MORROW YOSEF

Percy Penguin Silver Dolphin Books
All the penguins were perfect, apart from Percy. The other penguins all think Percy is a bit of a nuisance. This engaging story about a group of penguins explores themes of friendship and accepting each other's differences. Designed to spark a love of reading, Reading Gems is a supplementary reading programme that supports a child's learning at school. Featuring original stories, delightful

characters and humorous illustrations, it is graded into four levels to perfectly suit a child's reading ability from an emerging reader to a confident, independent reader. Parents and teachers can be reassured that children are reading books that support their ability, challenge their reading skills and encourage reading confidence with every word on the page. With comprehension activities and extra discussion topics to cement learning these books are loved by both children and parents and are perfect for supporting learning at school.

If You Were a Penguin Penguin Longman
Tessa Maclean never wanted to come to Seagull Island. Her father's new wife, Sheena is expecting a baby. Tessa feels angry and unhappy. But then Sheena has an accident, and Tessa must take the boat across to Inverkeld to fetch a doctor. Will she get there through the storm? Includes activities. Suggested level: primary.

Ten Years of Penguins Penguin Books
Curious about what fall is like in places that are not always white, Penguin and his friends fly to a pumpkin farm and bring back a surprise for Penguin's brother,

Pumpkin, who couldn't come with them.

Penguin Penguin

Penguin embarks on his next journey-- becoming the first penguin to explore the North Pole! Along the way, he says hello to all of his old friends. But when he finally reaches his destination, he realizes he's all alone in a strange, foreign place How will Penguin overcome his fears of the unknown and enjoy this new adventure? Countless readers and reviewers have already come to love the adorable Penguin, and Salina Yoon continues to expand this still-growing series with a timeless story of firsts and friendship. And Penguin is sure to find even more fans in board--the format is the perfect fit for Salina's sweet art and simple text.

Penguin Readers Level 2: Gentlemen Prefer Blondes Penguin Longman

The new Penguin readers are a collection of contemporary, classic and original stories that have been carefully selected to appeal to young readers.

Penguin Rescue Penguin Group Australia
This uplifting, charmingly told story, tells what happens when well-meaning humans knit sweaters for penguins who've encountered an oil spill. You may have

seen the cute pictures of penguins wearing sweaters--but did you know why they were wearing them? Debut author Marikka Tamura answers this question in this colorful, kid-friendly book that is told simply and charmingly. Penguins love the sea. Happy in the dark blue water. But what is this? One day something is floating in the water. Dark. Goopy. Oily . . . When the penguins become coated in an oil spill, many Big Boots arrive. The humans want to help the cold, greasy penguins, so they knit sweaters to keep them warm. The Big Boots mean well, but . . . penguins don't wear sweaters! So after a good, soapy scrub, the penguins dive back into the deep blue sea, happily dressed only in their own penguin feathers.

Rosa Raye, Crime Reporter Signet

In his beloved Burgundy, Chief Inspector Pel finds himself incensed by interference from Paris, but it isn't the flocking descent of rival policemen that makes Pel's blood boil - crimes are being committed by violent gangs from Paris and Marseilles. Pel unravels the riddle of the robbery on the road to Dijon airport as well as the mysterious shootings in an iron foundry. If that weren't enough, the Chief Inspector

must deal with the misadventures of the delightfully handsome Sergeant Misset and his red-haired lover. The Green Popular Penguins Story It was in 1935 when Allen Lane stood on a British railway platform looking for something good to read on his journey. His choice was limited to popular magazines and poor quality paperbacks. Lane's disappointment at the range of books available led him to found a company – and change the world. In 1935 the Penguin was born, but it took until the late 1940s for the Crime and Mystery series to emerge. The genre thrived in the post-war austerity of the 1940s, and reached heights of popularity by the 1960s. Suspense, compelling plots and captivating characters ensure that once again you need look no further than the Penguin logo for the scene of the perfect crime.

Penguin Readers Library Set Reading Gems

A charming picture book telling the imagined story of a penguin who waddled his way into history as the symbol of a beloved publisher, timed to the 80th anniversary of Penguin Books. In *The Journey of the Penguin*, award-winning graphic artist Emiliano Ponzi delivers a boldly illustrated, wildly imaginative, and terrifically fun story that brings to life the 'dignified yet flippant' bird that Allen Lane chose as the image of his revolutionary publishing company. This penguin goes on an adventure that takes him on to New York and into the hearts of readers everywhere.
