Sonia Gandhi
was born in
Orbassano-a
small town in

Italy near
Turin on 9th of
December
1946. She was
full of life and
a bubbly
youngster who
wanted to be
a teacher. She
met Rajiv
Gandhi when
she was
studying in
London. Both
developed an
instant liking
for each other
which resulted
in marriage
and Sonia
became a
member of
Gandhi family.
This
introduced her
to politics in
the later stage
of her life and

made her the top politician of the biggest democracy in the world. But after reaching on top the way she refused the top post, that of a Prime Minister, made her the best amongst such politicians who are in politics merely for their lust for posts and power. So what if she could not become a teacher she has definitely given a teaching to Indian politics. Sonia Gandhi Mittal Publications

The Coalition Years begins its journey in 1996 and explores the highs and lows that characterized sixteen years of one of the most tumultuous periods in the nation's political history. It is an insightful account of the larger governance phenomenon in India-coalition politics-as seen through the eyes of one of the chief architects of the post-Congress era of Indian

politics. *The Red Sari* Hachette India Articles on the life and work of Sonia Gandhi, b. 1946, as a politician from India, and leader, Indian National Congress, since 1997. Rahul Academic Foundation Sonia Gandhi, b. 1946, President of Indian National Congress. *Sonia Gandhi* Penguin Books India Tavleen Singh's acclaimed and bestselling memoir begins in the

summer of 1975 when, not yet twenty-five, she started working as a junior reporter in the Statesman in New Delhi. Within five weeks, Prime Minister Indira Gandhi declared the Emergency, and soon reckless policies said to be authored by her younger son were unleashed on India's citizens. In 1984, following Indira Gandhi's assassination, Rajiv Gandhi

became Prime Minister, fortified by a huge mandate from a nation desperate for change. But, belying its hopes, the young leader chose for himself a group of advisors, friends and acolytes just as unaware as him of the ground realities of a complex nation. It was the beginning of a political culture of favouritism and ineptitude that would take hold at the highest levels of government,

stunting India's ambitions and frustrating its people for years to come. A sharp account of these turbulent years, Durbar describes the Nehruvian era of Singh's childhood, the Emergency of her youth and the political shifts that followed, bringing with them insurgencies, massacres, and crises internal and external. This remarkable memoir, vivid with the colour of election

campaigns and society dinners, low conspiracies and high corruption, reminds us of this truth: that if India is to achieve a better future, the past cannot be ignored or forgotten.

Martin's Press
Rajiv,
authored by
Sonia Gandhi
in 1992, the
year after her
husband's
assassination,
was a portrait
of him in the
full current of
his life. This
book is a
portrait of him
too - but with
a difference. It
is one of
which in a
sense he is
the author,
since it is
entirely
composed of
his
photographs.
Rajiv Gandhi,
India's
youngest-ever
Prime
Minister, was
known world-
wide for his

qualities of
leadership and
his personal
charisma.
However, until
the
publication of
Rajiv, in which
some of his
photographs
appeared for
the first time,
few were
aware that he
was also an
accomplished
photographer.
In this volume,
Sonia Gandhi
offers a wider
selection of
his
photographs.
Her brief but
informative
introduction
explains his
photography
in context and
discloses the
significance it
held for him.

The photographs in the book, most of which have never been published before, span almost four decades, from his childhood to his last year in office. They have been grouped under the broad themes of family, nature and people. Within these categories are presented entrancing landscapes, minutely observed particulars of nature, abstract studies and fascinating family

vignettes. *Sonia Gandhi* Simon and Schuster In the year 1965, Sonia Maino, a 19-year-old Italian student met a young Indian boy, Rajiv Gandhi, while they were both studying in Cambridge. She was born into a modest family in suburban Turin, where her father was a strict man who kept a close eye on his three daughters. Much to his chagrin, his painfully-shy middle daughter, of

whom he was especially protective, fell in love with a man belonging the most powerful family in India. This marked the beginning of a story unlike any other - of a carefree Italian girl who was compelled to take on the murky world of rajneeti. With information sourced from close friends and colleagues, this book examines how Sonias courage, honesty and dedication

have made her a leader in the eyes of one-sixth of humanity. From her idyllic childhood to her passionate love affair and from her days as a docile daughter-in-law to her current status of being the only Indian politician to have refused prime ministership.

