JOSEPH BRIGHT

An Explorer's Guide Little Brown & Company

A charming story about a blossoming friendship between a bear with an itch and a well-meaning beaver who wants to help. When Bear wakes up from his winter sleep, he discovers an itch. And not just any itch - an unBEARable Grizzly Itch! But when he gets to his favourite scratching tree, it suddenly crashes to the ground. It turns out Beaver likes trees too. Thankfully, Beaver knows lots of other trees, and promises to help Bear find a new one. But Bear's itch is getting more grizzly by the minute, and none of the trees Beaver show him are quite right. Maybe it's not a tree Bear needs, after all? A gorgeous debut by author-illustrator Victoria

Cassanell, *The Grizzly Itch* is an endearing, funny tale of two animals and their journey of discovery, perfect for teaching children how to navigate first friendships.

Five Little Easter Bunnies Christian Baloga

"Brings to life—with real heart, history and technique—an astonishing look at the legacy of Spain's flavorful meats." —José Andrés, 2011 "Outstanding Chef," James Beard Foundation
Charcutería: The Soul of Spain is the first book to introduce authentic Spanish butchering and meat-curing techniques to the American market. Included are more than 100 traditional Spanish recipes, straightforward illustrations providing easy-to-follow steps for amateur and professional butchers, and gorgeous full-color photography of savory dishes, Iberian countrysides, and centuries-old Spanish cityscapes. Author Jeffrey Weiss has written an entertaining,

extravagantly detailed guide on Spain's unique cuisine and its history of charcutería, which is deservedly becoming more celebrated on the global stage. While Spain stands porky cheek-to-jowl with other great cured-meat-producing nations like Italy and France, the charcuterie traditions of Spain are perhaps the least understood of this trifecta. Americans have most likely never tasted the sheer eye-rolling deliciousness that is cured Spanish meats: chorizo, the garlic-and-pimentón-spiked ambassador of Spanish cuisine; morcilla, the family of blood sausages flavoring regional cuisine from Barcelona to Badajoz; and jamón, the acorn-scented, modern-day crown jewel of Spain's charcutería legacy. *Charcutería: The Soul of Spain* is a collection of delicious recipes, uproarious anecdotes, and time-honored Spanish culinary traditions. The author has amassed years

of experience working with the cured meat traditions of Spain, and this book will surely become a standard guide for both professional and home cooks. "A lovely, loving, fascinating, and, most all, useful book all lovers of the craft should be grateful for." —Michael Ruhlman, James Beard Award-winning author of *Ruhlman's Twenty Cute & Clever Totes* Disney Electronic Content

NORWEGIAN FOLK TALES were collected and published in the mid 19th century by Peter Christian Asbjørnsen (1812-1885) and Jørgen Moe (1813-1882). The folk tales were early on illustrated by our leading artists, and contributed to the development of a national identity. The book contains 20 of the most wellknown folk tales, such as: White-Bear-King-Valemon, Little Freddie and his Fiddle, The Seventh Father of the House, The Princess who Always had to have the Last Word. NORWEGIAN HERITAGE is a series of books about our most important and best-known national icons. The respective titles introduce major personalities from the worlds of art and literature, science and sports, but also the many natural wonders of the country, as well as significant historical periods and cultural expressions. Each book offers an updated introduction to readers who wish to familiarize themselves with a given subject.

A cozy Nativity story for those who love Christmas and cats. All babies are beautiful and all babies cry. Jesus was no exception. On the night he was born, nothing Mary, Joseph, or the animals in the stable could do would comfort him. But when a curious kitten wanted its turn to calm the baby Jesus, a loving friendship blossomed on that very first Christmas. This perfect read-aloud was inspired by Leonardo da Vinci's drawings of La Madonna del Gatto, which show Mary lovingly holding the baby Jesus who is cuddling a cat.
