10,000 amazing general knowledge questions Bushra Arshad
 Many quiz books claim they have a "world" flavour to them, when in fact all they ask is where a famous monument is, or in which city are you likely to find.....??? Now, for the first time, comes The Best Quiz Book of the World which actually has the world in it, in the form of quizzes on 111 countries of the world. They include all the well-known ones, the controversial ones, the unique ones, the very small ones and countries that we may have heard about, and know very little about. In fact, it's those countries that turn out to be very interesting countries through their history, geography, leaders and their culture. The Best Quiz Book of the World has 25 questions about each of the 111 countries listed in the book. It asks questions like the capital city, currency, population, colours on the flag, economy, history, famous and infamous people, sporting and cultural achievements and even the letters on a web address. You will be surprised at how much you may know about a country already. If you don't, you will certainly learn something about each country in the

book. There are 2775 questions in The Best Quiz Book of the World covering the 111 countries. The answers to each country quiz are on the following page to the questions. There is also detailed information on each answer, especially with regards to geography, population and sporting achievements. People will find The Best Quiz Book of the World fun and challenging. It can be used in formal quiz nights or less formal occasions when people want to challenge each other on a particular country. The Best Quiz Book of the World can also be used as a teacher resource in senior primary, and secondary schools. Enjoy finding out a lot more about our world with The Best Quiz Book of the World.

The Giant Book of Trivia: 1000 Questions and Answers to Engage all Minds; picks up right where The Great Book of Trivia left off! Once again, we've brought together a host of fresh and intriguing questions that will test the limits of your knowledge across a huge range of subjects. The book is divided into 4 parts: Part 1 presents 50 challenging general knowledge quizzes. Part 2 introduces the "specialist rounds" at three levels of difficulty: medium, challenging and fiendish. Here you'll find questions on geography, history, sport, science and nature, literature, art and architecture, and movies and TV. Part 3 brings a lighter touch with a selection of "bonus round" quizzes, where you'll be asked to spot connections, identify years from a series of clues, unravel proverbs, and sort out lists of famous people, places and things. Part 4 contains 20 "family fun" quizzes that will be especially enjoyable for younger minds. There are straightforward general knowledge questions, alongside rhyming and alphabet quizzes. At Elsinore Books we pride ourselves on creating beautiful e-Books, and devote great attention to formatting, and ease of navigation. This book contains a cleanly-styled contents page that permits easy movement between quizzes. Each quiz occupies its own chapter, so you can move between quizzes by pressing a single

button on your e-reader. You can access the answers to each quiz by following the links at the top and bottom of the question page. On the answer pages you'll find each question rewritten and followed by its answer in bold.
