## **TYRESE REILLY**

Intermediate : Student's Book & Workbook Oxford University Press  
 American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice.  
 language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as

Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

### **An Integrated Skills Course for EAP** OUP Oxford

This is a unique book that covers innovative grammar teaching approaches and techniques for a modern generation of EFL/ESL students. It juxtaposes traditional grammar teaching methods with newer ones, and reveals the advantages and disadvantages of each. Moreover, it provides free and controlled grammar activities which offer instructors an ample variety of tasks that facilitate EFL/ESL teachers' work to practice certain grammatical patterns.

Keynote Advanced Oxford University Press

Bringing together ten leading researchers in the field of deliberative democracy, this important book examines the features of a Deliberative Mini-Public (DMP) and considers how

DMPs link into democratic systems. It examines the core design features of DMPs and their role in the broader policy process and takes stock of the characteristics that distinguish them from other forms of citizen participation. In doing so, the book offers valuable insights into the contributions that DMPs can make not only to the policy process, but also to the broader agenda of revitalising democracy in contemporary times.

A guide to becoming a teacher in ELT/TESOL Cambridge Scholars Publishing

English File's unique, lively and enjoyable lessons are renowned for getting students talking. Advanced Plus is for higher-level students who want to push the boundaries of their English learning. Advanced Plus is a genuine step-up from the Advanced level, providing students with new, more challenging input with a focus on concepts such as finer shades of meaning, using language flexibly, more abstract and complex topics and an appreciation of humour. This Advanced Plus Student's Book with Online Practice is suitable for CEFR language level C1+. Key Features: Relevant, entertaining and authentic content with a clear structure that challenges students. Video listening activity is integrated in to each even-numbered File. These short documentaries and dramas make class time more dynamic and exciting. The conversation feature allows students to observe authentic, unscripted conversations in English and learn and practise features of natural conversation to express their own ideas. Advanced Plus helps students develop relevant skills for higher-level exams, including practice activities in the Revise and Check sections and exams skills development in Writing sections. Further skills development available in 'Use of English' activities in the Workbook and on Online Practice. Online Practice provides students with learning tools and longer listening and reading texts to further challenge them at this level outside of class. Teacher's Resource Centre allows teachers to manage all English File resources and teaching materials in one place online. Classroom Presentation Tool shows the course content on screen, with interactive features making it easier than ever for teachers to deliver heads-up, engaging lessons.

Springer Nature

"A popular guide for teachers, providing a comprehensive and useful introduction to the principles and practice of teaching English as a foreign/second language"--

Second language phonology is approached in this book from the perspective of data-based studies into the English sound system as used by native and non-native speakers of the language. The book offers a unique combination of psycholinguistic, sociolinguistic and pedagogical approaches, with individual contributions investigating the effect of selected conditioning factors on the pronunciation of English. With all the richness of approaches, it is a strong phonetic background that unifies individual contributions to the volume. Thus, the book contains a large body of original, primary research which will be of interest to experienced scientist, practitioners and lecturers as well as graduate students planning to embark on empirical methods of investigating the nature of the sound system

New Cambridge Advanced English is the revised and updated edition of the popular Cambridge Advanced English. The course has been completely redesigned in full colour and its stimulating reading and listening extracts have been supplemented with new authentic reading texts and interviews. Theme units, providing practice in spoken and written fluency, alternate with language units which develop accuracy in grammar, vocabulary, functions and pronunciation. In addition, New Cambridge Advanced English now contains exam-style exercises designed specifically to prepare candidates for the Cambridge CAE exam. The approach to the exam is low-key, however, with guidance and notes on exam-style exercises given in the Teacher's Book only. When used in conjunction with CAE Practice Tests, New Cambridge Advanced English makes the ideal preparation for the exam, and is especially suitable for mixed classes of exam candidates and non-candidates.

Reinvent your organization for the hybrid age. Hybrid work is here to stay—but what will it look like at your company?

Organizations that mandate rigid, prepandemic policies of five days a week at the traditional, co-located office may risk a mass exodus of talent. But designing a hybrid office that furthers your business goals while staying true to your culture will require experimentation and rigorous planning. *Hybrid Workplace: The Insights You Need* from Harvard Business Review will help you adopt technological, cultural, and management practices that will let you seize the benefits and avoid the pitfalls of the hybrid age. Business is changing. Will you adapt or be left behind? Get up to speed and deepen your understanding of the topics that are shaping your company's future with the *Insights You Need* from Harvard Business Review series. Featuring HBR's smartest thinking on fast-moving issues—blockchain, cybersecurity, AI, and more—each book provides the foundational introduction and practical case studies your organization needs to compete today and collects the best research, interviews, and analysis to get it ready for tomorrow. You can't afford to ignore how these issues will transform the landscape of business and society. The *Insights You Need* series will help you grasp these critical ideas—and prepare you and your company for the future.

**A Teacher's Guide** Oxford University Press

A three-level (B1+ to C1) integrated skills course for higher education students at university or on foundation courses. The C1 Advanced Student's Book consolidates academic study skills. Students' analytical skills are challenged with an increased range of authentic written and spoken academic texts. From essay organisation, taking notes, group discussion to writing references and paraphrasing texts, the students are presented with a wealth of practice opportunities to enhance all academic skills at this level. The course further develops independent learning skills and critical thinking through 'Study tips' sections and allows for personalisation of learning in the 'Focus on your subject' sections.

Lecture and seminar skills units provide authentic practice in listening to lectures and participating in seminars.

Pronunciation plays a crucial role in learning English as an international language, yet often remains marginalised by educators due to a lack of required phonetic and phonological knowledge. Pronunciation for English as an International Language bridges the gap between phonetics, phonology and pronunciation and provides the reader with a research based guide on how best to teach the English language. The book follows an easy to follow format which ensures the reader will have a comprehensive grasp of each given topic by the end of the chapter. Key ideas explored include:

- Articulation of English speech sounds and basic transcription
- Connected speech processes
- Current issues in English language pronunciation teaching
- Multimedia in English language pronunciation practice
- Using speech analysis to investigate pronunciation features

Using the latest research, Pronunciation for English as an International Language will facilitate effective teaching and learning for any individual involved in teaching English as a second, foreign or international language.

Class Audio CDs National Geographic Society

English Pronunciation Instruction: Research-based insights presents recent research on L2 English pronunciation including pedagogical implications and applications, and seeks to bridge the gulf between pronunciation research and teaching practice. The volume's 15 chapters cover a range of aspects that are central to pronunciation teaching, including the teaching of different segmental and suprasegmental features, teachers' and learners' views and practices, types and sources of learners' errors, feedback and assessment, tools and strategies for pronunciation instruction, reactions towards accented speech, as well as the connection between research and teaching. Chapters offer a fully developed section on pedagogical implications with insightful suggestions for classroom instruction. This format and the variety of topics will be informative for researchers, language teachers, and students interested in English pronunciation, as it explores the diverse challenges learners of different L1 backgrounds face, and also provides research-informed techniques and recommendations on how to cope with them.
