Featuring all 29 pieces from the album Lang Lang Piano Book, this is a collection of the most significant pieces from Lang Lang's personal musical journey. It also includes exclusive photographs, comments from Lang Lang on every piece, and an edition of "Für Elise" annotated with Lang Lang's own performance notes. This is a book for all pianists to treasure and revisit again and again. Cased with sewn binding, marbled endpapers, page-finder ribbon, head and tail bands, and a removable belly-band.

When the World Stopped to Listen Courier Corporation

Title: Piano Concerto No. 1, Op. 23

Composer: Pyotr Ilyich Tchaikovsky

Original Publisher: Jurgenson The complete orchestral score to the final (1890) version of Tchaikovsky's Piano Concerto No. 1, the version normally performed, as originally published in the first edition by Jurgenson. Performer's Reprints are produced in

conjunction with the International Music Score Library Project. These are out of print or historical editions, which we clean, straighten, touch up, and digitally reprint. Due to the age of original documents, you may find occasional blemishes, damage, or skewing of print. While we do extensive cleaning and editing to improve the image quality, some items are not able to be repaired. A portion of each book sold is donated to small performing arts organizations to create jobs for performers and to encourage audience growth.

Tschaikowsky's Concerto Courier Corporation

There is a piano reduction of the orchestra parts.

Op. 37bis: Piano U of Minnesota Press

As it stands, only one arrangement of Tchaikovsky's Piano Concerto No. 1, Op. 23 orchestral reduction exists, which is by Tchaikovsky himself. A number of critical editions of the piece exist, but none of them cover the subject of the material within the orchestral reduction.

Tchaikovsky wrote the reduction from a compositional rather than a pianistic perspective, thus some passages present awkward technical challenges. The purpose of this dissertation is ultimately to contribute to the repertoire of accompanists by producing a new edition of Tchaikovsky's Piano Concerto No. 1. I created my arrangement through a process of practical trial and error as well as observing the strategies used by other arrangers of orchestral reductions.

Through a series of carefully selected omissions, note rearrangements, visual adjustments, and editorial changes, I simplified the reduction as a whole. I sought to improve the readability of the music by reducing accidentals as much as possible and also incorporating small-print cues into the main staves. Each minor adjustment or major revision contributes cumulatively to the ease of execution of the accompanimental part as a whole. Although Tchaikovsky's reduction is authentic and authoritative, a newly revised and simplified version would be useful for collaborative pianists. Thus, I have chosen to create an alternative version of Tchaikovsky's reduction, while still retaining as much of the original material as possible. This edition focuses solely on the collaborative pianist's part.

The Big Book of Classical Music (Songbook) Faber & Faber

Piano concerto no. 1 in B-flat minor, op. 23 Vintage

Music and Maestros was first published in 1952. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. Music lovers all over the United States as well as in other countries have heard the music of the Minneapolis Symphony Orchestra under the direction of such noted conductors as Dimitri Mitropoulos and Eugene Ormandy. Now

they can enjoy the story behind those concerts, records, and radio broadcasts through this intimate history of the men and music that have made the orchestra famous. The story begins with the lively musical activities of a frontier town, the antecedents of the symphony orchestra that took shape at the turn of the century. From the early years of the organization under the batons of Emil Oberhoffer and Henri Verbrugghen, the chronicle rises to the period of the great contemporaries, Ormandy, Mitropoulos, and Antal Dorati. There is a wealth of detail on the career of Mitropoulos, the renowned New York Philharmonic conductor who reached his present stature during his leadership of the Minneapolis orchestra. The extensive concert tours that have earned for the Minneapolis symphony the nickname of "orchestra on wheels" are recalled in anecdotes that will evoke many a chuckle and plenty of amazement. Accounts of early recording sessions offer fascinating sidelights on this aspect of musical history. A complete list of the works performed by the orchestra during the past fifty years provides a significant record of changing trends in musical tastes. A roster of all the

players who have been members of the orchestra is given, and the reference section also includes a complete list of out-of-town engagements and a list of the orchestra's recordings which are available.

The Story of the Minneapolis Symphony Orchestra Alfred Music Publishing

Possibly the 20th century's most performed and recorded piano concerto, this immensely popular work ranks among the first of Tchaikovsky's important compositions. This spirited full score made its public debut in Boston in 1875 — in 1891, with the composer conducting, it was the first concerto ever heard in Carnegie Hall.

Violin Concerto, Opus 35 in D Major Courier Corporation

Designed to supplement Alfred's Basic Adult Piano Course, but may also be used to supplement any piano course. Rich collections of popular folk and country songs, sing-along favorites, holiday songs and arrangements of well-known classics. Piano Concerto No. 1 in B Flat Minor, Opus 23, with 'Romeo and Juliet', Fantasy Overture Courier Corporation

Pëtr Il'ich Tchaikovsky: A Research and Information Guide is an annotated bibliography of substantial, relevant published resources relating to the Russian composer. Generally regarded as one of the most remarkable composers of the second half of the nineteenth century, Tchaikovsky is unique in that he was the first outstanding Russian composer to receive a professional musical education, being one of the first students to graduate from the newly opened St. Petersburg Conservatory. Composer of six symphonies, concertos, orchestral works, eight major operas, three ballets, and many chamber, keyboard and vocal works, he also composed important sacred music, which is currently being reassessed by contemporary Russian musicologists who are able to examine materials previously restricted or inaccessible during the Soviet period. Like his colleagues in St. Petersburg, Tchaikovsky was deeply interested in Russian folk song, which plays an important part in his works. This volume evaluates the major studies written about the composer, incorporating new information that has appeared in literary publications, articles and reviews.
