 Micah wants Tackett—wants to trust him, to belong to him. But Micah can't focus, and Tackett doesn't want to train him. Does he?
Sweetwater Cucciolo Serie Guards of Folsom Serie Guards of Folsom, Libro 1 Micah Slayde, il cucciolo, vuole Tackett Austin dal primo istante in cui posa gli occhi su di lui al Guards of Folsom. Vuole trovare uno scopo, qualcuno che si prenda cura di lui, e vuole dedicarsi al suo Dom: fidarsi completamente di lui, vivere per lui, appartenergli, diventare tutto per lui. Micah è certo che Tackett è l'uomo giusto. Il problema è che, per essere un sub perfetto, ha bisogno di rimanere concentrato, e questo non gli è facile, perché è afflitto da quella che lui definisce 'una mente difettosa'. La concentrazione e la sindrome da deficit di attenzione e iperattività raramente vanno a braccetto. Da quando ha assistito alla cerimonia di collarizzazione di Ty Callahan e Blake Henderson, Tackett ha pensato parecchio alla sua solitudine. Anche se Ty lo sprona a dare una possibilità a Micah, lui non è il tipo da farsi convincere facilmente: ha passato la vita a costruire una carriera di successo e i sub che domina non ricevono quasi mai il secondo bacio della sua frusta. Di vent'anni più grande di Micah, Tackett non ha nessun interesse a prendere con sé e addomesticare un sub così giovane e disubbidiente, ma è difficile resistere a un cucciolo tanto adorabile che lo implora.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Sex in Seattle Henry Holt and Company
 Mackenzie "Max" Miller has a problem. Her parents have arrived in town for a surprise visit, and if they see her dyed hair, tattoos, and piercings, they just might disown her. Even worse, they're expecting to meet a nice wholesome boyfriend, not a guy named Mace who has a neck tattoo and plays in a band. All her lies are about to come crashing down around her, but then she meets Cade. Cade moved to Philadelphia to act and to leave his problems behind in Texas. So far though, he's kept the problems and had very little opportunity to take the stage. When Max approaches him in a coffee shop with a crazy request to pretend to be her boyfriend, he agrees to play the part. But when Cade plays the role a little too well, they're forced to keep the ruse going. And the more they fake the relationship, the more real it begins to feel. The hot new, New Adult title from New York Times bestselling author of Losing It, Cora Carmack.

 One of the best New York restaurants, a culinary landmark that has been changing the face of American dining for decades, now shares its beloved recipes, stories, and pioneering philosophy. Opened in 1994, Gramercy Tavern is more than just a restaurant. It has become a New York institution earning dozens of accolades, including six James Beard awards. Its impeccable, fiercely seasonal cooking, welcoming and convivial atmosphere, and steadfast commitment to hospitality are unparalleled. The restaurant has its own magic—a sense of community and

generosity—that's captured in these pages for everyone to bring home and savor through 125 recipes. Restaurateur Danny Meyer's intimate story of how Gramercy was born sets the stage for executive chef-partner Michael Anthony's appealing approach to American cooking and recipes that highlight the bounty of the farmer's market. With 200 sumptuous photographs and personal stories, The Gramercy Tavern Cookbook also gives an insider look into the things that make this establishment unique, from the artists who have shaped its décor and ambience, to the staff members who share what it is like to be a part of this close-knit restaurant family. Above all, food lovers will be inspired to make memorable meals and bring the warmth of Gramercy into their homes.

When monsters appear on Earth, Maggie MacKay is on the job. No one is better at hauling the creepy crawlies back where they belong. No one, that is, except Maggie's dad, who vanished in the middle of an assignment. Now, an elf named Killian has shown up with a gig. Seems Maggie's uncle teamed up with the forces of dark to turn Earth into a vampire convenience store, serving bottomless refills on humans. Ah, family... The only hope for survival lies in tracking down two magical artifacts and a secret that disappeared with Maggie's dad. **WARNING:** This book contains cussing, brawling, and unladylike behavior. Proceed with caution.

The Acharnians John Wiley & Sons

Joanna Scott's unparalleled gift for storytelling has inspired hyperbole from critics and her devoted fanbase, which includes some of the most preeminent writers of our time. But not since Various Antidotes, a finalist for the PEN/Faulkner Award, has she turned her talents toward short stories. At the seaside wedding of two lovers kept apart by the caprices of fate, a doting uncle looks on while his errant brother, father of the bride, struggles to free himself from a locked bathroom across town. A young woman arrives in Jazz Age New York with stars in her eyes and a few coins in her pocket and after a string of failed jobs, she thinks she's found salvation in a romance with her boss at a local greasy spoon but learns that her idea of herself and others' ideas of her are quite different. A bright business man seems content with all the trappings his good fortune affords, until a flat tire and a chance encounter with a couple of mechanics in the country upsets his entire view. Here Joanna Scott offers a group of tales that celebrate her acknowledged sense of character, plot and her gift for capturing the breathtaking tension even in life's quietest moments.

