Out of Time

Pan Australia
When Ellie
and six of her
friends return
home from a
camping trip
deep in the
bush, they
find things
hideously
wrong -- their
families gone,
houses empty

and
abandoned,
pets and stock
dead.

Gradually they
begin to
comprehend
that their
country has
been invaded
and everyone
in the town
has been
taken
prisoner. As
the horrible
reality of the
situation

becomes
evident they
have to make
a life-and-
death
decision: to
run back into
the bush and
hide, to give
themselves up
to be with
their families,
or to stay and
try to fight.
This reveting,
tautly-drawn
novel seems
at times to be

only a step away from today's headlines. <i>So Much to Tell You</i> Pan Australia The follow-up to the bestselling Tomorrow series BOOK 3 IN THE ELLIE CHRONICLES TRILOGY "Addictive reading" Sydney Morning Herald "Australia's king of young adult fiction" The Australian "Skilfully paced, brimming with well-rounded characters whom you can believe in" The Age You	jam on the brakes and stop the ute right at your front door. With

Tomorrow,

When the War

Began, John

Marsden

wrote the

most powerful

novel for

teenagers

ever published

in this

country. Now

he has written

the most

powerful non-

fiction work ever made available to young men. Where Steve Biddulph's bestselling *Raising Boys* talks to parents and teachers, *Secret Men's Business* talks to young men themselves, in the way that only John Marsden can. It sets out, in direct, honest language, the things every young man needs to know... And the things young men aren't being told. Young men who read this book will learn how to

be strong, how to be honest, how to confront their fears. They'll understand how to deal with men and women, parents and teachers, male friends and female friends. They'll get a sense of the integrity that every true man needs. They'll find ways to resolve problems without being destructive or self-destructive. They'll have their questions about sex answered... In clear,

straightforward language. As John Marsden says: "In one way all you have to do to become a man is to stay alive. Physically you'll grow into a man. But to become a man who is mature, independent, responsible and wise, you'll need to do more than just have birthdays." *The Dead of the Night* Pan Australia Hunting and being hunted. Sometimes life seems to offer nothing more than a chase

to the death. The fight to survive has never been fiercer. But as they wage war, Ellie and her friends still find time for other things: friendship... loyalty... even Christmas. If only they can withstand another night. The Night is for Hunting is the sixth volume in the award-winning Tomorrow series. *Tomorrow, When The War Began* Macmillan In the sequel to *Tomorrow, When the War* Began, six determined Australian teenagers struggle to find their missing friends while continuing to resist the enemies who have invaded their country. Tomorrow, When the War Began Houghton Mifflin Harcourt From John Marsden, the highly-acclaimed and bestselling author of *Secret Men's Business*, comes a practical guide to help single mothers enjoy and celebrate raising their sons. Drawing on his years as teacher and mentor to young people, John Marsden follows the child from baby to young man and identifies 101 important steps in fostering a boy's developing masculinity. Written with humour and compassion, John understands what it means to be a boy and how to help a boy grow into a well-adjusted man. RECENT STATISTICS from the

Australian Bureau of Statistics: - Out of Australia's 4.6 million children aged under eighteen, 1.1 million children live with only one of their natural parents, usually as a result of relationship or marriage breakdown. - The vast majority of children, who had a natural parent living elsewhere, were in the sole care of the parent with whom they lived, while 3 per

cent of children had parents who shared care more evenly between them. - In April 1997, there were 978,000 Australian children who were living with one natural parent and who had a natural parent living elsewhere. The vast majority (88%) lived with their natural mother in either one-parent families (68%) or in step or blended families (20%).

Packed full of action and high-drama, John Marsden delivers another fast-paced adventure that will thrill old fans and new readers alike. "I held my line. I knew from the war, if not from shooting rabbits, that we were safe enough for the first moments. It is too impossible to hit a target like us from a helicopter that's rocking and rolling and trying to find its target. But maybe this guy had new

equipment or maybe he was a brilliant shot or maybe he was just plain lucky. Bullet holes tore through the ute like a huge metal-punch was suddenly and roughly slamming a simultaneous line of them from our rear to our front." Ellie has struggled to put the war behind her and lead a normal life. Although what's normal about your parents having been murdered; trying to run a farm and go to

school; and bringing up a young boy who's hiding terrible secrets about his past? Fans of Veronica Roth, Suzanne Collins and John Flanagan will love John Marsden.
