(Vocal Collection). The G. Schirmer Opera Anthology series revolutionized opera aria study after its release in 1991. There are so many wonderful soprano arias that a second volume was warranted. The music is predominantly for lyric soprano. As in the original volumes, these are new, clean editions, with historical and plot information about each of the 32 arias included.

Music in Print Annual Supplement Musicdata Incorporated ALTO SAXOPHONE PART Curated by saxophonist Alan Theisen, this collection of 16 works for alto saxophone (7 unaccompanied, 9 with piano) is ideal for active performers looking for exciting new repertoire, saxophone teachers searching for fresh contemporary works for their studios, or student performers seeking out unique and culturally-relevant new works to fulfill 21st century repertoire requirements. These pieces, which were composed exclusively in the 21st century, represent a broad range of compositional styles from composers living and writing today, and were curated for intermediate through advanced players. Many of the pieces in this volume are excerpted from larger works, available directly from the composers. Including works by: Stephanie Ann Boyd, Wes Flinn, George N. Gianopoulos, Anthony R. Green, Chia-Yu hsu, Lori Laitman, Quinn Mason, Aaron Jay Myers, Garrett Shatzer, Clare Shore, Aleksander Sternfeld-Dunn, Alan Theisen, Cassie Wieland, Chelsea Williamson, Tetsuya Yamamoto, and Roger Zare. The NewMusicShelf Anthologies of New Music are a bold, new publishing initiative aimed at bringing new and unknown composers and repertoire to student and

professional performers alike. With an emphasis on works not found in the traditional publishing ecosystem, each volume is curated by performers who have a reputation for championing new music, with an eye toward selecting works with a range of styles and difficulties that are suitable for concert and recital performance. With this innovative mode of publishing, NewMusicShelf advocates for self-published composers in a way previously unheard of in the realm of classical music: all self-published composers retain full ownership of their work while earning a generous royalty on every sale. Your support of this project directly benefits these composers, and also helps NewMusicShelf to continue to promote the works of the many excellent composers writing today. We encourage you to explore these composers' catalogs in greater depth, and hope that these works inspire many fruitful and rewarding collaborations!

And then to travel the world, singing in historic theaters from La Scala in Milan to Vienna, Paris, London, and beyond? Former Met star Sherrill Milnes tells all in this completely updated, first-time-in-paperback edition of his very successful biography.

The unforgettable saga of Jim Thompson, America's longest-held prisoner of war is a heartbreaking story of courage, and resilience in the wake of unthinkable torture in Northern Vietnam. Tom Philpott, a military historian and journalist, combines oral history and historical research to interlace Thompson's wrenching experience as a POW with the trials of his wife Alyce, who lived for nine years with the uncertainty of her husband's fate. Upon his release, Thompson's troubles only multiplied as his family endured the fallout of severe alcoholism, adultery, teen pregnancy and a murder charge against Thompson's son. Based on extensive interviews with Thompson, his family, and dozens of people close to him from various stages of his life, *Glory Denied* is an epic work about the far-reaching implications of one man's sacrifice and the larger story of a generation ravaged by the

effects of the Vietnam War.
