Dutch Harmony Making Out in Japanese is a fun, accessible and thorough Japanese phrase book and guide to the Japanese language as it's really spoken. Sugoku suki! Mata aeru?—(I'm crazy about you! Shall we meet again?) Answer this correctly in Japanese, and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Japanese classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios, but chances are while in Japan you will spend a lot more time trying to make new friends or start new romances—something you may not be prepared for. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is

being able to speak like a local. This friendly and easy-to-use Japanese phrasebook makes this possible. Making Out in Japanese has been updated and expanded to be even more helpful as a guide to modern colloquial Japanese for use in everyday informal interactions—giving access to the sort of catchy Japanese expressions that aren't covered in traditional language materials. As well as the Romanized forms (romanji), each expression is now given in authentic Japanese script (kanji and kana with furigana pronunciation clues), so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Japanese phrasebook includes: A guide to pronouncing Japanese words correctly. Explanations of basic Japanese grammar, such as intonation, word stress, and particles. A guide to male and female usage. Romanized forms of words and phrases (romanji). Complete Japanese translations including Japanese characters (kanji) and the Japanese alphabet (kana). Useful and interesting notes on Japanese language and

culture. Lots of colorful, fun and useful expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese. [Tuttle Learner's Korean-English Dictionary](#) Lonely Planet Making Out in Turkish is a fun, accessible and thorough Turkish phrase book and guide to the Turkish language as it's really spoken. Sana hayranım! Seni tekrar ne zaman göreceğim?—(I adore you! When can I see you again?) Answer this correctly in Turkish and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Turkish classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios but chances are while in Turkey you will spend a

lot more time trying to make new friends or start new romances—something you may not be prepared for. If you are a student, businessman or tourist traveling to Turkey and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Turkish phrasebook makes this possible. Making Out in Turkish has been carefully designed to act as a guide to modern colloquial Turkish for use in everyday informal interactions—giving access to the sort of catchy Turkish expressions that aren't covered in traditional language materials. Each expression is given in authentic Turkish (turkce) so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. In addition, phonetic spellings are also included making speaking Turkish a breeze. For example "Okay"—Tamam, is also given as ta-MAHM. This Turkish phrasebook includes: A guide to pronouncing Turkish words correctly. Explanations of basic Turkish grammar, such as,

double letters, vowel harmony, agglutination, questions, and negation. Complete Turkish translations including phonetic spellings. Useful and interesting notes on Turkish language and culture. Lots of colorful, fun and useful expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include: *Making Out in Chinese*, *Making Out in Indonesian*, *Making Out in Thai*, *Making Out in Korean*, *Making Out in Hindi*, *Making Out in Japanese*, *Making Out in Vietnamese*, *Making Out in Burmese*, *Making Out in Tagalog*, *Making Out in Hindi*, *Making Out in Arabic*, *Making Out in English*, *More Making Out in Korean*, and *More Making Out in Japanese*. *Making Out in Turkish* Lonely Planet This portable, user-friendly Korean language guide, phrasebook and dictionary is the cheapest and easiest way to learn Korean before and during your trip. If you only want to purchase one Korean language book—*Essential Korean* is the way to go. Part of Tuttle Publishing's Essential Series, it is a great first introduction and beginner guide to the

language of South Korea and is also designed as a Korean phrasebook, making it the most versatile Korean language learning tool on the market. Perfect for business people or tourist traveling to Korea or for students who want to supplement their learning, this book's easy indexing feature allows it to act as a Korean phrase book or as an English-Korean Dictionary. A clever "point to" feature allows you to simply point to a phrase translated in Korean without the need to say a word. Making Out in Japanese

Lonely Planet Korean Phrasebook & Dictionary In the late 1970s a new academic discipline was born: Translation Studies. We could not read literature in translation, it was argued, without asking ourselves if linguistic and cultural phenomena really were 'translatable' and exploring in some depth the concept of 'equivalence'. When Susan Bassnett's Translation Studies appeared in the New Accents series, it quickly became the essential introduction to this new subject. Susan Bassnett tackles the crucial problems of translation and offers a history of translation theory, beginning with the ancient Romans and encompassing key twentieth-century structuralist work. She

then explores specific problems of literary translation through a close, practical analysis of texts, and completes her book with extensive suggestions for further reading. Twenty years after publication, the field of translation studies continues to grow. Updated for the second time, Susan Bassnett's *Translation Studies* remains essential reading for anyone new to the field.

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. *Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World* is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.
