NOW A MAJOR MOTION PICTURE STARRING NINA DOBREV AND AARON ECKHART “Terrific pace, surprises galore...Move over Jack Reacher, here comes The Bricklayer.” —James Patterson Someone will kill and kill again if it means he can fool the FBI . . . Ex-FBI agent Steve Vail is more than happy to leave the Bureau behind, but they aren’t through with him yet. A group called the Rubaco Pentad is holding the FBI up for buckets of cash, with an escalating body count as leverage. The Feds are stumped. Some signs point to a corrupt agent while others lead to completely dead ends. Vail has built a reputation for being able to find anybody anywhere. Now, with no official ties, he’s the perfect choice for this under-the-radar investigation. But as Vail well knows, going after people who use killing as a bargaining chip is asking for the worst kind of trouble. The Bricklayer is a gripping debut of an iconic new hero, and is brought to us with the startling authenticity only a real insider can provide. Noah Boyd has created a mind-twisting maze of clues inside a nonstop thrill ride that is guaranteed to keep readers on edge until the final page. "Non-stop action and non-stop authenticity make this a real winner." —Lee Child Don't miss Steve Vail's next pulse-pounding thriller from Noah Boyd: Agent X, available now!

Quentin Coldwater is brilliant but miserable. Obsessed with the fantasy novels he read as a child, he finds the real world just doesn't compare. Then one day it happens: he stumbles unexpectedly into a hidden world and is invited to join a very exclusive college, where he will learn the secrets of magic. But something is still missing. And now Quentin will do anything to find what he's always been looking for. Praise for The Magicians Trilogy 'The best fantasy trilogy of the decade.' Charles Stross 'The most entertaining and compelling fantasy I've read in a long time.' The Times 'Lev Grossman has conjured a rare creature: a trilogy that simply gets better and better as it goes along... Literary perfection.' Erin Morgenstern 'May just be the most subversive, gripping, and enchanting fantasy novel I've read this century.' Cory Doctorow 'Dark and dangerous and full of twists. Hogwarts was never like this.' George R. R. Martin 'Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy.' Joe Hill 'A darkly cunning story about the power of imagination itself.' The New Yorker 'The Magicians ought to be required reading... a terrific, at times almost painfully perceptive novel of the fantastic.' Kelly Link 'Brilliantly explores the hidden underbelly of fantasy and easy magic, taking what's simple on the surface and turning it over to show us the complicated writhing mess beneath.' Naomi Novik

#1 NEW YORK TIMES BESTSELLER • The thrilling history of the Targaryens comes to life in this masterly work, the inspiration for HBO’s Game of Thrones prequel series House of the Dragon “The thrill of Fire & Blood is the thrill of all Martin’s fantasy work: familiar myths debunked, the whole trope table flipped.”—Entertainment Weekly Centuries before the events of A Game of Thrones, House Targaryen—the only family of dragonlords to survive the Doom of Valyria—took up residence on Dragonstone. Fire & Blood begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. What really happened during the Dance of the Dragons? Why was it so deadly to visit Valyria after the Doom? What were Maegor the Cruel’s worst crimes? What was it like in Westeros when dragons ruled the skies? These are but a few of the questions answered in this essential chronicle, as related by a learned maester of the Citadel and featuring more than eighty-five black-and-white illustrations by artist Doug

Wheatley—including five illustrations exclusive to the trade paperback edition. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, but now, for the first time, the full tapestry of Targaryen history is revealed. With all the scope and grandeur of Gibbon’s *The History of the Decline and Fall of the Roman Empire*, *Fire & Blood* is the first volume of the definitive two-part history of the Targaryens, giving readers a whole new appreciation for the dynamic, often bloody, and always fascinating history of Westeros. Praise for *Fire & Blood* “A masterpiece of popular historical fiction.”—The Sunday Times “The saga is a rich and dark one, full of both the title’s promised elements. . . . It’s hard not to thrill to the descriptions of dragons engaging in airborne combat, or the dilemma of whether defeated rulers should ‘bend the knee,’ ‘take the black’ and join the Night’s Watch, or simply meet an inventive and horrible end.”—The Guardian

