and will facilitate the rapid integration of multiple bandwidths of harmonic resonance, or Higher Selves, within the human form, as our own Soul Identities descend to meet us on the Rainbow Bridge to guide us back up through the Star Gates to the Ascension Path we lost when Atlantis fell. Deities are returning to Earth to blend with their individualized incarnates;

Spiritual Teachers, Guardians, Angels and Ascended Masters are integrating with their human counterparts in the Birth of the Avatar Race. The Avatars, Grace Elohim Redeemer of Souls, and Archangel Ariel Creator of Worlds, have returned, under Divine Directive, to gather the lost souls of Atlantis and return them home to Source. As they move through the karmic Gates

of Ascension towards Event Horizon it is left to you, our Gate Keepers, to ensure the progressive integration of higher harmonics which will raise them up like chariots and deliver them home. - Grace Elohim

 In July 1996, during an extraordinary out-of-body journey through the Milky Way and other galaxies, Patricia Cori was reconnected and attuned to a group of interdimensional light beings that she and her

many readers came to know, through the first Sirian Revelations transmissions, as The Sirian High Council. During her remarkable mission as their Scribe, she has shared the insights of six-dimensional Sirian Light Emissaries through the books and teachings that have transformed readers over the past decades. Now, twenty years from the date of the first transmission, Cori shares new

revelations that affirm the veracity of past prophecies and transmit new visions for the human race as we ascend through the outer reaches of the fourth dimension into new levels of conscious awareness and parallel realities as we prepare for our imminent emergence. Called a "real-life Indiana Jones" by fans and readers around the world, Cori is one of the most well-known and established

authorities on multidimensional realities that challenge the status quo. Her messages from distant realms empower readers to look at the dark side, to understand it, but to focus on the light for all humankind and the earth. In this new book, the Sirians once again hold us to our responsibility as guardians of this planet, with sound direction and advice for how to get through these shifting sands of our

transition. Their discussions delve into many of the most crucial issues of our time, including the merging of human mind and artificial intelligence, exoplanetary migration from the earth and what that means to planets that will receive us, coming clean about cloning, the care and feeding of the human being, and the slipping of time as we know it. As the struggle between darkness and

light is being fought at every level, Cori reminds us to take comfort in the fact that the Sirian High Council foresaw and told us how this time of immense upheaval would be the last phase of our passage out of the darkness and into the light of far more illuminated states of being. Tarot Revealed Weiser Books Owl Medicine is a narrative non-fiction adventure of self-discovery,

inter-personal struggle, and intrigue. The story opens with the author's discovery of a dead owl swinging upside down from a tree. Believing her discovery to be a message that shouldn't be ignored, she seeks insight from a clairvoyant metaphysical 'teacher' with whom she, her husband Karl, and a small group of friends have been studying. The teacher responds with surprisingly little insight

and the author strikes out on her own to discover the message of the owl. Owl Medicine is unique because it introduces readers to valuable tools (Runes/Medicine Cards/dream exploration) for spiritual growth, while indulging the simple joy of getting lost in a good story. The single most unique feature of Owl Medicine, however, is its emphasis on the dynamics of Lisa and Karl's spiritual

growth as a couple and the crucial role that communication plays in their success. Owl Medicine is not so much a "how-to" book as it is a "See, this-really-can-be-lived!" affirmation. "Medicine Cards" is a trademark registered to David Carson and Jamie Sams. *The Secret Language of Birds Tarot* U.S. Games Systems ISBN: 978-1-57733-221-3, 352 pp., 6 x 9, paperback,

The Fifth Tarot introduces images of nature to represent the elements for each of the suits: fire, shells, feathers, stones, and lotuses. The Fifth Tarot incorporates an additional suit to represent the element ether.

Without ether, there is no life. The fifth suit specifically addresses the higher vibrational gifts emerging with the shift of energy occurring through the activation of our DNA codes, our evolving crystalline structures, and our awakening as multi-dimensional beings. The fifth suit brings forth such concepts as telepathy, spontaneous healing, inter-dimensional travel, and

transcendence , to name a few.
