The Holy Spirit, My Senior
Partner: You can have the
same intimate personal
relationship with the Holy
Spirit that David Yonggi

Cho says is at the heart of
his effective ministry. Cho
sees himself as the Junior
partner of the Holy Spirit
in his daily work of
accomplishing the portion
of God's plan assigned to
him. The Next Move of
God: For two days God
took Fuchsia Pickett into
the Spirit and gave her a
vision of the things He
was going to do in the last
days. He spoke to her

about how He would
prepare the church for His
return. With prophetic
revelation and sound
scriptural teaching, Dr.
Pickett now reveals The
Next Move of God. There's
a Miracle in Your House:
This upbeat, motivating
book will revolutionize the
way you think about
"impossible" situations
and "overwhelming"
opportunities. When God

shows you the miracle in the house, you won't have to look anywhere else.

Home cell groups are becoming a necessity in the believer's life, not only for the mega-churches but also for the small corner churches, as well.

This book is a how-to resource that details everything you need to know in order to make home cell groups work in your church. The plans developed here are designed to bring intimate fellowship and

involvement in the Christian's life, to effectively show Christians how to evangelize their neighborhood and community, and to share their spiritual gifts with one another. Home cell groups, therefore, give church members the opportunity to participate in the ministry of their church. Dr. Cho promises that, "By following the guidelines I have presented here, you can bring the miracles of home cell groups and church growth to your

own congregation." So how does a church of more than 800,000 believers grow and work? Small groups, one household at a time. Cho is careful to share both his mistakes as well as his successes. One of the prime ingredients for a successful home group program is evangelism. He insists that the cell groups focus on the neighborhoods and communities to reach the lost. Leadership, training, discipline, recognition, focus, and personal involvement by the senior

pastor are other critical elements. There is a careful balance which needs to be struck between control and freedom for each group to strengthen and grow. Great wisdom is shown in relying on the Holy Spirit to strike the right balance. As a senior partner in ministry, The Holy Spirit has grown the body of Christ in a miraculous way. Recorded in this book are lessons for us all, laymen and clergy, large church and small. *Good Morning, Holy Spirit*

What can we learn from the Scriptures about how to trust God no matter what, and believe in something that is not yet seen? As a young man with only weeks to live, Yonggi Cho was healed of terminal illness, saw the resurrected Jesus, and

quickly began sharing God's hope with others. Those listeners became the world's largest church. In Faith, Pastor Cho and Dr. Wayne Goodall share how to Understand and grow in your faith. Walk with the Holy Spirit and produce the fruit of the Spirit. Overcome mistakes and continue to depend on Christ in times of discouragement. Believe for and trust God's supernatural power. Use every situation to accomplish tremendous things for God's kingdom. For our lives to work, we

need faith--the kind of faith that gives birth to hope and chooses to believe in every circumstance. God will answer prayer, heal, and perform signs and wonders as we walk daily by faith. You can trust God as your source, security, and assurance. On Being a Theologian of the Cross Moody Publishers
 This book has been written with a deep impression that the place and power of prayer in the Christian life is too little understood. I feel sure

that as long as we look on prayer solely as the means of maintaining our own Christian life, we shall not know fully what it is meant to be. But when we learn to regard it as the highest part of the work entrusted to us, the root and strength of all other work, we shall see that we need nothing more than to study and practice the art of praying. If I have succeeded in pointing out the progressive teaching of our Lord in regard to prayer, and the distinct reference of His wonderful

promises of His last night to the works we are to do in His name - to the greater works and the bearing of much fruit - we shall all admit that only when the church gives herself up to this holy work of intercession can she expect the power of Christ to manifest itself on her behalf. I pray that God will use this book to explain to some of His children the wonderful place of power and influence that He is waiting for them to occupy and that a weary world is waiting for too. -

 Advice from One Grieving Mom to Others When Kim's three-year-old son tragically passed away, she found plenty of

resources on grieving. She says what she really needed, though, "was someone who would give me advice for living, not just grieving . . . How do I get through the grocery store without crying? What do I do with my son's things? When will my mind stop replaying the emergency room scene?" Now, ten years later, she's written that book. With raw vulnerability, a deep well

of wisdom, and the practical knowledge of someone who's been there, she walks grieving moms through the life-after-death process from how to plan the funeral to how to deal with friends, family, holidays, and birthdays. This is a profound and powerful resource that's invaluable for the mom who has lost a child—and for her friends and family who want to love her well.