*Aprendiz de Viajante - Grécia* Simon and Schuster

From the creator of HBO’s *The Wire*, the classic book about homicide investigation that became the basis for the hit television show *The Wire*, the scene is Baltimore. Twice every three days another citizen is shot, stabbed, or bludgeoned to death. At the center of this hurricane of crime is the city’s homicide unit, a small brotherhood of hard men who fight for whatever justice is possible in a deadly world. David Simon was the first reporter ever to gain unlimited access to a homicide unit, and this electrifying book tells the true story of a year on the violent streets of an American city. The narrative follows Donald Worden, a veteran investigator; Harry Edgerton, a black detective in a mostly white unit; and Tom Pellegrini, an earnest rookie who takes on the year’s most difficult case, the brutal rape and murder of an eleven-year-old girl. Originally published fifteen years ago, *Homicide* became the basis for the acclaimed television show of the same name. This new edition—which includes a new introduction, an afterword, and photographs—revives this classic, riveting tale about the men who work on the dark side of the American experience.

NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES • “A first-rate tale of crime and punishment that will keep readers guessing until the final pages.”—Entertainment Weekly “Caleb Carr’s rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us.”—The Detroit News When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or “alienist”—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society’s belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* “[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores.”—The Washington Post Book World “Mesmerizing.”—Detroit Free Press “The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller.”—The Buffalo News “Engrossing.”—Newsweek “Gripping, atmospheric . . . intelligent and entertaining.”—USA Today “A high-spirited, charged-up and unfailingly smart thriller.”—Los Angeles Times “Keeps readers turning pages well past their bedtime.”—San Francisco Chronicle

*The Bricklayer* Bantam

Book one of the New York Times bestselling All Souls series, from the author of *The Black Bird Oracle*. “A wonderfully imaginative grown-up fantasy with all the magic of Harry Potter and *Twilight*” (People). Look for the hit series “*A Discovery of Witches*,” now streaming on AMC+, Sundance Now, and Shudder! Deborah Harkness’s sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, *Ashmole 782*, deep in Oxford’s Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar’s depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, book three, *The Book of Life*, and the fourth in the series, *Time’s Convert*.

**George R. R. Martin's A Game of Thrones 5-Book Boxed Set (Song of Ice and Fire Series)** A&C Black

From the author of *Outlander*... a magnificent epic that once again sweeps us back in time to the drama and passion of 18th-century Scotland... For twenty years Claire Randall has kept her secrets. But now she is returning with her grown daughter to Scotland’s majestic mist-shrouded hills. Here Claire plans to reveal a truth as stunning as the events that gave it birth: about the mystery of an ancient circle of standing stones ...about a love that transcends the boundaries of time ...and about James Fraser, a Scottish warrior whose gallantry once drew a young Claire from the security of her century to the dangers of his .... Now a legacy of blood and desire will test her beautiful copper-haired daughter, Brianna, as Claire’s spellbinding journey of self-discovery continues in the intrigue-ridden Paris court of Charles Stuart ...in a race to thwart a doomed Highlands uprising ...and in a desperate fight to save both the child and the man she loves....

From the New York Times bestselling author of *Stepbrother Dearest*, comes a new forbidden STANDALONE romance. What happens when the one you want is the only one you can’t have? It was set in stone. Elle and I were getting married. After years of rebelling against everything good and wholesome, I finally gave in and took up with a nice girl. After a long-distance relationship, I moved into her family’s guesthouse so we could spend time together in the months before the wedding. Elle was unlike anyone I’d ever been with. She was so innocent, and I had to respect her choice to wait until after we were married to have sex. I’d accepted that as my fate—even learned to control my desires. Until I met her...the one. That was when restraint became a problem...especially since “the one” wasn’t Elle. It was her sister, Evangeline. And I was screwed. Told in alternating points of view, *Sins of Sevin* is a full-length standalone novel.