Sonia Gandhi Gyan Publishing House Sonia Gandhi: The Power Part I is a book I have pleasure in presenting to the curious reader/s and the critics I hope who respect the power in what I love to believe is a phenomenal career in politics. The reason for writing this book is purely as a source of inspiration to many women like myself who struggle to live a challenging life abroad. What acceptance means to people who work abroad is perhaps something I have struggled to express as when there is no acceptance of the ideals, they fail to flourish as they should do. I sincerely hope with globalization, people and values be widely accepted regardless of the religion, colour, creed, race, and nationality and there be no discrimination on such a basis or characteristic. It is but sad to see many ideals and values being crushed as they do not represent a particular nation, a

particular religion, a particular race, a particular language, a particular gender, and the list of characteristics seems to never be protected. Imagining there be one whole world of peace where discrimination ceases is but a dream of possibility I wished a reader could imagine after reading this book. Mrs. Sonia Gandhi, I strongly feel, should be accepted, accepted for her strong

determination to work against odds to work for the larger good of the society. Now if this society means a region outside of where she was born, I feel she deserves in fact greater respect, and it is but appalling to see the contrary gaining importance. Dear reader/s and critics, I welcome you to embrace to respect the power of Mrs. Gandhi in enduring the sacrifices of her dear

husband, late Rajiv Gandhi, and her dear mother-in-law, late Indira Gandhiji, and perhaps the power of determination and strength to work against odds with respect and consideration. I simply fail to understand why Mrs. Gandhi has been largely misunderstood. This book attempts to inspire a reader appreciate the power of sacrifice, patience, determination, and resilience in Mrs.

Gandhi. This book also revives the strong principles of Mrs. Gandhi's unity, tolerance, and freedom, which Mrs. Gandhi's congress party stands for, which were perhaps forgotten in the 2014 elections. The Congress, Indira to Sonia Gandhi Penguin Books India Brief biography of Sonia Gandhi, wife of former Prime Minister Rajiv Gandhi and currently the President of All India Congress Committee. fell in love with Rajiv Gandhi, son of future Indian prime minister Indira Gandhi and grandson of Jawaharlal Nehru, while studying English in Cambridge. Cruelly tested by the assassinations of her mother-in-law and of her husband, Sonia grew into a strong, authoritative but always private figure, now president of a coalition ruling over a billion people in the world's largest democracy. Through exclusive

interviews with members of Sonia's party, political opponents and family friends, Rani Singh casts new light on Sonia. In the first mainstream biography of this inspirational figure, the author's compelling narrative retraces the path of the brave and beautiful Sonia Gandhi, examining what her life and legacy mean for India. *Sonia Gandhi* Diamond Pocket Books

Pvt Ltd
Sonia Gandhi's transformation from an unsure Congress party president to the unchallenged political chief of the ruling United Progressive Alliance government happened with some speed in the aftermath of the Congress-led coalition's surprise victory in the 2004 general election. Her renunciation of the prime minister's post enhanced her moral stature

in the public eye, but it is her skilled handling of the equation with the Prime Minister, Manmohan Singh, that indicates the emergence of a self-confident politician, secure in her position at the helm of national affairs. In this fully revised and updated biography, Rasheed Kidwai tracks the evolution of the new Sonia Gandhi against the backdrop of the Congress party's return to power after

years in the Opposition. The last five years have witnessed the Congress president's growing assurance in her dealings with party stalwarts, with coalition partners and Opposition leaders. Drawing on his long experience as a political journalist, Kidwai chronicles how Rahul Gandhi's smooth passage into the front rank of the party's leadership was achieved and gives a

