'Picture abhi baaki hai...' If there's one experience that unites India, it is cinema. In *Reel India*, award-winning film critic Namrata Joshi journeys through the interiors of the country intimately chronicling little-known accounts about the nation's incessant obsession with the movies. In Lucknow, she encounters a Shah Rukh Khan fan who has embraced an alternate reality in which he lives and breathes the star. In Wai, she finds an entire economy fuelled by the film industry as the town transforms into a film set. An activist filmmaker in Odisha demonstrates how he teaches local tribal people the basics of his craft, empowering them to train the spotlight on issues threatening their habitat and livelihood. From the fever pitch of the 'first day first show' in makeshift halls to the rivalries of regional cinema, this is India's immersion in the movies like it's never been seen before. Filled with real-life stories that are as fascinating as the revelations and insights they offer, *Reel India* raises the curtain on the starry-eyed dreams and big-screen passions that live on after the final 'cut' is announced.

On 15 August 2014, in his maiden Independence Day address to the country, Narendra Modi became the first Prime Minister of India to take on the national shame of open defecation. Launched a few weeks later, on Gandhi Jayanti, the Swachh Bharat Mission has come a long way over the past five years. India is now close to declaring itself an Open Defecation Free nation on 2 October 2019, the 150th birth anniversary of the Father of the Nation. The Swachh Bharat Revolution looks at all that went into making this remarkable transformation happen, and how a nation of over a billion people led the largest people's movement in the world to make the impossible possible. This is a compendium of essays -- with names such as Arun Jaitley, Amitabh Kant, Ratan Tata, Sadhguru, Amitabh Bachchan, Akshay Kumar, Tavleen Singh, Bill Gates and many more, along with a message from Prime Minister Modi himself -- that celebrates a historic national achievement.

The year is 1971 Tension is brewing between India and Pakistan One secret could change the course

of history . . . It's now up to her When a young college-going Kashmiri girl, Sehmat, gets to know her dying father's last wish, she can do little but surrender to his passion and patriotism and follow the path he has so painstakingly laid out. It is the beginning of her transformation from an ordinary girl into a deadly spy. She's then married off to the son of a well-connected Pakistani general, and her mission is to regularly pass information to the Indian intelligence. Something she does with extreme courage and bravado, till she stumbles on information that could destroy the naval might of her beloved country. Inspired from real events, *Calling Sehmat* . . . is an espionage thriller that brings to life the story of this unsung heroine of war.

Freeze Frame is a book of conversations with film people, actors, directors, writers, producers. These interviews, conducted between 2007 and 2011, by author and film critic, Anupama Chopra, capture a place and a time. They offer an insight into the magic and madness of making movies; the heartache and malice of the business; the craft, creativity and inevitable compromises of cinema. "I never thought about why people love me so much. I won't think about why people hate me now." Shah Rukh Khan "Not every Bollywood film is perfect and some people say, 'Oh, it is so ridiculous.' I say, yes, like Shakespeare is ridiculous. Like human beings are ridiculous. Ridiculous not meaning idiotic. Ridiculous meaning, not necessarily a reflection of realism." Baz Luhrmann Anupama Chopra is an award-winning author and film critic. She has hosted popular review shows on television and written extensively about cinema. Her articles have been published in *India Today*, *The New York Times*, *Los Angeles Times*, *Variety*, *Sight & Sound* and *Vogue India*. Her first book, *Sholay: The Making of a Classic* won the 2001 National Award for Best Book on Cinema. The Britannica Book of the Year 2010 provides a valuable viewpoint of the people and events that shaped the year and serves as a great reference source for the latest news on the ever changing populations, governments, and economies throughout the world. It is an accurate and comprehensive reference that you will reach for again and again.

