Il jazz. L'era dello swing. I grandi solisti. Hawkins, Tatum, Billie Holiday, Charlie Christian Jawbone

Having survived a camping trip with the Photography Club, a group whose main extracurricular activity is offering its sexual services to the student body, Takashi Tono is suddenly thrust into the club's next group excursion—a summer hot springs retreat! Meanwhile, even the club's veterans of debauchery can't escape the worst fate of all—true love! -- VIZ Media

Uncle Scrooge and Donald Duck Andrews McMeel Publishing

I'm a Gemini. Impulsive. Curious. Headstrong. A twin. Heir to a throne I know nothing about. And it turns out, I'm Fae. But of course there's a catch - all I have to do to claim my birth right is prove that I'm the most powerful supernatural in the whole of Solaria. And sure, technically that's true as I'm the daughter of the Savage King. But the bit they didn't put in the brochure was that every single Fae in this Kingdom would claim my throne if

they could. The school they've sent me to is both dangerous as sh*t and one helluva party. Vampires bite weaker students in the corridors, the Werewolf pack has orgies in the Wailing Wood at every full moon and don't even get me started on the dark and twisted ways the Sirens use their powers on people's emotions, or how my sinfully tempting Cardinal Magic teacher hosts detentions that leave people needing therapy. Classes are totally interesting if you manage to live through them. And that Gemini star sign I mentioned? It now determines my elemental magic and affects my destiny, so learning astrology is essential if I'm going to beat down my classmates - which is actively encouraged by the way. My biggest problem is the drool worthy Dragon shifter who has his eyes on my throne. He and his three psycho friends are determined to make my time here hell. All I've got to do is survive. But fate might have other ideas. Dammit, why couldn't I have gotten a letter to Hogwarts?

Madonnas and Miracles' exposes a hidden world of religious

devotion in the Italian Renaissance home. Challenging the idea of the Renaissance as an age of increasing worldliness, it shows how religion remained a powerful force that coloured every aspect of daily life. Across the length and breadth of Italy, houses were filled with decorative objects and works of art with spiritual significance, designed to aid members of the family in their devotional lives. A wide range of religious activities, from routine prayers to extraordinary experiences such as miracles and exorcisms, took place within the home, where they were adapted to key moments in the life-cycle, including birth, marriage, sickness and death. This illustrated publication explores a variety of devotional objects and images, from luxury items to everyday household goods. Bringing together jewellery and ceramics, manuscripts and printed books, sculpture and paintings, the book offers a vivid encounter with Renaissance spirituality and domesticity. The result is a new vision of a period in which the material world was charged with sacred power.

Yarichin Bitch Club, Vol. 4 (Yaoi Manga) Bloomsbury Publishing
A serial killer is preying upon gay men in Los Angeles. Detective Cassidy Ryan of the LAPD is out to stop the monster before more mutilated corpses turn up. The victims have one thing in common and it leads back to an infamous online club called DOMZ.com. The website owner, Zachary Teak, is stunningly gorgeous and infuriatingly uncooperative. Having spent years in vice, investigating crimes fueled by pornography, Cassidy hates the Dom on sight. Zack Teak is a wealthy man and a popular Dom with a long waiting list of subs who beg to lick his boots. The moment he meets the detective, a former Navy SEAL, he is determined to help the handsome, blond hunk explore his own submissive nature but Cassidy is having none of it. As Cassidy closes in on the killer, he succumbs to Teak's charms, finding that it's okay to give up control and let Zack take charge. Join the men as they flush out a killer while trying not to become victims themselves.

The Unexpected Guest VIZ Media LLC

LAPD detective Cassidy Ryan has been living with his Dom, Zachary Teak, for nearly two and a half of the best years of his life. Brought together when a brutal serial killer targeted gay members of Zack's online BDSM club, the couple think they've put the past behind them... that is until another victim turns up, murdered in the same horrible way as before. When Zack receives a threatening note from the killer, the man convicted of the crimes becomes the focus of the investigation. Cassidy and Zack are thrown right back into a hideous nightmare which seems to be getting worse as more bodies begin piling up. Just when Cassidy and his partner think they've narrowed down the identity of the killer, a surprising twist throws everything off kilter and Cassidy and Zack find the life they've built together unravelling. Zack is a dominant to the core and giving up control to his submissive who insists on protecting him, is a hard thing for the Dom to accept. Cassidy knows the score and protecting Zack is his top priority... even if that means ruffling his Dom's

feathers. As the body count rises, so does the tension between the lovers when they turn to each other for comfort. When they find themselves in the monster's sights, the strength of their love will be tested as never before.