**Beetlejuice** Crown Archetype

Quatro garotas e uma coisa em comum: o maior festival de k-pop no país. Aniké, Bianca, Rebecca e Isa são pessoas diferentes, que vivem vidas opostas e que não se conhecem, mas um fim de semana no tão esperado Kpopalooza pode mudar a imagem que elas tinham de seus artistas favoritos e até delas mesmas. Essas são histórias sobre novas experiências, sobre lutar pelos nossos objetivos, sobre conexão com quem a gente menos espera e sobre como ser fã pode mudar a nossa vida. Em *Para sempre* (de Babi Dewet), Isa é uma produtora de shows que tem a missão de cuidar da ONE - sua boy band favorita, na estadia deles no Brasil para o Kpopalooza. Não vai ser fácil desligar o modo fã diante de Chan, que é o idol de sua vida, aquele que está na capinha do celular e no pôster atrás da porta, embora ninguém realmente saiba disso. Para protegê-lo de uma stalker e garantir que o grupo chegue completo ao festival, Isa precisará acreditar em si mesma, lutar contra seu chefe abusivo e aprender que também é muito necessário ser fã do seu próprio trabalho. Em 5 estrelas (de Érica Imenes), Aniké é uma jornalista prodígio que quer construir a carreira dos seus sonhos trabalhando com k-pop, lutando pelo seu espaço como uma garota negra. Por isso, agarra com unhas e dentes a chance de cobrir o Kpopalooza para o maior portal de cultura pop do Brasil, enfrentando não só o fiasco da sua entrevista com a sua inspiração, a idol HYE, como o desafio de proteger a carreira dela diante de um escândalo internacional. Será que no crush e na guerra por cliques e likes vale mesmo de tudo? Em *Roleta russa* (de Lyu Guedes), Bianca é uma garota do interior que está ansiosa para vir à capital curtir o show de seu grupo favorito, o KUZ, no Kpopalooza. Mas para isso, sua mãe impôs uma condição: ela só poderá ir acompanhada por Naomi - sua ex-melhor amiga e atual ranço. Como a lei de Murphy não falha, as duas vão acabar se metendo na maior enrascada de suas vidas, envolvendo um idol, um motel, uma van e um festival que elas nunca mais vão esquecer. Em *Toda a sorte do mundo* (de Paloma Ortega), Rebecca é uma fã de emcore, aficionada por caveiras e supersticiosa ao extremo. Ela divide o apartamento com a melhor amiga, que é muito fã de K-pop. Depois de meses de espera, Becca vai finalmente assistir a um show da sua banda favorita do momento, mas, infelizmente, as coisas não saem como o planejado, e Becca agora precisa aproveitar o maior festival de música coreana no lugar da melhor amiga, lidar com um acompanhante inusitado e mergulhar de cabeça em um universo inteiramente novo.

\_\_\_\_\_ "Me identifiquei, me diverti, refleti, me vi em cada história! Uma mistura de sentimentos a cada página. Como sou fã de K-pop, queria muito viver esses dias mágicos do Kpopalooza ao lado dessas personagens superpoderosas!" Mandy Candy, youtuber e influenciadora digital, autora de *Meu nome é Amanda*

NATIONAL BEST SELLER • The basis for the HBO documentary now streaming on HBO Max For five years, James and Deborah Fallows have travelled across America in a single-engine prop airplane. Visiting dozens of towns, the America they saw is acutely conscious of its problems—from economic dislocation to the opioid scourge—but it is also crafting solutions, with a practical-minded determination at dramatic odds with the bitter paralysis of national politics. At times of dysfunction on a national level, reform possibilities have often arisen from the local level. The Fallows describe America in the middle of one of these creative waves. Their view of the country is as complex and contradictory as America itself, but it also reflects the energy, the generosity and compassion, the dreams, and the determination of many who are in the midst of making things better. Our Towns is the story of their journey—and an account of a country busy remaking itself.
