Through her diary, found after her death, much more is learned about things that Rose Dawson (formerly Rose DeWitt Bukater) had kept in her heart during her life. After being rescued at sea, Rose lives in New York several years, goes to California, then to Wisconsin where she meets Jack Dawson's relatives, learns much more about Jack, and marries his cousin Jeremy, who is apparently murdered by her ex-fiance Caledon's men. Rose moves to Milwaukee and marries Darrell Calvert. Rose dreams often of Jack and feels his presence in her life. Jack helps Rose in various mysterious ways during her life, but most importantly by inspiring her to sacrifice herself for others

and by gradually helping her to forgive the survivors of the Titanic for their failure to return and rescue those in the water.

Other facts about Rose's life are revealed at her funeral. Story continues with events in the life of Rose's granddaughter Lizzy and her husband Brock. Authenticity of various paranormal experiences of Rose involving Jack, at first uncertain, seems to be gradually confirmed.

Dr. Doreen Virtue's life changed dramatically when angels miraculously warned her and then intervened during a carjacking. After her angelic encounter, Doreen began asking the angels for additional guidance. They answered her requests with very clear and loving words. She writes of how the angelic guidance affected her work as a psychotherapist: "I began helping my counselling clients to hear their own angels. Very quickly, I discovered that the healing power of the angels exceeds any form of 'man-made' therapy I had ever witnessed. The angels have wonderful gifts from God to impart to us." In Angel Therapy, Doreen delivers The Angelic Realm's messages of comfort and

guidance that can help you with troubling emotions such as depression, boredom, confusion, and anger; and issues associated with careers, relationships, parenting, and much more.
