Artificial intelligence | List of High Impact Articles ... Journal Of Artificial Intelligence Research JAIR is published by AI Access Foundation, a nonprofit public charity whose purpose is to facilitate the dissemination of scientific results in artificial intelligence. JAIR, established in 1993, was one of the first open-access scientific journals on the Web, and has been a leading publication venue since its inception. Journal of Artificial Intelligence Research Journal of Artificial Intelligence Research. SJR is a measure of scientific influence of journals that accounts for both the number of citations received by a journal and the importance or prestige of the journals

where such citations come from It measures the scientific influence of the average article in a journal,...Journal of Artificial Intelligence Research International Journal Of Artificial Intelligence Research (IJAIR) is a peer-reviewed open-access journal. The journal invites scientists and engineers throughout the world to exchange and disseminate theoretical and practice-oriented the whole spectrum of Artificial intelligence. International Journal of Artificial Intelligence Research The Journal of Artificial Intelligence Research (JAIR) is an open access peer-reviewed scientific journal covering research in all areas of artificial intelligence. It was established in 1993 as one of the first scientific journals distributed online. Paper volumes are printed by the AAAI Press. Journal of Artificial Intelligence

Research - Wikipedia
 Journal description. JAIR covers all areas of artificial intelligence (AI), publishing refereed research articles, survey articles, and technical notes. Established in 1993 as one of the first electronic scientific journals, JAIR is indexed by INSPEC, Science Citation Index, and MathSciNet.
 Journal of Artificial Intelligence Research | RG Journal
 ...Artificial Intelligence Research (AIR) is a peer-reviewed, international scientific journal providing a forum for original research, reviews, experience exchange or conference reports related to the fields of Artificial Intelligence and Applications for researchers, programmers, software and hardware manufacturers.
 Artificial Intelligence Research
 Journal of Artificial Intelligence and Soft Computing Research (available also at Sciendo (De Gruyter)) is a dynamically developing international journal focused on the latest scientific results and methods constituting traditional artificial intelligence methods and soft computing techniques.
 Journal of Artificial Intelligence and Soft Computing Research
 Impact Factor of Journal Of Artificial Intelligence Research, 1076-9757, Journal Impact Factor report
 Journal Of Artificial Intelligence Research
 Impact Factor
 An International Journal. Artificial Intelligence, which commenced publication in 1970, is now the generally accepted premier international forum for the publication of results of current research in this field. The journal welcomes foundational and applied papers describing mature work involving computational accounts of aspects of intelligence.
 Artificial Intelligence - Journal - Elsevier
 International Journal of Artificial Intelligence™. This is a broad-based journal covering all branches of Artificial

Intelligence and its application in the following topics: Technology & Computing; Fuzzy Logic; Neural Networks; Reasoning and Evolution; Automatic Control; Mechatronics; Robotics; Parallel Processing; Programming Languages; International Journal of Artificial Intelligence™
 About Journal of Artificial Intelligence Research
 JAIR (ISSN 1076 - 9757) covers all areas of artificial intelligence (AI), publishing refereed research articles, survey articles, and technical notes. Established in 1993 as one of the first electronic scientific journals, JAIR is indexed by INSPEC, Science Citation Index, and MathSciNet.
