It all starts when Trey tells a fellow classmate that he will not help him cheat on his math test. Now Bobby is bullying Trey. Trey doesn't want to fight him, but feels lost about what to do. All of that is about to change when his friend, Jose, reminds him about a friendly police officer and his important message about bullies. Officer Griffin loves teaching boys and girls how to use their words, actions, and kindness to avoid fighting bullies. One day when Bobby is brought to the front of the classroom to work on a math problem he cannot solve, Trey comes to his rescue.

But is it enough to change Bobby's mind about how he feels about Trey or will he continue to bully him? In this poignant tale, a police officer teaches children how to use their words and kind gestures to transform the actions of bullies.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the

elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he

knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

For more than sixty years, Sterling A. Brown -- poet, folklorist, cultural critic, literary historian, teacher, and raconteur -- profoundly shaped the development of African American literary and cultural studies. A collection of new and exemplary writings, this volume represents an unprecedented effort to recover, reassess, and reassert Brown's enduring significance for contemporary scholars, students, and nonacademic readers. This engaging recuperative project is structured around four distinctive features: new and previously published essays that sum up contemporary approaches to the various genres of Brown's works; interviews with Brown and with his acquaintances and contemporaries; two discographies of source material that innovatively extend the study of Brown's acclaimed poetry; and an updated version of the most comprehensive bibliography of Brown's published writings. "After Winter" aptly demonstrates how Brown, in words from one of his familiar poems, continues to "just get hold of us dataway." -- From publisher's description.

The eighth wonder is the topic of the first poem and the theme for my first poetry book. I reveal in that poem what the eighth wonder is and its value to each person on earth. I don't want it revealed until they read that first poem, and hopefully, they will use that eighth wonder to find the other wonders of the world then read the rest of *The Eleventh Wonder* of

the World, exercising their eighth wonder. Poetry is so personal it is hard to convince readers to take the time to feel the words, not just read them. The eighth wonder of the world presents something we all possess and don't realize its value. So for this third book to resonate with the buyer/reader, a love of poetry will initially be the reason it sells. After that, it will be the value to each reader as they capitalize on the eighth wonder we all possess.
