Michigan Proficiency Listening and Speaking Heinemann Educational Books
The MET Go is a standardized international examination designed by Michigan Language Assessment (MLA), aimed at beginner- to intermediate-level adolescent language learners--A1 to B1 of the Common European Framework of Reference (CEFR) for Languages. It

assesses general English language proficiency in educational, social, and everyday contexts and emphasizes the ability of the test-taker to communicate effectively in English. The MET Go is intended for early adolescents at the middle school to lower-secondary school level who want to measure their general English language proficiency in a variety of linguistic contexts. The test results can be used for educational purposes, such as when finishing an English language course, as a motivational tool

to encourage students as they progress in their English study, or as a supporting credential for youth opportunities requiring English skills. It may also be used as a bridge to a higher-level exam such as the MET. The Official MET Go Practice Test Book is first book to provide actual practice tests for students preparing to take the MET Go The Official MET Go Practice Test Book includes: 4 complete practice tests (Listening, Reading, Writing) 4 sets of practice Speaking Test prompts tips for practicing the different sections of the tests a progress tracking log for recording practice test cores actual test form instructions and a sample answer sheet The audio for the Listening section can be accessed at www.press.umich.edu/elt/compsite/metg

o. More information about the MET Go is available at www.michiganassessment.org. *A New Grammar Companion for Teachers* Cambridge English Dan has made it his business to delve into punctuation, and we are all the wiser for the impressive and exciting writing about the subject that he has done in this book. - Carl Anderson Author of *How's It Going?* and *Assessing Writers* In all the books I've read about written language, Dan's is the first to explore the mind's ear.... He has actually changed the way I read as well as write. How lucky we are to (finally) have an intellectually engaging exploration of what we have too long considered drudgery.... When you consider Dan's approach, you'll wonder how you ever

taught another way. - Ellin Oliver Keene Coauthor of *Mosaic of Thought*, Second Edition, and author of *To Understand Get ready to be taken by the hand by a master teacher who will show you how to teach students the rules of punctuation in clearly defined lessons.* From the first page I was eager to take this book to my own teaching. - Mary Ehrenworth Author of *The Power of Grammar Punctuation is important.* Period. Good writers know the rules, but skilled punctuators don't simply go by the conventions. They use punctuation to make meaning. *Practical Punctuation* shows you how to help students discover the relationship between punctuation and meaning - and how they can use it to improve their writing. *Practical Punctuation's* strategies help writers

connect periods, commas, and dashes to mood, emphasis, and rhythm. Dan Feigelson's ready-to-use lessons provide opportunities to: show students the purposes of punctuation before teaching them the rules give writers chances to experiment with punctuating model the thinking that goes into punctuating teach conventions explicitly, but not absolutely hold students accountable for punctuation in formal writing. Feigelson's lessons are highly structured. They demonstrate how to teach punctuation as a craft tool with writers of varying sophistication or age: beginners: ending punctuation intermediate-stage writers: the comma advanced writers: internal punctuation and cadence. Feigelson includes a handy teacher's reference guide to punctuation as well as grade-

by-grade guidelines that make assessing punctuation simpler. And his interviews with world-renowned authors will help you and your writers better understand the power punctuation has to impart meaning. Read *Practical Punctuation* and help students make choices with punctuation - instead of letting punctuation rules make choices for them.

Teaching Vocabulary Cambridge English
The new edition of this bestselling text

employs standard grammatical terminology, but it also uses terms which allow for a more functional interpretation. Aligned with the new Australian Curriculum: English, this edition is organised around the main functions that language plays in our lives: interacting with others, structuring coherent texts and expressing and developing ideas. Another major difference is that the content now extends into secondary schooling, dealing with the language challenges faced by older students.

Tactics for TOEIC New Editions
Reading ECPE: Grammar, Cloze, Vocabulary and Reading for the revised 2021 Michigan exam This edition of sample tests for the Michigan Language Assessment Examination for the

Certificate of Proficiency in English (ECPE) has been designed specifically for students preparing for the challenging GCVR (Parts 1-4: Grammar, Cloze, Vocabulary and Reading) section of the examination. The content has been written to closely replicate the ECPE experience, and has undergone comprehensive expert and peer review. You or your students, if you are a teacher, will hopefully enjoy the wide range of text topics and benefit from the repetitive practice, something that is key to preparing for the GCVR section of the examination. Each test comprises 70 multiple-choice questions, each carrying one mark, and candidates are given 75 minutes in which to complete the four parts of the GCVR section: 1. Grammar: 16 questions testing grammatical

fluency, phrasal verb particles, word formation and prepositions. 2. Cloze (multiple choice): 20 questions testing lexical and grammatical ability within the context of two texts, each comprising 200-250 words. 3. Vocabulary: 16 questions testing knowledge of phrasal verbs, phrases and idioms. 4. Reading: 18 questions testing candidates' understanding of meaning in context, reference words, implication, purpose and tone within the context of three texts, each comprising 300-350 words. Fiona Aish has co-written several titles in exam preparation and EAP, and creates materials and assessment resources for a range of educational providers. She is DELTA-qualified and holds an MA in ELT and Applied Linguistics. Jo Tomlinson has co-written a number of books on EAP

and exam preparation, and currently works full-time as an exams and materials developer. She is DELTA-qualified and holds an MA in Language Testing.