Laughter and Reflection Good Press

Sex in Seattle: Books 1 & 2 The Trouble With Tony As part of a murder investigation, PI Tony DeMarco poses as a patient of Dr. Jack Halloran, the therapist who treated the victim at a sex clinic. This isn't the first time Tony has gone undercover, but it's the first

time he's wanted to go under the covers with a suspect. First he'll have to prove Halloran's innocence and maintain his ruse. Dr. Halloran suffers from a damaged arm sustained as a combat surgeon in Iraq and the PTSD that followed. But Tony's humor slips past Jack's defenses, making him feel things he thought long buried. Can the doctor and the PI find romance despite their secrets? The Enlightenment of Daniel The death of his father is a revelation for workaholic businessman Daniel Derenzo. The Expanded Horizons sex clinic helps him admit his attraction to his business partner, and he goes after Nick with fierce determination. Nick Ross was in love with Daniel back in college. But Daniel was straight and Nick patched his broken heart by marrying Marcia. Neither of them is satisfied in the marriage anymore, but Nick's afraid of losing his kids. Can he trust his heart to an awakening Daniel and secure a happy future for everyone?

Souls Belated Aops Incorporated

Help your students to think critically and creatively through team-based problem solving instead of focusing on testing and outcomes. Professionals throughout the education system are recognizing that standardized testing is holding students back. Schools tend to view children as outcomes rather than as individuals who require guidance on thinking critically and creatively. *Awesome Math* focuses on team-based problem solving to teach discrete mathematics, a subject essential for success in the STEM careers of the future. Built on the increasingly popular growth mindset, this timely book emphasizes a problem-solving approach for developing the skills necessary to think critically, creatively, and collaboratively. In its current form, math education is a series of exercises: straightforward problems with easily-obtained answers. Problem solving, however, involves multiple creative approaches to solving meaningful and interesting problems. The authors, co-founders of the multi-layered educational organization *AwesomeMath*, have developed an innovative approach to teaching mathematics that will enable educators to: Move their students beyond the calculus trap to study the areas of mathematics most of them will need in the modern world Show students how problem solving will help them

achieve their educational and career goals and form lifelong communities of support and collaboration Encourage and reinforce curiosity, critical thinking, and creativity in their students Get students into the growth mindset, coach math teams, and make math fun again Create lesson plans built on problem based learning and identify and develop educational resources in their schools *Awesome Math: Teaching Mathematics with Problem Based Learning* is a must-have resource for general education teachers and math specialists in grades 6 to 12, and resource specialists, special education teachers, elementary educators, and other primary education professionals.

Finding It Picador

A rookie, his teammate, and his best friend from a rival team. What could possibly go wrong? Seattle Snowhawks rookie Justin Reid has it bad for his teammate Shawn Kelleher. It's just his luck that Shawn's got a crush too... on Justin's best friend, Vancouver Narwhal center Keith Adams. When Shawn lets it slip at the worst possible moment that he wants Keith, Justin is hurt, but what can he do? He steers Keith in Shawn's direction and lets chemistry do the rest. What Justin doesn't know is that while Keith is into Shawn, he's also secretly wanted Justin since forever. After some stumbling, they realize there's something very hot and very mutual going on between all three of them. It's fantasies coming true left, right, and center, and it just doesn't get any better than this. Except this scorching hot triad is anything but simple. Not while the closeted son of a hockey legend is fighting to make his own name in the shadow of his deeply homophobic father's legacy. Not in the midst of grueling schedules and a team's fraternization rules. Throw in pesky emotions showing up where they aren't wanted, and it's a play that's doomed from the start. Shawn, Keith, and Justin all fought their way into professional hockey. Is what they have together worth fighting for too? Or will fear let heartache win this game? *ASSIST* is book 2 of the *Pucks & Rainbows* series, and can be read as a standalone.

"...offer[s] a challenging exploration of problem solving mathematics and preparation for programs such as MATHCOUNTS and the American Mathematics Competition."--Back cover

This Time Together Dreamspinner Press

Wyoming Territory, 1870. Elijah Carter is afflicted. Most of the townsfolk of South Pass City treat him as a simpleton because he's deaf, but that's not his only problem. Something in Elijah runs contrary to nature and to God. Something that Elijah desperately tries to keep hidden. Harlan Crane, owner of the Empire saloon, knows Elijah for what he is--and for all the ungodly things he wants. But Crane isn't the only one. Grady Mullins desires Elijah too, but unlike Crane, he refuses to push the kid. When violence shatters Elijah's world, he is caught between two very different men and two devastating urges: revenge, and despair. In a boomtown teetering on the edge of a bust, Elijah must face what it means to be a man in control of his own destiny, and choose a course that might end his life . . . or truly begin it for the very first time.

Authentic Newborn Photography Waveland Press

SAVE ME A PLACE AT FOREST LAWN is a small but perceptive slice of the lives of two old women, Clara and Gertrude, as they lunch at a cafeteria and face the uncertain interval of life still remaining. Tired, lonely, and weary of it all, they meet daily to discuss their grandchildren, to recall their early life, and to contemplate death, which lurks outside the cafeteria. Yet theirs is a resignation touched with wisdom and humor. When one of the ladies reveals that she had an affair with the other's husband many years before, her friend concedes very casually that she had known about it all along. At the time she had concluded that no great harm would come of it and, besides, it seemed better to protect the friendship which might, in later years, relieve their final, mutual loneliness. -- Dramatists Play Service.