This volume sets out to explore the world of domestic devotions taking place in people's homes across space and time, and is premised on the assumption that the home was a central space of religious practice and experience throughout the early modern world.

"With their intellectual brilliance, humor and wonderful eye for detail, Leonard Bernstein's letters blow all biographies out of the water."—*The Economist* (2013 Book of the Year) Leonard Bernstein was a charismatic and versatile musician—a brilliant conductor who attained international superstar status, and a gifted composer of Broadway musicals (*West Side Story*), symphonies (*Age of Anxiety*), choral works (*Chichester Psalms*), film scores (*On the Waterfront*), and much more. Bernstein was also an enthusiastic letter writer, and this book is the first to present a wide-ranging selection of his correspondence. The letters have been selected for the insights they offer into the passions of his life—musical and personal—and the extravagant scope of his musical and extra-musical activities. Bernstein's letters tell much about this complex man, his collaborators, his mentors, and others close to him. His galaxy of correspondents encompassed, among others, Aaron Copland, Stephen Sondheim, Jerome Robbins, Thornton Wilder, Boris Pasternak, Bette Davis, Adolph Green, Jacqueline Kennedy Onassis, and family members including his wife Felicia and his sister Shirley. The majority of these letters have never been published before. They have been carefully chosen to demonstrate the breadth of Bernstein's musical interests, his constant struggle to find the time to compose, his turbulent and complex sexuality, his political activities, and his endless capacity for hard work. Beyond all this, these writings provide a glimpse of the man behind the legends: his humanity, warmth, volatility, intellectual brilliance, wonderful

eye for descriptive detail, and humor. "The correspondence from and to the remarkable conductor is full of pleasure and insights."—The New York Times Book Review (Editors' Choice) "Exhaustive, thrilling [and] indispensable."—USA Today (starred review)

The Symphonies of Joseph Haydn 20th Century Boys: The Perfect Edition

For a majority of filmgoers, the names most usually associated with classic Japanese cinema are those of Kurosawa and Ozu. Yet during the early 1950s, at the same time that Kurosawa was becoming known to the public through the release of classics like *Rashomon* and *The Seven Samurai*, another Japanese director, Kenji Mizoguchi, quietly came out with a trilogy of films - *The Life of Oharu*, *Ugetsu Monogatari* and *Sansho the Bailiff* - that are the equal of Kurosawa's in mastery, and which by any account rank among the greatest and most enduring masterpieces of world cinema. As a storyteller, Mizoguchi was drawn to the plight and oppression of women throughout the ages - it was, for him, the 'subject of subjects'. So in addition to the movies just mentioned, he is remembered for a string of masterly contemporary films that examined, with unprecedented candour and ferocity, the conditions of life in Japanese brothels and geisha houses. Yet, as well as being a moralist, Mizoguchi was a stylist. His films are considered by critics to be among the most beautiful ever made, from a purely pictorial point of view. Filmgoers who have responded enthusiastically in recent years to Chinese classics like *Farewell My Concubine* or to the colourful works of Zhang Yimou will be delighted to discover 'pre-echoes' of this cinema in such late films by this Japanese master as *The Empress Yang Kwei Fei* and *Tales of the Taira Clan* (both released in 1955) works in which colour, costume and decor are deployed with compelling refinement. Despite his extraordinary qualities as a film-maker, Mizoguchi and Japan is the first full-length study in English for over 20 years of a director whose work is as vibrant now as it

ever was in its heyday, and whom the French film review *Cahiers du Cinema* recently hailed 'the greatest of all cineastes.' Mark Le Fanu's preface to the new ebook edition -

With nearly 400 scores to his credit, Ennio Morricone is one of the most prolific and influential film composers working today. In *Composing for the Cinema*, Morricone and musicologist Sergio Miceli present a series of lectures on the composition and analysis of film music. Adapted from several lectures and seminars, these lessons show how sound design can be analyzed and offer a variety of musical solutions to many different kinds of film. Drawing upon scores by himself and others, the composer also provides insight into his relationships with many of the directors with whom he has collaborated, including Sergio Leone, Giuseppe Tornatore, Franco Zeffirelli, Warren Beatty, Ridley Scott, Roland Joffé, the Taviani Brothers, and others. Delivered in a conversational mode that is both comprehensible and interesting, this groundbreaking work intertwines analysis with practical details of film music composition.
