 "Mia's whirlwind journey is a refreshing mix of adventure, soul-searching, and steaming hot physical intensity that packs an emotional punch." -Meredith Wild, #1 NYT Bestselling Author of the Hacker Series
 Synopsis Pretending. I've always been good at pretending. Being someone else is easy, and that ability has served me well these last seven months. This time, I've been hired to be the long lost sister of oil tycoon, and down to earth cowboy, Maxwell Cunningham. Recently, Maxwell's father passed away and in his last Will and Testament he dropped a bomb no one saw coming. One of the richest men in the world,

left forty-nine percent of his company to a sister my client never knew he had. A woman named Mia Saunders. Maxwell has a year to find this sister or he loses almost half of his empire to a greedy board of investors. Somehow, he found me and here I am. Sharing in family dinners, pretending to be someone I'm not and fooling bigwigs left and right. Only I'm finding myself falling in love with a family I can never have. One that will hurt to leave. Stetsons, soul-searching, and sisterly duty all come into a sharp tangle with twists and turns I never saw coming. *** In the eighth book of the *Calendar Girl* serial, Mia is sent to Dallas, Texas. Still on her mission to save her father, she is hired to be the long lost sister of Maxwell Cunningham, one of the newly richest men in America. Each installment in the *Calendar Girl* Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. -Meredith Wild, #1 NYT Bestselling Author
 Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. *** Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in

a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content. A Novel! Ballantine Books From the #1 bestselling author of the beloved Calendar Girl books comes the first in a witty, wise and emotionally compelling new series, where coming home is just the beginning... "Fly free." For ten years those words, written on pink parchment paper in her mother's beautiful handwriting, have been Suda Kaye Ross's guiding star. Every year on her birthday, Suda Kaye opens another of the

letters her mother penned before she passed, heeding the advice inside as she fills her life with experiences. From Italy to Australia, from Rio to Russia, she's slaked her wanderlust. And then, on her twenty-eighth birthday, she opens the letter that sends her home. Returning to Colorado means confronting everything—and everyone—she left behind, including her cherished sister, Evie, and her first love, Camden Bryant. Suda Kaye and Cam spent four years and one unforgettable night together. Given the way she ran out on him, it's no surprise that he's wary, resentful...and engaged to someone else. Evie, hardworking and überresponsible, just wants her sister to put down roots at last. For Evie's sake, and her own, Suda Kaye is trying to build a new life, all the while wondering whether it's too late to come back home—or if the most important part of her never really left. Don't miss *On the Sweet Side*, the next book in Audrey Carlan's *The Wish* series! With the emotional pull of Susan Wiggs' and Robyn Carr's engaging family dramas, *On the*

Sweet Side is a sassy and emotional strangers-to-sisters story about the enduring power of family—both the one you're born with and the one you choose.

March, USA Today Bestselling Author Synopsis Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty

really does come in all sizes. Each installment in the Calendar Girl Serial will release every month throughout 2015. Is it possible to find your happily ever after if the past keeps coming back to haunt you? It took three years, but Rain and Chase finally exchanged vows on a sandy beach as the sun rose over the Atlantic Ocean. Happiness was theirs. But when jealousy and indiscretion threaten to unravel their tightly knit union, Rain finds herself fighting an elusive adversary-and losing. At first blinded by love, Chase begins to encounter triggers that set him up for a fall. Opening his eyes to the

truth is painful, but if he's to survive, it's his only option. Even if it hurts like hell. And then let it lead you home. *Mrs. February* is the dramatic conclusion to the *Calendar Girl* duet. *What the Heart Wants* Meredith Wild Editorial Reviews "Fresh, fun, and unbelievably hot, Audrey Carlan's *Calendar Girl* series will have you falling in love over and over again and craving the next installment." -Meredith Wild, #1 NYT Bestselling Author "Sinfully delicious from start to finish! Lotus House Book 2 Bold Strokes Books Inc

Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a

Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by

additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other

a two year cycle. Calendar Girl Book 11 Waterhouse Press LLC Stand-up comic Maggie has fallen for "the girl with the Kelly McGillis body", a mysterious woman who can't commit herself. Meanwhile, South London detective Saz is hot on the trail of a woman known only as "September", who commutes between London and New York in a whirlwind of drug smuggling, gambling, and high-class prostitution. A murder brings Saz and Maggie and their respective mysteries together. Smart and sexy, Calendar Girl is a thriller high on attitude and eroticism.
