*An Enquiry Concerning Human Understanding* Harvard University Press  
Pray Your Way into 2022. Every gate has requirements for entry. So is the gate of the new year. There is a mode of approach that is biblical and kingdom. Here it is! Turn the battle to the gate!  
*What Is the Size of Your Brain?* John Wiley & Sons  
A new science called neuroplasticity is

overthrowing the old notion that the human brain is immutable. Psychoanalyst Doidge traveled the country to meet both the brilliant scientists championing neuroplasticity and the people whose lives they've transformed--people whose mental limitations or brain damage were seen as unalterable. We see a woman born with half a brain that rewired itself to work as a whole, blind people who learn to see, learning disorders cured, IQs raised, aging brains rejuvenated, stroke patients learning to speak, children with cerebral palsy learning to move with more grace,

depression and anxiety disorders successfully treated, and lifelong character traits changed. Using these stories to probe mysteries of the body, emotion, love, sex, culture, and education, Dr. Doidge has written an inspiring book that will permanently alter the way we look at our brains, human nature, and human potential.--From publisher description.  
*Deliverance of the Brain* Houghton Mifflin Harcourt  
With fascinating insights into biblical customs and conditions--many of which exist today in the Middle East--Bowen

clarifies over 100 scriptural texts and phrases that often puzzle Western readers unfamiliar with the culture of Bible times. *Born Great But Tied Down* iUniverse How can an evangelist convert a hardboiled sophisticate? Why does a prisoner of war sign a "confession" that he knows is false? How is a criminal pressured into admitting his guilt? Do the evangelist, the POW's captor, and the policeman use similar methods to gain their ends? These and other compelling questions are discussed in this definitive work by William Sargant, who for many years until his death in 1988 was a leading physician in psychological medicine. Sargant spells out and illustrates the basic technique used by evangelists, psychiatrists, and brainwashers to disperse the patterns of belief and behavior already established in the minds of their hearers, and to substitute new patterns for them.

**Deliverance For The Head** Thomas Nelson

21 surgeries by age 13. Years in the hospital. Verbal and physical bullying from schoolmates. Multiple miscarriages as a young wife. The death of a child. A

debilitating progressive disease. Riveting pain. Abandonment. Unwanted divorce... Vaneetha begged God for grace that would deliver her. But God offered something better: his sustaining grace. **Tied Down in the Spirit** Hachette UK What you believe about God actually changes your brain. Brain research in neuroscience has found that our thoughts and beliefs affect our physical, mental, and spiritual health. Mind and body are interrelated, and we are designed for healthy relationships of love and trust. When we understand God as good and loving, we flourish. Unfortunately, many of us have distorted images of God and mostly think of him in fearful, punitive ways. This leads us into unhealthy patterns of self-defeating behaviors and toxic relationships. But our lives can change when God renews our minds with a truer picture of him. Psychiatrist Tim Jennings unveils how our brains and bodies thrive when we have a healthy understanding of who God is. He dispels common misconceptions about God and shows how different God concepts affect the brain differently. Our brains can adapt, change, and rewire with redeemed

thinking that frees us from unnecessary pain and suffering. Discover how neuroscience and Scripture come together to bring healing and transformation to our lives. This expanded edition now includes a study guide for individual reflection or group discussion, with questions for learning from Scripture, science and nature, and experience.

The Brain that Changes Itself The Battle Cry Christian Ministries

What are the basic understandings of the brain, the mind, and the soul of near-death experiences? In the first of three volumes, *Christianity and the Brain, Volume 1: Faith and Medicine in Neuroscience Care* delves into the fascinating aspects of the human brain-God's hidden treasure-and its development. Inspired by the Coptic Orthodox faith while growing up in Egypt, Christian neurological surgeon and anesthesiologist Ramsis F. Ghaly uses his experiences to reflect on spirituality and science and the ties between Christianity and the human brain. He also explores neuroscience and God, faith and medicine, the universe and heaven, and birth and life beyond death. Through Ghaly's innovative research, you will grow closer

to the Creator and learn to understand Him like never before. A medical career is a sacred vocation with high ethical morals and values. In accordance with such standards, Ghaly illustrates the ideal neuroscience health-care structure in view of holism and patient empowerment, especially toward the dire need of modern care in the world, including the United States of America. Powerful and informative, *Christianity and the Brain, Volume 1* takes a new perspective on a seldom-studied subject.

