2018 Get straight to the heart of

Shakespeare's Romeo and Juliet;

students' confidence and understanding

develop faster as they explore the plot,

themes and Shakespeare's language,

which is supported throughout this

abridged play text from Globe Education.

This title: - Reduces the length of the

play by a third, while preserving the

intricacies of the plot, enabling students

to engage with the whole story in the

class time available - Builds

understanding of Shakespeare's

language by providing a detailed

glossary alongside the text for quick and

easy reference, plus a range of

language-focused activities - Offers a

tried-and-tested approach to introducing

Shakespeare, based on Globe

Education's shortened 'Playing

Shakespeare' productions that have

been seen and appreciated by over

150,000 students - Helps students form

their own personal responses to

Shakespeare's Romeo and Juliet, stimulated by stunning photographs from Globe productions and questions that reflect on context, characters and themes - Lays the foundations for GCSE success by including activities that target the skills needed for the assessment objectives Free teacher support Shorter Shakespeare: Romeo and Juliet is supported by free online teaching resources for each scene: - Teaching notes with guidance on how to approach the scene - Practical group activities to use in the classroom - Questions on language, context, themes, character and performance - Web links to extra resources including photographs from Globe productions, interviews with actors and contextual information This title is also accompanied by 10 video clips from Globe Education's shortened 'Playing Shakespeare' production of Romeo and Juliet.

Study and Revise for GCSE: Romeo and Juliet Maupin House Publishing, Inc.

Performed all over the world, and constantly adapted and reinterpreted in a variety of mediums, Shakespeare's 1597 tale about the doomed "star-crossed lovers" from enemy families whose tumultuous affair ends in tragedy is one of his best known and most beloved plays. The story of the feuding Montague and Capulet families features the famous balcony scene where the lovers first realize their mutual affection, setting off a series of duels, secret plots, and misunderstandings that eventually leads to one of the most tragic death scenes in all of theater.

Romeo and Juliet Hodder Education

A new series of bespoke, full-coverage resources developed for the 2015 GCSE English qualifications. Approved for the AQA 2015 GCSE English Literature specification, this print Student Book is

designed to help students develop whole text understanding and written response skills for their closed-book exam. The resource provides act-by-act coverage of Shakespeare's play as well as a synoptic overview of the text and its themes. Short, memorable quotations and striking images throughout the book aid learning, while in-depth exam preparation includes practice questions and sample responses. See also our Romeo and Juliet print and digital pack, which comprises the print Student Book, the enhanced digital edition and a free Teacher's Resource.

*Illinois English Bulletin* Research & Education Assoc.

The tragedy "Romeo and Juliet" is one of the most famous plays written by the English author, William Shakespeare. It's one of the most famous love-themed tragedies ever. It was the first tragedy ever written by Shakespeare. He wrote it in 1593 after completing his two comedies, which are less known nowadays. The piece was written during the first phase of his career as a writer. It was inspired by a commonly known legend about two lovers from Verona, who ended their lives tragically because of love. Even Dante mentioned the tragedy of the families Montague and Capulet in his *Divine Comedy*, in part referring to the Purgatory. Additionally, there are records pointing to the fact that it was a historical event from 1303. Also, the love story was mentioned in work called "History of Verona," which was printed in the period around 1595. Several authors used the motif of a tragic couple of Verona in their works before Shakespeare; however, Shakespeare's version remained the most famous one. The tragedy tells the story about two young people that fall in love with each other, despite the

animosity between their families that are consumed by hatred and rivalry. Their love seems impossible at first, but they get married secretly. In the course of various conflicts occurring between the two families, Romeo murders Juliet's cousin and thus has to leave the country. However, he remains in hiding, not to leave Juliet behind. Juliet's parents want to marry her to a prominent nobleman, but she would rather die than violate her love and marriage with Romeo. She receives help again from the priest who married them. He gives Juliet a potion that would put her to sleep but not kill her, so that her family would think she is dead, setting her free. The priest sends the message to Romeo, telling him that Juliet is alive. However, the message never reaches him. After hearing about Juliet's death, Romeo arrives at her tomb, where he takes his life by drinking poison because he sees no sense in living a life without Juliet. Upon that, Juliet wakes up and tries to drink the last drops of poison from Romeo's lips to die, but when she sees that it is not enough, she takes a dagger and commits suicide. Both families then realize that their irrational hatred took the lives of young people, but it failed to stop true love, which is the sole morality of the story. This tragedy is the source of several timeless sentences that remain quoted to this day. Among them is the most famous one: "O Romeo, o Romeo, wherefore art thou Romeo?" It is as if Juliet almost curses her fate for falling in love with Romeo, yet it does not stop her from loving him. The balcony scenes in which Romeo declares his love to Juliet have remained a synonym to romantic declarations of love to this day, and all love stories are compared to this very one, known as the greatest love story ever. The Tragedy of Romeo and Juliet

was written in pentameter. The introduction was written in the form of the Shakespearean sonnet, comprised of 14 lines.

**Teaching Again** Pearson South Africa  
Romeo and Juliet Saddleback Educational Publ

Romeo and Juliet Christian Faith Publishing, Inc.

The substandard education most American students receive isn't the fault of teachers. As longtime educator Evelyn A. Uddin-Khan points out, few parents and politicians know what actually goes on behind the closed doors of public schools. Most teachers operate under exploitative conditions, overseen by school administrators corrupt with power. Unlike past eras where students once brought apples to their teachers, most teachers can count on students to be bored and irresponsible and to make spurious claims to their rights when their asocial behavior is challenged in a classroom setting. She shows how education standards have eroded amidst an atmosphere where grades are inflated, curricula are diluted, and ignorance is mass produced. She shows how the once-powerful teachers unions have become little more than voting machines, how segregation is alive in NYC, and how a death threat is taken in stride. Many of the incidents and anecdotes are real-life stories where the names of the participants have been changed in order to protect their identities. Her informative, challenging book is an attempt to set the record straight on the reputation of public school teachers who she feels have been unfairly maligned in the press and in

current political debates.

Romeo And Juliet Random House

Is 'Romeo and Juliet' really a love story, or is it a play about young people living in dangerous circumstances? How might life under occupation produce a new reading of 'Julius Caesar'? What choices must a group of Palestinian students make, when putting on a play which has Jewish protagonists? And why might a young Palestinian student refuse to read? For five months at the start of 2013, Tom Sperlinger taught English literature at the Abu Dis campus of Al-Quds University in the Occupied West Bank. In this account of the semester, Sperlinger explores his students' encounters with works from 'Hamlet' and 'The Yellow Wallpaper' to Kafka and Malcolm X. By placing stories from the classroom alongside anecdotes about life in the West Bank, Sperlinger shows how his own ideas about literature and teaching changed during his time in Palestine, and asks what such encounters might reveal about the nature of pedagogy and the role of a university under occupation.

Romeo and Juliet -- Folger Edition Nelson Thornes

This practical, supportive guide steers students through a 14-day revision programme, showing them how to make the most of the time available to them to maximise results. Based on tried and tested revision techniques, it shows

students how to tackle common revision and exam challenges through worked examples and practical exercises. Chapters are packed with top tips on key aspects of exam preparation and contain checklists to keep students on track. Concise and engaging, this is an essential companion for all students preparing for exams, on degree and pre-degree courses.
