The Time Traveler's
Guide to Elizabethan
England ASCD

Sanger Rainsford is a big-game hunter, who finds himself washed

up on an island owned by the eccentric General Zaroff. Zaroff, a big-game hunter himself, has heard of Rainsford's abilities with a gun and organises a hunt. However, they're not after animals - they're after people. When he protests, Rainsford the

hunter becomes Rainsford the hunted. Sharing similarities with "The Hunger Games", starring Jennifer Lawrence, this is the story that created the template for pitting man against man. Born in New York, Richard Connell (1893 – 1949) went on to become an acclaimed author, screenwriter, and journalist. He is best remembered for the gripping novel "The Most Dangerous Game" and for receiving an Oscar nomination for the screenplay "Meet John Doe".

Does My Head Look Big in This? Picador

A Doll's House is a three-act play written by Henrik Ibsen in 1879. It is a groundbreaking play that explores the themes of marriage, gender roles, and identity in 19th century society. Ibsen's play was met with controversy and outrage due to its bold critique of the traditional roles of men and women in marriage. The play has since become a classic of modern drama and is widely studied and performed in educational institutions around the world. The play is set in Norway

and follows the story of Nora Helmer, a seemingly happy and content housewife. However, as the play unfolds, we see that Nora is living a double life. She has secretly borrowed money to save her husband's life, and is now being blackmailed by the lender. The play depicts Nora's struggle to find her true identity and the consequences of living a life based on societal expectations rather than her own desires. One of the main themes explored in the play is the role of women in marriage. Nora is portrayed as a typical 19th century wife, who is expected to be obedient, nurturing, and submissive. However, as the play progresses, we see that Nora is not content with this role

and longs for independence and self-discovery. Ibsen challenges the traditional gender roles and shows how society's expectations can suffocate and limit an individual's growth. Another important theme in the play is the concept of identity. Nora's character undergoes a transformation throughout the play as she begins to question her role as a wife and mother. She realizes that she has been living a life that is not truly her own, and she must break free from societal expectations to find her true self. This theme is also reflected in the character of Torvald, Nora's husband, who is more concerned with his social status and reputation than his

wife's happiness. Ibsen also uses symbolism throughout the play to convey deeper meanings. The title "A Doll's House" itself is significant, as it represents the idea that women were seen as mere playthings or objects in a patriarchal society. The Christmas tree, a recurring symbol in the play, represents the facade of happy family life that Nora and Torvald try to maintain. However, as the tree begins to shed its decorations, it symbolizes the unraveling of Nora's perfect facade. At the time of its publication, *A Doll's House* was met with harsh criticism and was deemed scandalous due to its portrayal of a woman challenging societal norms. However, its

impact on modern drama cannot be overstated. Ibsen's play paved the way for a new genre of realistic drama and influenced many other playwrights to explore similar themes. It continues to be studied and performed today, as it remains relevant in its critique of societal expectations and the struggle for individual identity.

In this first volume of his two-volume autobiography, Wiesel takes us from his childhood memories of a traditional and loving Jewish family in the Romanian village of Sighet through the horrors of Auschwitz

and Buchenwald and the years of spiritual struggle, to his emergence as a witness for the Holocaust's martyrs and survivors and for the State of Israel, and as a spokesman for humanity. With 16 pages of black-and-white photographs. "From the abyss of the death camps Wiesel has come as a messenger to mankind--not with a message of hate and revenge, but with one of brotherhood and atonement." --From the citation for the 1986 Nobel Peace Prize Baseball in April and Other Stories Librofilio Vivid, enjoyable and comprehensible, the poet and pre-eminent translator Stephen Mitchell makes the oldest epic poem in the world accessible for

the first time. Gilgamesh is a born leader, but in an attempt to control his growing arrogance, the Gods create Enkidu, a wild man, his equal in strength and courage. Enkidu is trapped by a temple prostitute, civilised through sexual experience and brought to Gilgamesh. They become best friends and battle evil together. After Enkidu's death the distraught Gilgamesh sets out on a journey to find Utnapishtim, the survivor of the Great Flood, made immortal by the Gods to ask him the secret of life and death. Gilgamesh is the first and remains one of the most important works of world literature. Written in ancient Mesopotamia in the second millennium

B.C., it predates the Iliad by roughly 1,000 years. Gilgamesh is extraordinarily modern in its emotional power but also provides an insight into the values of an ancient culture and civilisation.
