SUPERwrite gives on screen help with grammar, spelling and collocation when you are writing \* Hundreds of interactive exercises

More Than 10,000 Idioms and Collocations McGraw Hill Professional

Do you want to become more fluent in English? Do you want to understand everyday language and not just 'textbook' English? I taught English for many years and saw that many students get stuck at the high beginner/intermediate stage. They learn the basics and then can't move forward. This problem used to really frustrate me because I had lots of excellent students who were just stuck and eventually they would give up. I thought for a long time about what was wrong and then decided that it wasn't that the student didn't have ability but that what they were studying and how they were studying was not effective. I saw that even though they had good basic English they would read textbooks full of their native language (not English). I used to think 'why are they reading all this German etc about English and not just reading English instead. I decided to see if I could fix this problem. I started assigning students homework like 'watch this English drama with subtitles and then without' or 'read a short article every night for a month'. I found the results were amazing. My students started becoming much more fluent and confident. This convinced me that the best way to become fluent was to read or watch real English that was interesting to the students. So I started writing short stories using easy to understand English mixed with idioms and phrasal verbs that native English speakers use all the time. In this book I have added explanations in English so you don't mix up English and German in your mind. I have also included easy to understand examples which I recommend you note down in your notebook so you can remember them easily. In my opinion, learning idioms, phrasal verbs and useful phrases is the best way to move your English forward as you will be using the vocabulary that English speakers use every day. If you would like to become more fluent and understand everyday English phrases then get stated today and press the button on the top right.

*117 Most Common English Idioms and Phrasal Verbs: Workbook 1* Dorling Kindersley Ltd  
 PREFACE This book is a collection of more than 500+ idioms and phrases from A to Z with meaning and example that makes it an excellent guide for those preparing for competitive exams, for the school children, writers and language lovers. More than that this book will be an excellent tool for teachers and guides to impart their knowledge to the children. Understanding of idioms given in

the book is sure to enrich your English language and usage of the same will make you sound like a native speaker within no time. Most commonly used, rarely used, formal, informal and all types of idioms are covered in one single book. Few examples of the fascinating idioms and phrases covered in this book (1) A to Z: All from beginning to end. Example: From A to Z all the members were corrupt. (2) Above all: The highest point in a character. Example: He was honest and straight but above all he was brave and daring. (3) Above board: Clean and frank. Example: All his actions were above board - there was nothing sly and underhand about him. As per the adage, "The proof of the pudding is in the eating", the samples listed above is sure to compel the reader to buy his/her own copy and read it which can be put into use to display their language skill.

*The Oxford Dictionary of Idioms* Nova Press

Did you know that 'flavour of the month' originated in a marketing campaign in American ice-cream parlours in the 1940s, when a particular flavour would be specially promoted for a month at a time? And did you know that 'off the cuff' refers to the rather messy practice of writing impromptu notes on one's shirt cuff before speaking in public? These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms. This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that make English such a rich and intriguing language. A major new edition, it contains entries for over 5000 idioms, including 350 new entries and over 500 new quotations. The text has been updated to include many new idioms using the findings of the Oxford English Reading Programme, the biggest language research programme in the world. The entries are supported by a wealth of illustrative quotations from a wide range of sources and periods. For example: 'Rowling has not been asleep at the wheel in the three years since the last Potter novel, and I am pleased to report that she has not confused sheer length with inspiration.' - Guardian, 2003. 'I made the speech of a lifetime. I had them tearing up the seats and rolling in the aisles.' - P.G. Woodhouse, 1940. Many entries include boxed features which give more detailed background on the idiom in question. For example, did you know that 'taken aback' was adopted from nautical terminology, and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast? The text has been entirely redesigned so that it is both elegant and easy to use. Anyone interested in the quirky side of the English language will have hours of fun browsing through this fascinating and informative volume.

*English for Everyone* CreateSpace

Offers entries for over six thousand idioms, including seven hundred new to this edition, and provides background information, additional cross-references, and national variants.

*Essential Idioms in English* Cambridge University Press

This text is designed to help students learn and use about 500 of the most common English idioms. This new edition includes more idioms and a wider collection of exercises.

The Routledge Encyclopedia of the Chinese Language is an invaluable resource for language learners and linguists of Chinese worldwide, those interested readers of Chinese literature and cultures, and scholars in Chinese studies. Featuring the research on the changing landscape of the Chinese language by a number of eminent academics in the field, this volume will meet the academic, linguistic and pedagogical needs of anyone interested in the Chinese language: from Sinologists to Chinese linguists, as well as teachers and learners of Chinese as a second language. The encyclopedia explores a range of topics: from research on oracle bone and bronze inscriptions, to Chinese language acquisition, to the language of the mass media. This reference offers a guide to shifts over time in thinking about the Chinese language as well as providing an overview of contemporary themes, debates and research interests. The editors and contributors are assisted by an editorial board comprised of the best and most experienced sinologists world-wide. The reference includes an introduction, written by the editor, which places the assembled texts in their historical and intellectual context. The Encyclopedia of the Chinese Language is destined to be valued by scholars and students as a vital research resource.

