No Way To Treat a First Lady Pan
 Macmillan Adult MM
 Shortlisted for the 2020 ORWELL PRIZE
 FOR POLITICAL WRITING The final part of
 Charles Moore's bestselling and definitive
 biography of Britain's first female Prime
 Minister, 'One of the great biographical
 achievements of our times' (Sunday
 Times) A TIMES, SUNDAY TIMES,
 FINANCIAL TIMES, SPECTATOR,
 TELEGRAPH, IRISH TIMES, NEW
 STATESMAN AND SPECTATOR BOOK OF
 THE YEAR How did Margaret Thatcher

change and divide Britain? How did her
 model of combative female leadership
 help shape the way we live now? How did
 the woman who won the Cold War and
 three general elections in succession find
 herself pushed out by her own MPs?
 Charles Moore's full account, based on
 unique access to Margaret Thatcher
 herself, her papers and her closest
 associates, tells the story of her last period
 in office, her combative retirement and the
 controversy that surrounded her even in
 death. It includes the Fall of the Berlin Wall
 which she had fought for and the rise of
 the modern EU which she feared. It lays
 bare her growing quarrels with colleagues
 and reveals the truth about her political
 assassination. Moore's three-part

biography of Britain's most important
 peacetime prime minister paints an
 intimate political and personal portrait of
 the victories and defeats, the iron will but
 surprising vulnerability of the woman who
 dominated in an age of male power. This is
 the full, enthralling story.
Ain't I A Woman? Crown
 NEW YORK TIMES BESTSELLER • "A
 revelation . . . a book in the Caro mold,
 using *Lady Bird*, along with tapes and
 transcripts of her entire White House
 diary, to tell the history of America during
 the Johnson years."—The New York Times
 The inspiration for the documentary film
The Lady Bird Diaries, premiering
 November 13 on Hulu Perhaps the most
 underestimated First Lady of the twentieth

century, Lady Bird Johnson was also one of the most powerful. In *Lady Bird Johnson: Hiding in Plain Sight*, Julia Sweig reveals how indispensable the First Lady was to Lyndon Johnson's administration—which Lady Bird called “our” presidency. In addition to advising him through critical moments, she took on her own policy initiatives, including the most ambitious national environmental effort since Theodore Roosevelt and a virtually unknown initiative to desegregate access to public recreation and national parks in Washington, D.C. Where no presidential biographer has understood Lady Bird's full impact, Julia Sweig is the first to draw substantially on her White House diaries and to place her center stage. In doing so, Sweig reveals a woman ahead of her time—and an accomplished strategist and politician in her own right. Winner of the Texas Book Award • Longlisted for the PEN/Jacqueline Bogard Weld Award

The Downing Street Years

HarperCollins UK

Margaret Thatcher's premiership changed the face of modern Britain. Yet few people know of the critical role played by Jews in sparking and sustaining her revolution. Was this chance, choice, or simply a reflection of the fact that, as the Iron Lady herself said: 'I just wanted a Cabinet of clever, energetic people and frequently that turned out to be the same thing'? In this book, the first to explore Mrs Thatcher's relationship with Britain's Jewish community, Robert Philpot shows that her regard did not come simply from representing a constituency with more Jewish voters than any other, but stretched back to her childhood. She saw her own philosophical beliefs expressed in the values of Judaism – and in it, too, she saw elements of her beloved father's Methodist teachings. *Margaret Thatcher: The Honorary Jew* explores Mrs Thatcher's complex and fascinating relationship with the Jewish community and draws on archives and a wide range of memoirs and exclusive interviews, ranging from former Cabinet ministers to political opponents. It reveals how Immanuel Jakobovits, the Chief Rabbi, assisted her fight with the Church of England and how her attachment to Israel led her to internal battles as a member of Edward Heath's government and as Prime Minister, as well as examining her relationships with various Israeli leaders.

The Lady's Not For Taking Random House
The little-known story of remarkable First Lady Sarah Polk—a brilliant master of the art of high politics and a crucial but unrecognized figure in the history of American feminism. While the Women's

Rights convention was taking place at Seneca Falls in 1848, First Lady Sarah Childress Polk was wielding influence unprecedented for a woman in Washington, D.C. Yet, while history remembers the women of the convention, it has all but forgotten Sarah Polk. Now, in her riveting biography, Amy S. Greenberg brings Sarah's story into vivid focus. We see Sarah as the daughter of a frontiersman who raised her to discuss politics and business with men; we see the savvy and charm she brandished in order to help her brilliant but unlikeable husband, James K. Polk, ascend to the White House. We watch as she exercises truly extraordinary power as First Lady: quietly manipulating elected officials, shaping foreign policy, and directing a campaign in support of America's expansionist war against Mexico. And we meet many of the enslaved men and women whose difficult labor made Sarah's political success possible. Sarah Polk's life spanned nearly the entirety of the nineteenth-century. But her own legacy, which profoundly transformed the South, continues to endure. Comprehensive, nuanced, and brimming with invaluable insight, *Lady First* is a revelation of our twelfth First Lady's complex but essential part in American feminism.

