Now like us, these three lost girls have grown up and are ready to guide us again, this time through the realms of our sexual awakening and fulfillment. Through their familiar fairytales they share with us their most intimate revelations of desire in its many forms, revelations that shine out radiantly through the dark clouds of war gathering around a luxury Austrian hotel. The Joker is dead. There is no doubt about that. But whether Batman finally snapped his scrawny neck or some other sinister force in Gotham City did the deed is still a mystery. Problem is, Batman can't remember... and the more he digs into this labyrinthian case, the more his mind starts to doubt everything he's uncovering. So who better to set him straight than... John Constantine? Problem with that is as much as John loves a good mystery, he loves messing with people's heads even more. So with John's "help," the pair will delve into the sordid underbelly of Gotham as they race toward the mind-blowing truth of who murdered The Joker. **BATMAN: DAMNED** is a supernatural horror story told by two of comics' greatest modern creators—a visceral thrill-ride that proudly puts the "black" in **BLACK LABEL**. An anthropomorphic hipster cockroach is on the cutting-edge of American comic-strip humor. *La Cucaracha* (aka *Cuco Rocha*) and his pals voice the concerns and observations of the Latino-American community with an edgy, insightful wit. Through *La Cucaracha*, creator Lalo Alcaraz makes blunt social commentary both hard-hitting and hilarious. The result is not just a pleasure, but also a craving. The strong undercurrent of modern Latino themes and issues adds a sharp layer of meaning to the humor. In one strip, an immigrant bartender has listened to two customers rant, "I'm telling ya, there's too many immigrants pouring into this country." When one of the customers asks for another drink the bartender declares, "I'm an immigrant, and

guess what? I'm not pouring!" This first of perceptive *La Cucaracha* humor will delight and gratify all audiences that appreciate intelligent, progressive, deeply amusing comics.

REACHING NEW HEIGHTS ON SOLO FLIGHTS!!! Sometimes a busy, mature housewife just needs a little alone time, y'know? Some time to get in touch with herself... to recharge her batteries. Which sometimes means draining a few batteries. And a little baby oil. Or the garden hose. There might be a spatula involved. Possibly a banana. And what's Mom doing with her teenage daughter's class photo? From the kitchen to the laundry room, in the backyard and in the bedroom, and even at the store, these intimate personal moments are captured in loving detail in this gallery of sensuously shaded pencil drawings by Rebecca, who obviously knows a thing or two (or seven hundred) about XXX-rated suburban sexuality.
