Commercial Code Made Easy The Uniform Commercial Code Made
Easy marks the first time in the history of legal education that a
novel has been used as a vehicle for delivering the content of a
substantive body of law; in this case, a pervasive statutory
scheme The Uniform Commercial Code, law in all fifty states.
Mirroring the factual assumptions upon which the UCC was
drafted, The Uniform Commercial Code Made Easy places the
application of these laws in concrete and interesting commercial
settings where they come to life. Logical reader questions are
anticipated, and answered through a variety of communication
channels uniquely available to the format chosen: dialogue,
memoranda of law, texting and emails, are illustrative. If you are
in business, the Uniform Commercial Code directly, impacts your
business hundreds, perhaps thousands of times per day. Virtually
every phase of a transaction in goods, from sale or lease through
financing, is impacted by the laws of the UCC. Of particular
significance are those provisions which can literally save a
business from going under. These potential landmines need to be
identified before they are stepped on. The Uniform Commercial
Code Made Easy accomplishes this important task. Consumers
should understand the basic laws the surround and govern their
purchases leases and financing of goods. They should also
understand, as should businesses, the impact of signing a
promissory note, how the transfer of that note can affect one's
rights, and how to protect one's rights when promissory notes
are executed. Understanding how to protect your rights in these
transactions is both empowering and essential. The mass and
complexity of the Uniform Commercial Code has made
comprehension and learning the content very challenging. The
ease of learning is greatly enhanced by the approach utilized in

The Uniform Commercial Code Made Easy. As one prominent
attorney and author wrote in a recently published book review:
Yes, Virginia, there is a Santa Claus! In this case, he comes in the
form of former University of Miami School of Law professor Robert
M. LeVine, who has made one of the most complicated bodies of
law in the United States the Uniform Commercial Code not only
comprehensible but entertaining. Tom Shuck, Esq. Past President,
Federal Bar Association Federal Bar Association Journal, August
2111 Law students, business students, and CPA's must know the
Uniform Commercial Code. It is essential to graduate from law
school and is on the bar examination of every state, and the CPA
examination as well. The following are illustrative of testimonials
received on The Uniform Commercial Code Made Easy: It's true.
The UCC is just as daunting as it looks, and this book is the key to
unlocking its mysteries. Infused with practicality, The Uniform
Commercial Code Made Easy combines every day transactions
with straightforward law, allowing students to not only navigate
the UCC with ease, but also develop a lasting understanding of
the material. The Uniform Commercial Code Made Easy's
revolutionary approach to the UCC has extensive application both
in and out of the classroom as a resource for professors and a
study aid for students. The Uniform Commercial Code Made Easy
by LeVine was my key to success in understanding the UCC, and
enjoying it! Melissa Carroll Stetson University College of Law I was
amazed. I never thought it possible to make the UCC interesting
but I was wrong. For once I had found a book which made me
understand the meaning and interrelationships among sections,
and at the same time, I enjoyed reading it. F. William Harvey JD,
MBA, Wharton School of Business The knowledge contained in the
Uniform Commercial Code is invaluable to anyone in business, or
any American who is involved in basic consumer transactions. The
Uniform Commercial Code Made Easy creates a pathway to this
level in a unique and entertaining manner. Florida Secured

THE LAW OF CONTRACTS AND THE UNIFORM COMMERCIAL CODE, 3e covers all the important features of common law contracts, as well as Article 2 of the Uniform Commercial Code in a practical, understandable, and realistic manner. Real cases demonstrate how the concepts in each chapter are applied, and the fact pattern is used throughout the chapter to demonstrate how contracts and their concepts affect our daily lives, often with unusual results. Using a fluid and interesting writing style, the author reduces contract law to its basic components and provides examples that build on other examples. Chapter summaries, review questions, exercises, a running glossary, and--new to this edition--learning objectives help your students to fully grasp this complex area of the law.