THE STORY: Thomas Mendip, a discharged soldier, weary of the world and eager to leave it, comes to a small town, announces he has committed murder and demands to be hanged. A philosophical humorist, Thomas is annoyed when the officials oppose his r

The Immortal Life of Henrietta Lacks
Harper Collins

The Iron Lady, the definitive Margaret Thatcher biography, is available just in time for the movie starring Meryl Streep as one of the most infamous figures in postwar politics. Whether you love her or hate her, Margaret Thatcher's impact on twentieth-century history is undeniable. From her humble, small-town upbringing to her rise to power as the United Kingdom's first female prime minister, to her dramatic fall from grace after more than three decades of service, celebrated biographer John Campbell delves into the story of this fascinating woman's life as no one has before. The result of more than nine years of meticulous research, *The Iron Lady* is the only balanced, unvarnished portrait of Margaret Thatcher, one of the most vital and controversial political figures of our time.

The Real Iron Lady Harper Collins

There are many myths about Margaret Thatcher's extraordinary personality and political career. But what was it really like to work with her? In *The Real Iron Lady: Working with Margaret Thatcher*, Gillian Shephard speaks to an eclectic and distinguished range of Mrs T.'s former colleagues; all offer a unique insight into what the Iron Lady was really like at close quarters. Among them are John Major, Geoffrey Howe, Douglas Hurd and other Cabinet colleagues, alongside an ambassador and senior civil servants. In addition, prominent Conservative Party members, distinguished journalists and a leading trade unionist add their views, as well as MPs, political advisers and Downing Street staff. A French perspective is even provided by Hubert Védrine, foreign minister to erstwhile President François Mitterrand. Gillian Shephard has laced this miscellany of recollections of the Iron Lady with her own sparkling wit and acerbic comments - resulting in a fascinating close-up portrait of Britain's first woman Prime Minister. Most importantly, it is a portrait painted by the people who were with her throughout the dramas of her political career: the Falklands conflict, the miners' strike, the Brighton Bomb outrage and, eventually, her downfall. The book, with its wealth of previously unpublished material, portrays Margaret Thatcher as a woman of contrasts: courageous, kind, ferocious, feminine - and so far, unsurpassed.

Our Lady of Not Asking why Andrews McMeel Publishing

Don't let her age fool you. Maud may be nearly ninety, but if you cross her, this elderly lady is more sinister than sweet. Just when things have finally cooled down for 88-year-old Maud after the disturbing discovery of a dead body in her apartment in Gothenburg, a couple of detectives return to her doorstep. Though Maud dodges their questions with the skill of an Olympic gymnast a fifth of her age, she wonders if suspicion has fallen on her, little old lady that she is. The truth is, ever since Maud was a girl, death has seemed to follow her. In these six interlocking stories, memories of unfortunate incidents from Maud's past keep bubbling to the surface. Meanwhile, certain Problems in the present require immediate attention. Luckily, Maud is no stranger to taking matters into her own hands . . . even if it means she has to get a little blood on them in the process. *Includes cookie recipes*

The Lady's Not for Burning Persea Books
This first volume of Margaret Thatcher's memoirs encompasses the whole of her time as Prime Minister - the formation of

her goals in the early 1980s, the Falklands, the General Election victories of 1983 and 1987 and, eventually, the circumstances of her fall from political power. She also gives frank accounts of her dealings with foreign statesmen and her own ministers. The Lady's Not for Burning; a Comedy National Geographic Books

Irresistible Force Darius Carsington is a spectacularly handsome rake with a rare intelligence and no heart, a man who divides his time between bedding loose-moraled women and writing scholarly papers. He finds society's "perfect darlings" exceedingly boring. But there's something intriguing, and not quite perfect, about faultless Lady Charlotte Hayward. He senses a crack under her polished surface, and finding it is a challenge he can't resist. Immovable Object Lady Charlotte is so beautiful, charming, and gracious that no one has noticed what an expert she is at Not Getting Married. Early on, she learned a painful lesson about trust . . . and temptation. In the years since, she's devoted her life to being all she ought to be—and she's not about to let a man like Carsington entice her to do everything she shouldn't. A Splendid Collision But the rules of attraction can easily overpower the rules of manners and morals, and sometimes even the best-behaved girl has to follow her instincts, even if it means risking it all.

Margaret Thatcher Penguin

Once upon a time, there was a little old lady who was not afraid of anything! But one autumn night, while walking in the woods, the little old lady heard . . . CLOMP, CLOMP, SHAKE, SHAKE, CLAP, CLAP. And the little old lady who was not afraid of anything had the scare of her life!

Lady First HarperCollins

#1 NEW YORK TIMES BESTSELLER • "The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly."—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE

BYRNE • ONE OF THE "MOST INFLUENTIAL" (CNN), "DEFINING" (LITHUB), AND "BEST" (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first "immortal" human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb's effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta's family did not learn of her "immortality" until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta's daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn't her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences. *Pretend I'm Not Here* Dramatists Play Service, Inc.