vivid account of how Sonia Gandhi navigated such critical moments as the 'office of profit' crisis, the presidential election, the Indo-US nuclear deal and the vote of confidence. In *Sonia, A Biography*, Rasheed Kidwai tells the extraordinary story of one of India's most enigmatic women, whose journey from the small Italian town of Orbassano to 10 Janpath, New Delhi, is one of the

most fascinating in contemporary India. *The Accidental Prime Minister* Penguin Books India Sonia Gandhi's story represents the greatest transformational journey made by any world leader in the last four decades. Circumstance and tragedy, rather than ambition, paved her path to power. Born into a traditional, middle-class Italian family, Sonia met and fell in love with Rajiv Gandhi, son of

future Indian prime minister Indira Gandhi and grandson of Jawaharlal Nehru, while studying English in Cambridge. Cruelly tested by the assassinations of her mother-in-law and of her husband, Sonia grew into a strong, authoritative but always private figure, now president of a coalition ruling over a billion people in the world's largest democracy. Through exclusive interviews with members of Sonia's

party, political opponents and family friends, Rani Singh casts new light on Sonia. In the first mainstream biography of this inspirational figure, the author's compelling narrative retraces the path of the brave and beautiful Sonia Gandhi, examining what her life and legacy mean for India. -- Book jacket. [Sura's Sonia Gandhi](#) Hachette UK Sonia Gandhi, among the

builders of the modern India, occupies a pride of place. She is the President of the Indian National Congress Party. Her historical decision-- a great act of renunciation of the position of the Prime Ministership of India, in May 2004, in lieu of strengthening the Congress Party will go a long way. She is the most inspirational person of our times. An in-depth study of her Selected Speeches & Interviews,

delivered at many national and international fora (and included in this book) shows her deep commitment towards the welfare of the common man-- aam admi: her approach to their myriad problems, i.e. rural development & employment, women empowerment, right to information and education, food security to the poor people, solving the

problems of the farmers, upliftment of the downtrodden/ minorities etc. It outlines her clear vision for the future of the resurgent India and shows her major observations, thought process and concerns on the current state of affairs in India and abroad. Her thoughts reflect a social reality from words to work-action. She shines a light on all our lives. As a Chairperson of the UPA, She has firmly put

her social sector agenda on the national centre stage. Being a Chairperson of the National Advisory Council of the Government of India, She has a mandate to guide and oversee the implementation of the socio-economic development agenda of the government that will determine how powerful global role India plays in this unfolding 21st century. A useful reference book for the

opinion makers, policy-planners, public administrator, social scientists and the researchers, congress loyalists and the non-congress politicians- young and the old, students of history and political science etc for understanding the mind and ideology, coupled with sincere zeal of Mrs. Sonia Gandhi thus employing towards the emergence of the vibrant modern India.

Sonia Gandhi

Conran Octopus
This book is a portrait of Rajiv Gandhi by the person who knew him best: his wife Sonia. It is in four parts, the first and last being in the nature of meditations - one in words, the other in images. In the first, Sonia Gandhi reveals Rajiv through recollections and reflections, delicate and restrained in tone but powerful in resonance. In the last, Rajiv

discloses the essence of himself in a gallery of his own photographs. The biographical narrative in between progresses through pictures and extended captions, interweaving Rajiv's personal history with the milieu in which it unfolded. *Assassination of Rajiv Gandhi* Viking Adult
It is a

fascinating book about a fascinating personality written in a fascinating fashion. That sums it all. Sir Dr. Ravi Singavarapu has succeeded in weaving magic with his pen. He brings out the interesting aspects of Sonia Gandhi's life and personality in an interesting manner. In 'Meeting Clinton', 'Meeting Musharraf'

and 'Meeting the Russian President' he talks of the instances when she met each of them. In 'New Definition of Sacrifice' he brings out the way in which she sacrificed the highest post. Sonia Gandhi's tastes, habits, traits and even policies are brought out interestingly by Sir Ravi Singavarapu. It is indeed an interesting read. Enjoy.