**500 Common Chinese Idioms** Routledge

This book is Volume 1-3 of the very popular series 150 Really Useful English Phrases. Do You Feel Stuck in the Intermediate English Level? Do you want to break out and start improving quickly? Then this is the perfect book to help you move up to the advanced level and start using everyday English fluently. What made me want to write this book? After years of teaching intermediate students who never seemed to improve I decided to find out what the problem was. Essentially, intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage. You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed. However, what you need at the intermediate stage is not just more dry grammar and lists of vocabulary, but to be exposed to as much 'real' English in as many 'real-life' situations as possible. This will help you start to understand what people are actually saying and not just 'textbook' English. It will also help you to naturally 'get a feel' for the language. Because I couldn't find a book that introduced everyday English phrases in a fun and engaging way I decided to write one myself. How will this book help you? Every new phrase is introduced in the real context of a short story or an article. So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study. It's a simple fact that if you are having fun you will learn quicker and more easily. This series of books is an excellent way to be exposed to 'real

everyday English phrases' but with the guidance of clear explanations and examples in simple English. Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level. All of the phrases in this book are in common use and are the key to unlocking fluency. I have only included phrases which I have heard recently in conversation or on the radio or television. If it is in this book it is in everyday use. So, if you are sick of being stuck and want to improve in a fun and engaging way, please press the buy button on the top right of this page to get started today.

**The University of Chicago Spanish Dictionary** Isaac Perrotta Hays

Learn the language of Nebraska . . . and 49 other states With more entries than any other reference of its kind, McGraw-Hill's Dictionary of American Idioms and Phrasal Verbs shows you how American English is spoken today. You will find commonly used phrasal verbs, idiomatic expressions, proverbial expressions, and clichés. The dictionary contains more than 24,000 entries, each defined and followed by one or two example sentences. It also includes a Phrase-Finder Index with more than 60,000 entries.

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Ideal for anyone who wants to learn English to native-speaker standard and prepare for major English exams including IELTS, TOEIC, and TOEFL, this fun and engaging visual guide to the most common and useful English idioms and phrases will help you understand and remember English idiomatic expressions and their meanings, making your English more fluent and natural. English for Everyone: English Idioms combines an innovative visual teaching method with the best of DK design to make one of the most difficult aspects of learning English as a foreign language incredibly easy. Hundreds of expressions are presented in context, with crystal-clear definitions and attractive illustrations that show each idiom's literal and idiomatic meaning. The book also covers English collocations and commonly confused words, helping you avoid the kind of mistakes that native English speakers would never make. Each teaching module is followed by tightly focused practice exercises to help you remember what you have learned. Extensive supporting audio is integrated throughout the course, with every expression in the context of its sample sentence recorded by native English speakers. The audio is free and available online, and can be played, paused, and repeated as often as you like, to help you perfect your pronunciation of each expression. Suitable for learners at all levels, English for Everyone: English Idioms is an exciting and intuitive guide to improving your understanding of English and the style of your written and spoken English.

**Idioms in the News - 1,000 Phrases, Real Examples** Oxford University Press

Learn Italian fast: Impara l'Italiano velocemente As you may already know, Italian is far from being an easy-to-learn language. The best way to try to master Italian is to learn by heart its most popular idiomatic expressions. In this book, you will find the corresponding English version below every Italian Modo di dire, plus a couple of ready-to-use examples to help you catch its full meaning. Learn 300 Italian idioms, everyday phrases & proverbs, and enjoy comparing them with their English counterparts.

*500 Really Useful English Phrases* Manik Joshi

Enhance your speaking skills and listening comprehension by learning English idiomatic expressions Welcome to another new exciting book of Coach Shane's English expression series. In this book, you would find 1000 English idioms and phrases with practical examples, dialogues/conversations and explanations. In this version, I made many changes compare to previous version. Because, I rearranged all English idiomatic expressions in alphabetically order, so you can use this book like an American idioms dictionary. Also, you would find some illustrated pictures in some places. In previous edition, I have received some complains, so that's why, I fixed many things in this edition. I tried to explain the English phrasal verbs and idioms in detail. You would know how to use them effectively. I picked up these common English expressions from sitcoms, movies, news, etc. Having learned these sayings, idioms and phrasal verbs, you would be able to understand movies, sitcoms, and news. I hope this book would be a great book for intermediate and advanced level ESL (English as a second language) peoples.

WOULD YOU LIKE TO SPEAK ENGLISH AS THE ENGLISH SPEAK IT? THIS BOOK WILL SHOW YOU HOW! The use of idiom distinguishes the average English speaker from the excellent. Speak the English the English Speak will teach you the meaning and history behind 500 essential English idioms and, also, how to use them. It will help you to engage in fluent English conversation and to understand the nuances of the language. Discover the meaning of phrases such as, 'at the drop of a hat', 'have your cake and eat it' and 'pleased as Punch.' The phrases are arranged in alphabetical order with a Quick Reference section at the front of the book. Colin Grey was inspired to write this book by Olga Kuzina, his tour guide on a cruise down the River Dnieper in 2013. Her English was so good and so full of idiom that he and his wife took her on one side to ask where she had learnt it. Her reply stunned him, "I've never been out of the country. But I do teach English at Sevastopol University." Lucky students! When he returned home Colin emailed Olga with a list of 20 phrases and the question, "How many of these would you use and be comfortable with in normal conversation?" Her answer was, "3 but would you please explain the other 17". These were the origin of this book. All royalties from the sale of this book go to the Aidan Woodcock Charitable Trust which sponsors young professional musicians and helps them develop their careers. More details about the charity are available at [www.maiestra.org](http://www.maiestra.org).
