You've been lifting for a few years. When you take your shirt off, do you look like a professional athlete? Do you even look like you work out? Many fitness "experts" defend weights and cardio like

they are infallible, but where are the results? Why does almost nobody look even marginally athletic? Fitness may be the most failed human endeavor, and you are about to see how exercise science has missed some obvious principles that when enacted will turn you into the superhuman you always wanted to be. In *Weight Lifting is a Waste of Time*, Dr. John Jaquish and Henry Alkire explore the science that supports this argument and lay out a superior strength training approach that has been seen to put 20 pounds of muscle on drug-free, experienced lifters (i.e., not beginners) in six months.

Hunters of the Gods: Power of Their Mate Springer

[Siren LoveXtreme Forever: Erotic Menage Romance, M/F/M/M/M/M, light BDSM, spanking, HEA] Aspen Brooks is a fighter, a survivor set out to destroy the nightmares from her past by being a workaholic and dominating the business field. But she can't seem to put the past behind her, especially once she figures out who was responsible. These are bad men. Russian mobsters who rule the streets and the businesses she's involved in. As she initiates her attack against the Russian mob boss, she also draws the attention of five retired Navy Seals, who are friends with her brother and always seem to show up wherever she is. They're made men, too. She is

completely attracted to them. But ignores it because she feels she's incapable of love. As business deals turn awry, her sneaky maneuvering hits the Russian mob boss where it hurts, in his wallet. Aspen must decide between seeking that ultimate revenge and compromising true love, or embracing her destiny and with it her true identity and a family tie far more dangerous than the man she's set out to destroy. Note: This book contains excessive violence against the heroine by a villain. ** A Siren Erotic Romance

More than 20 years ago, Jeffrey Alan Schechter arrived in Hollywood with the dream of making it as a screenwriter. His dedication — not just to writing, but to learning what makes a good story — paid off and Jeff became a million-dollar screenwriter, story doctor, and rewrite artist. *My Story Can Beat Up Your Story* is the same powerful, easy-to-learn system that industry insiders have used to generate millions of dollars in script sales and assignments. In a clear, step-

by-step fashion, this book is a fun, eye-opening, brain-expanding, and often irreverent guide to writing stories that sell. Covering everything from Heroes to Villains, from Theme to Plot Points, from cooking up good ideas to a business plan for smart writers, this book forever eliminates that horrible feeling every writer goes through — staring at the blank page and wondering "what comes next?"

Fourteen-year-old Rooney loves hip-hop almost as much as she loves her grandmother. She cannot wait to compete in her school's dance competition. But as her grandmother's health deteriorates, Rooney becomes more and more reluctant to visit her in

the care home. These feelings of guilt and frustration cause Rooney to mess things up with her hip-hop dance partner and best friend, Kira. But while doing some volunteer hours in the hospital geriatric ward, Rooney meets an active senior recovering from a bad fall.
