Kaplan Medical USMLE Pharmacology and Treatment Flash Cards Elsevier Health Sciences

NEW! Best-selling USMLE author and award-winning medical educator Dr. Conrad Fischer presents the only full-color USMLE guide on the market to cover the clinical conditions and patient management scenarios tested on the Step 2 CK exam. New from best-selling USMLE author and award-winning medical educator, Dr. Conrad Fischer, comes the only full-color USMLE guide on the market to present the clinical conditions and patient care scenarios encountered on the

Step 2 Clinical Knowledge exam. Students take the USMLE Step 2 CK Exam during their final year of medical school. The Step 2 Clinical Knowledge is a multiple-choice exam designed to determine whether the examinee possesses the medical knowledge and understanding of clinical science considered essential for the provision of patient care under supervision. Kaplan Medical USMLE Master the Boards Step 2 CK is the first book that covers the content of the exam in a logical and methodical fashion, emphasizing several categories of residency including: A logical step-by-step approach to patient care An assessment of severity, prognosis, and next course of action for specific conditions How to prioritize while managing, especially in emergency or

acute cases An outline of signs/symptoms and diagnostic or lab tests that signify the need for change in management approaches  
Master the Boards USMLE Step 3 7th Ed.

### Kaplan Publishing

Ethics questions—in which test-takers must choose the single best answer from multiple ethical and legal choices—appear in Steps 1 and 3 of USMLE and in the American Board of Internal Medicine Examination. To excel on these test topics, users need to master the relevant U.S. ethical and legal principles. This practical book presents the questions you are most likely to encounter on the test, with concrete and definite answer explanations to help you choose the right answer every time. Features: \* Sample questions and cases likely to be tested on the Medical Ethics exam \* Clear answer explanations \* Coverage of the issues most likely to appear on the Ethics section of USMLE Steps 1 & 3 and the American Board of Internal Medicine Examination, including: - End-of-life issues -- Euthanasia and physician-assisted suicide -- Competence - Medical malpractice -- Abortion-related issues -- HIV-related issues.

### USMLE® Step 2 CK Lecture Notes 2019 Simon and Schuster

For more than 30 years, Kaplan Medical has helped thousands of students and doctors successfully prepare for the USMLE and board exams. Kaplan Medical Master the Boards: Internal Medicine familiarizes students with key words, concepts, and diagnoses on the challenging board exam. The test's most important concepts are outlined and explained by a top-ranked Kaplan Medical instructor. Designed both for first-time test takers and those seeking recertification, this book organizes study prep by disease. Each chapter features words that help students recognize a problem diagnostically, the associations with related problems, the next steps in management, the best initial and most accurate diagnostic tests, the best initial

and most effective therapy, and long-term problems. Basic science and statistics that are imperative to a doctor's general knowledge, but not directly related to the Boards, are organized in sidebars.