LEGEND OF LAKSHMI PRASAD Notion Press

Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from Apoorva Raagangal (1975) to Kochadaiyaan (2013). Along the way, the book provides rare insights into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

The Hidden Hindu 2 Om Books International

This book traces the journey of popular Hindi cinema from 1913 to contemporary times when Bollywood has evolved as a part of India's cultural diplomacy. Avoiding a linear, developmental narrative, the book re-examines the developments through the ruptures in the course of cinematic history. The essays in the volume critically consider transformations of the Hindi film industry from its early days to its present self-referential mode, issues of gender, dance and choreography, Bombay cinema's negotiations with the changing cityscape and urbanisms, and concentrate on its multifarious regional, national and transnational implications in the 21st century. One of the most comprehensive volumes on Bollywood, this work presents an analytical overview of the multiple histories of popular cinema in India and will be useful to scholars and researchers interested in film and media studies, South Asian popular culture and modern India, as well as to cinephiles and general readers alike.

Abbey and Money Singh are better known as The Modern Singhs, Kiwi social media celebrities with a rich and tangled love story to tell. Shared through the eyes of this inspiring duo, The Modern Singhs reveals their experiences as migrants to New Zealand as they struggled to find footing in new surroundings. They describe how they met and pursued a relationship that was forbidden by Money's culture, where he felt he had to choose between his family and the love of his life. The couple opens up about the difficult birth of their son, their journeys with mental health, a complicated sense of home, and what it's like to raise bilingual children across three cultures. The rest is history - or at least uploaded to YouTube, where Abbey and Money's joyful outlook and celebration of tradition unites 1.3 million viewers from all over the world, encouraging others to

embrace difference with open hearts.

Bollywood movies and their signature song-and-dance spectacles are an aesthetic familiar to people around the world, and Bollywood music now provides the rhythm for ads marketing goods such as computers and a beat for remixes and underground bands. These musical numbers have inspired scenes in Western films such as *Vanity Fair* and *Moulin Rouge*. *Global Bollywood* shows how this currency in popular culture and among diasporic communities marks only the latest phase of the genre's world travels. This interdisciplinary collection describes the many roots and routes of the Bollywood song-and-dance spectacle. Examining the reception of Bollywood music in places as diverse as Indonesia and Israel, the essays offer a stimulating redefinition of globalization, highlighting the cultural influence of Hindi film music from its origins early in the twentieth century to today. A small-town boy, Gulshan Grover moved to Mumbai to pursue acting in the 1970s. At a time when most wannabe actors held out for a leading role, he made the conscious choice to opt for villainous roles. He went on to portray many memorable characters, with a career-defining role in the 1989 blockbuster, *Ram Laxman*, that established him firmly as a villain in Bollywood. In this authorised biography, Grover tells his story - the films, the journey, the psychological and personal toll of sustaining the 'bad man' image, the competition among Bollywood's villains, the move to playing more rounded characters, and the challenge of doing international films.

Aasha Rani, Bombay's no. 1 heroine, has everything she wants—fame, money, success. All except for Akshay Arora, the film star she is desperately in love with. This is her story—from her days as a vulnerable small-town girl, pushed by her ambitious mother into sleeping her way to the top, to getting her first break from Kishenbhai, the small-time distributor who never stops loving her, to sealing her career under the patronage of the deadly Bombay don Sheth Amirchand. Glittering, glamorous and full of unforgettable characters, *Starry Nights* is the ultimate Bollywood novel.

The Hundred Luminaries of Hindi Cinema University of Chicago Press

Situating it at the intersection of vernacular media production and the infrastructural-political reordering of provincial north India, the book shows that Bhojpuri media's characteristic 'disobedience' is marked by a libidinal excess - simultaneously scandalizing and moralizing - to address the inexact calculi of Bhojpuri speaking region's 'underdevelopment'.

Limca Book of Records 2023 University of Chicago Press

This volume focuses on the life and times of the 'star of the millennium', Amitabh Bachchan, and goes on to describe his contemporaries such as Shashi Kapoor, Dharmendra and Vinod Khanna, and also the next generation of heroes, including the Khans, Govinda, Hrithik Roshan and others who have followed. Ashok Raj is a research coordinator based in New Delhi. An alumnus of the Indian Institute of Technology, New Delhi, he has served as a consultant to several national and international organizations and NGOs in various spheres such as science, culture and the media. His significant work is a sixteen-part series on cinema, which was published in *Screen* (in 1988).
