My aspiration for romance inspired me to write Satisfaction. I wanted to show just how romantic and sensual I can be, especially at a young age. The readers probably missed the fact that Jermaine, which is the name of the main character in Satisfaction, is actually my middle name. I pictured myself as if I was in his situation. I wrote the book as if I was trying to get the love of my life back. I guess you could say that I based Satisfaction off my real-life experience with love. First, writing was a way to relieve my stress, and then it became a hobby when I started getting creative with it. Then I realized I could be the master of romance from the way Jermaine proposed to Nicole at the end. I did not realize how romantic I could be until I finished writing Satisfaction. I thought about what I had to do to go above and beyond for my girlfriend, my fiancé, or my wife.

Mary Beth Bonacci speaks to nearly 100,000 people every year. She speaks to Catholics across the country and around the world - about friendship, about relationships, about marriage, about God's plan for sexuality, and about finding real, honest love. And people speak back to her. They ask her questions - about sex, about dating, about healing after a shattered relationship, about marriage, about their struggles to live love. Their questions are real, specific and often very poignant. Now, for the first time, Mary Beth has published those questions - and her answers - in a comprehensive, readable guide which addresses the details of the very real struggle that people face in trying to live real love in a world gone mad. Through these questions and her answers, Mary Beth offers a comprehensive catechesis of the Church's teaching in the areas of marriage and human sexuality. She tackles the toughest issues - premarital sex, contraception, divorce, homosexuality, pornography and others. She gives practical advice on living the Church's teachings. She offers compassionate support for those who have stumbled. And throughout it all, she demonstrates that a living respect for God's gift of sexuality is the way - the only way - to find real, honest love.

Savannah, Georgia: city of history, mystery, and more than a few ghosts, as well as four best friends who have never fit in anywhere except with each other. But everything is about to change as an unsolved murder from decades ago draws them close--and closer still--to four sexy bachelors with secrets of their own. . . Savannah When It Sizzles In the "new" old south, pedigree and money still mean plenty. . . especially when you have neither. P.I. Charlotte deShawn and her friends Prissy, BrieAnna, and Bebe know all too well what it's like to be on the outside looking in, having grown up with more questions than answers about the parents they each lost at an early age. For Charlotte, enduring condescending looks and whispers only made her more determined to ignore social standing. So why should it be a problem when wealthy hotel owner Griff Parish wants to hire her to find the missing heir to his family fortune? Just because their chemistry is hotter than Georgia in August doesn't mean she can't be a pro about this. After all, they travel in completely different circles--or they did until now. . . Griff's always had a thing for Charlotte, with her long red hair, big green eyes, and wild streak. Even the hefty chip on her shoulder only reminds him of how strong she is. Still, nothing's ever come of the attraction. Now, however, the temptation Charlotte represents is too close to ignore. True, Griff got himself into this fix. He could have hired a different detective agency--but that wouldn't have served his ends. He has damn good reason to keep Charlotte deShawn close, and it has nothing to do with her keen mind or her gorgeous body.

Yeah, right. Falling hard for Charlotte wasn't part of the plan, but in Savannah, what you expect is just about never what you get. . .