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time.

Lady in the Lake Rupa Publications India "[A] gossipy, but surprisingly deep, look at the women who help and sometimes overshadow their powerful husbands." — USA Today From the #1 New York Times bestselling author of the groundbreaking backstairs look at the White House, *The Residence*, comes an intimate, news-making look at the true modern power brokers at 1600 Pennsylvania Avenue: the First Ladies, from Jackie Kennedy to Michelle Obama. One of the most underestimated—and challenging—positions in the world, the First Lady of the United States must be many things: an inspiring leader with a forward-thinking agenda of her own; a savvy politician, skilled at navigating the treacherous rapids of Washington; a wife and mother operating under constant scrutiny; and an able CEO responsible for the smooth operation of countless services and special events at the White House. Now, as she did in her smash #1 bestseller *The Residence*, former White House correspondent Kate Andersen Brower draws on a wide array of untapped, candid sources—from residence staff and social secretaries to friends and political advisers—to tell the stories of the ten remarkable women who have defined that role since 1960. Brower offers new insights into this privileged group of remarkable women, including Jacqueline Kennedy, Lady Bird Johnson, Patricia Nixon, Betty Ford, Rosalynn Carter, Nancy Reagan, Barbara Bush, Hillary Clinton, Laura Bush, and Michelle Obama. The stories she shares range from the heartwarming to the shocking and tragic, exploring everything from the first ladies' political crusades to their rivalries with Washington figures; from their friendships with other first ladies to their public and private relationships with their husbands. She also offers insight as to what Melania Trump might hope to accomplish as First Lady. Candid and illuminating, this first group biography of the modern first ladies provides a revealing look at life upstairs and downstairs at the world's most powerful address.

Margaret Thatcher Soho Press

Emotionally adrift after the traffic accident death of beloved policeman husband Billy

Dillon, Martina Lambucci Dillon rebounds into two ill-advised marriages, a multi-million dollar theft, the murder of her witness-protected husband, and her own near death from a bullet to the stomach. A torturous rehabilitation she at first abhors strengthens her resolve to turn her life around. She gains strength physically and mentally but is plagued by past mistakes in the form of a pre-wound intimacy with business mogul Phillip Stanton and an affair with U. S. marshal Ross Vincennes. Both men offer security and financial incentives to renew relationships she has grown to hate. She despairs when Stanton sends a killer after her new love, therapist Julius Warshawsky.

Margaret Thatcher Penguin UK
INSTANT NEW YORK TIMES BESTSELLER
“Thank you to Sheila Nevins for putting all this down for posterity. Women need this kind of honest excavation of the process of living.” —Meryl Streep An astonishingly frank, funny, poignant book for any woman who wishes they had someone who would say to them, “This happened to me, learn from my mistakes and my successes. Because you don’t get smarter as you get older, you get braver.” Sheila Nevins is the best friend you never knew you had. She is your discreet confidante you can tell any secret to, your sage

mentor at work who helps you navigate the often uneven playing field, your wise sister who has “been there, done that,” your hysterical girlfriend whose stories about men will make laugh until you cry. Sheila Nevins is the one person who always tells it like it is. In *You Don’t Look Your Age*, the famed documentary producer (as President of HBO Documentary Films for over 30 years, Nevins has rightfully been credited with creating the documentary rebirth) finally steps out from behind the camera and takes her place front and center. In these pages you will read about the real life challenges of being a woman in a man’s world, what it means to be a working mother, what it’s like to be an older woman in a youth-obsessed culture, the sometimes changing, often sweet truth about marriages, what being a feminist really means, and that you are in good company if your adult children don’t return your phone calls. So come, sit down, make yourself comfortable, (and for some of you, don’t forget the damn reading glasses). You’re in for a treat. *The Little Old Lady Who Was Not Afraid of Anything* Farrar Straus & Giroux Lady Thatcher, a unique figure in global politics, shares her views about the dangers and opportunities of the new millennium.

An Elderly Lady Is Up to No Good Baby Professor (Education Kids)

You can be little. You can be old. You can be a lady. But you don’t have to be a little old lady! We’ve all seen her, hunched forward, her hair tucked neatly under a plastic rain bonnet. She’s clutching expired coupons, or discussing her latest health problems over lunch. She’s a little old lady . . . and she’s coming your way at 2 mph. Little old ladies have elastic waistbands on all their slacks. They save rubber bands, remember fifteen-cent McDonald’s hamburgers, and have never seen a public rest room that was clean enough. *How Not to Become a Little Old Lady* is for any woman who is proud to have escaped little old ladyhood—or those in danger of slipping into it. Lighthearted and affectionately funny, it also includes charming illustrations from Adrienne Hartman.

Margaret Thatcher New Issues Poetry and Prose

Written to coincide with a Channel 4 series on Lady Thatcher, this biography is based on intimate conversations between the Prime Minister and the major politicians of the period and Hugo Young, who has written and presented *No Minister, But Chancellor* and *The Thatcher Phenomenon*.
