This step-by-step manga art course for beginners makes it simple to learn the creative techniques

behind the most popular Japanese comic style. One hundred and forty color illustrations, plus easy-to-follow directions, are divided into three sections: basic tutorials; how to turn raw ideas into finished comics; and projects from the masters, with exhaustive detail on producing professional-grade artwork. Draw Manga covers not only traditional media such as colored markers, pencils, and watercolors, but also computer-generated manga. And there's advice on special techniques for drawing the distinctive eyes and hairstyles that are the genre's hallmark, as well as on character creation, developing a first sketch, using color and motion, sequencing, pacing, and more.

It's THE book on manga from YouTube's most popular art instruction Guru! There's more to manga than big, shiny eyes and funky hair. In these action-packed pages, graphic novelist Mark Crilley shows you step-by-step how to achieve an authentic manga style—from drawing faces and figures to laying out awesome, high-drama spreads. You'll learn how a few basic lines will help you place facial features in their proper locations and simple tricks for getting body proportions right. Plus, you'll find inspiration for infusing your work with expression, attitude and action. This is the book fans have been requesting for years, packed with expert tips on everything from hairstyles and clothing to word bubbles and sound effects, delivered in the same friendly, easy-to-follow style that has made Mark Crilley one of the "25 Most Subscribed to Gurus on YouTube." Take this opportunity to turn the characters and stories in your head into professional-quality art on the page! Packed with everything you need to make your first (or your best-ever) manga stories! • 30 step-by-step demonstrations showing how to draw faces and figures for a variety of ages and body types • Inspirational galleries featuring 101 eyes, 50 ways to draw hands, 40 hairstyles, 12 common expressions, 30 classic poses and more! • Tutorials to create a variety of realistic settings • Advanced lessons on backgrounds, inking, sequencing and layout options

Mastering Manga with Mark Crilley Sterling Children's Books

How to draw in a nutshell - by popular pencil artist Jasmina Susak. This book is about drawing for beginners, and it is helpful to those interested in developing basic knowledge and skills. It is concise, clear, very easy to understand, and well-written in a friendly way filled with encouragement and complemented with a lot of illustrations. This book features verbal and visual explanations which make the learning much easier and with better results. The author contends that drawing and shading are skills that anyone can develop through patience, and a lot of time spent practicing your drawing even with little to no special talent for it. Why should you choose this book over the hundred others of the same topic? Because the author will teach you to draw realistic, lifelike drawings, and to give life to your drawings, instead of making flat, lifeless drawings. Because the author is a self-taught artist who can tell you about her own experience and what she has gone through--instead of repeating the curriculum that she would have learned in school, if she had attended any art school. Because the author won't tell you "Add some shading" that you can read in plenty of how-to-draw books by other authors, but she will explain to you in detail how to do it and how she does it with no further questions. Because through this book, you won't just learn how to draw a cube or cylinder that no one needs, but the things that you will want to draw for yourself or for the people around you: animals, human faces, every day objects, 3D drawings and more. Because the author will explain to you what she has realized through her years spent on drawing, so that you don't have to think about how to do something, but immediately to start doing it; saving you time on studying and searching for the answers on the Internet. Because the author will encourage you to keep on drawing and inspire you, so that you will never want to stop doing it. In this book you will find a lot of tips and tricks to kick-start your artwork and help you to achieve stunning results. Enjoy learning!

Do you want to release stress, enjoy yourself and get creative at the same time? Cute & Easy Kawaii Colouring Book helps you do just that! Cute and Easy Kawaii features 30 easy illustrations with adorable characters drawn in Japanese kawaii style. Kawaii means 'cute' or 'lovable' in Japanese, and the characters you'll meet in these pages are both - so they're sure to bring a smile to your face! Is This Book For You? If you love super cute, happy designs - yes! These easy colouring pages are great for beginners, as well as kids, tweens, teens, and adults who like to colour drawings that aren't too detailed. If you're an experienced colourist, you can apply your skills and stretch your creativity by using the larger spaces for blending, shading and patterning, to create unique works of art. In this book you'll find popular kawaii cuties such as purrmaids, a llamacorn, narwhal, unicorn and skull ice cream cones, as well as cute food and drinks, animals such as cats, birds, sloths, butterflies and dinosaurs, Christmas, Halloween, Easter, flowers, space and more. What Will You Get? 30 fun cartoon illustrations Easy difficulty level Single-sided printing so you don't need to worry about bleed-through High resolution images on white paper All original, hand-drawn artwork by L.J. Knight - no stock images Page size is 8.5 x 11 inches (approx. 22 x 28cm) You can preview all 30 designs in this book on the author's website - for the URL, see the 'More about the author' section further down the page. The pages aren't perforated, but you can remove them easily and cleanly using a craft knife. Each design has a white margin so you don't have to colour to the edge, and there's space if you like to frame your finished pieces The drawings are printed on one side of the paper only, so bleed-through isn't an issue. To be extra-safe, you can protect the image underneath the page you're colouring with a sheet of scrap paper. There's a blank page at the back of the book for this, and for colour testing. Cute and Easy Kawaii is the 14th title in the LJK Colouring Books series. Check out the whole series for a range of unique colouring pages for children and adults, with new books on the way. They make great gift ideas for friends and family who love to colour too! Are you ready for hours of relaxation and enjoyment as you bring these lovable kawaii characters to life? Have fun and happy colouring!
