Family Guide Italy offers you the best things to see and do on a family vacation in Italy--from visiting magnificent sights such as the Colosseum in Rome and Basilica di San Marco in Venice to exploring the treasures housed in the Uffizi in Florence and the Duomo in Milan--and brings those places alive for children with fun facts, quizzes, and cartoons. The major sights are treated as "hub" destinations and are followed by places of interest near the "hub," ideal for planning your day ahead. These spreads offer a pragmatic as well as enjoyable itinerary, giving children a real insight into the destination, but balanced with opportunities to let off steam at a nearby park or playground. All the practical information you need appears alongside the sight, including transportation information, budget tips, age range suitability, and where to eat. Each spread is bursting with insider knowledge and loaded with ideas for activities that will engage children, from pony-trekking in Gran Sasso National Park in Abruzzo to spending the night next to the shark tank at Genova's Aquarium in Liguria. Meanwhile, the most family-friendly, best-value accommodation options have been chosen with family budgets and needs in mind. Full-color throughout, with detailed maps of the main sightseeing areas for easy navigation and all the practical information you need for a fun, stress-free family vacation.

Prehistoric objects were for many years, viewed as curiosities, symbols of an ancient past, collected and desired because of their rarity and longevity. In the 16th century prehistoric objects were making their way into private collections, endowed with the interpretations and beliefs of their owners. Robin Skeates discusses the development of these collections throughout the 16th to 19th

century, the various social and political agendas and of the collectors and the different types of collections formed: state, regional, provincial, local museums, university collections, permanent exhibitions and private collections.