[Deliverance From Spirit Husband And Spirit Wife](#) GOD'S LINK VENTURES

The *Battlefield of the Mind Bible* will help readers connect the truths of Joyce Meyer's all-time bestselling book, *Battlefield of the Mind*, to the Bible, and change their lives by changing their thinking. Worry, doubt, confusion, depression, anger, and feelings of condemnation. . .all these are attacks on the mind. If you struggle with negative thoughts, take heart! The *Battlefield of the Mind Bible* will help you win these all-important battles through clear, practical application of God's Word to your life. With notes, commentary, and previously

unpublished insights by Joyce Meyer, this Bible is packed with features specifically designed for helping you deal with thousands of thoughts you have every day and focus your mind to think the way God thinks. Special Features Include: **BOOK INTRODUCTIONS** -- thoughts on the importance of each book and how it relates to the battlefield of the mind **WINNING THE BATTLES OF THE MIND** -- core teaching to help you apply specific biblical truths to winning the battle **PRAYERS FOR VICTORY** -- Scripture-based prayer to help you claim God's guarantee of winning **PRAYERS TO RENEW YOUR MIND** -- help for you to learn to think the way God thinks **KEYS TO A VICTORIOUS LIFE** -- practical truths for overcoming mental or emotional challenges **POWER POINTS** -- insight into how to think, speak, and live victoriously **SPEAK GOD'S WORD**-first-person Scripture confessions to train your mind for ultimate victory **SCRIPTURES ON THOUGHTS AND WORDS** -- more than 200 Bible passages that teach you how to think and speak in agreement with God's Word.

[Livewired](#) Createspace Independent Publishing Platform

Defending the superiority of evidence-based reasoning over religious faith and philosophical thought experiments, Thagard argues that minds are brains and that reality is what science can discover. Brains come to know reality through a combination of perception and reasoning. Just as important, our brains evaluate aspects of reality through emotions that can produce both good and bad decisions. Our cognitive and emotional abilities allow us to understand reality, decide effectively, act morally, and pursue the vital needs of love, work, and play. Wisdom consists of knowing what matters, why it matters, and how to achieve it."-- Jacket.

[The Star in Your Sky](#) Mountain of Fire and Miracles Ministries

Written during a moment in English history when the political and social structures were in flux and open to interpretation, *Leviathan* played an essential role in the development of the modern world.

**Mein Kampf** Createspace Independent Publishing Platform

Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same

reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

### **Strange Scriptures That Perplex the Western Mind** VM eBooks

The Architect's Brain: Neuroscience, Creativity, and Architecture is the first book to consider the relationship between the neurosciences and architecture, offering a compelling and provocative study in the field of architectural theory. Explores various moments of architectural thought over the last 500 years as a cognitive manifestation of philosophical, psychological, and physiological theory

Looks at architectural thought through the lens of the remarkable insights of contemporary neuroscience, particularly as they have advanced within the last decade Demonstrates the neurological justification for some very timeless architectural ideas, from the multisensory nature of the architectural experience to the essential relationship of ambiguity and metaphor to creative thinking  
*Suffering and the Sovereignty of God*  
Crossway

Prayers for use by the laity in waging spiritual warfare from the public domain and the Church's treasury.

*Pray Your Way to Breakthroughs*  
InterVarsity Press

The issue of spirit husband and spirit wife (spirit spouses, evil spiritual marriage) is one of the greatest spiritual problems which has pervaded societies of the world. There are vicious sexual spirits which molest and torment individuals. This book teaches you how to receive deliverance from spirit spouses and other associated wicked powers.

[Deliverance of the Mind](#) The Battle Cry  
Christian Ministries

This is deliverance book with a difference.

It is a product of research carried out by a frontline deliverance minister and a spiritual warfare expert. It mirrors the true situation of multitudes who are grappling with failure, non-achievement and tragedy. It is a brilliant expose of one of the most wicked strategies of the devil. This book will provide total help from those who are tied down in the spirit. The prayer points as well as the illumination provided in this book will liberate you from the shackles of stubborn enemies and oppressors.

**Demons Defeated** Princeton University Press

There is a spiritual battle going on against our minds daily. Without addressing this spiritual battle with the Power of God, we'll find that our efforts to control and use our minds properly are not working. Your mind is the engine room of your life and destiny. It is the seat of power, where everything about your life is decided and then executed. That is why the devil's greatest attack is centered on your mind. Once he can get you confused and keep your mind distracted, he'll hinder the plans and blessings of God for your life. The teachings and prayers in the book will

assist you to do battle with evil forces that attack your mind, defeat every form of demonic projections on your mind and give you victory. They are spiritual warfare prayers for mind cleansing and clarity. You'll finally take control of your mind and begin to project positive manifestations.

**The God-Shaped Brain** The Battle Cry Christian Ministries

In this book, the author explores the subject of destiny and handles, with unusual dexterity, the exposition of the mystery of the star. This book is insightful, life transforming and practical. It contains uncommon prayer points, true life experiences and brilliant exposition of scriptures. If you want to discover and fulfil your destiny, this book is a must read. It will enable you to locate the star in your sky and help you move from the valley to the mountain top.

**The Law of Mind in Action** The Battle Cry Christian Ministries

"He was one of distinguished natural abilities, as all are sensible who had acquaintance with him. As a minister of the gospel, he was called to unusual services in that work; and his ministry was attended by very remarkable and unusual

events ... He had a peculiar opportunity of acquaintance with the false appearances and counterfeits of religion; was the instrument of a most remarkable awakening ...In the following account, the reader will have an opportunity to see not only what were the external circumstances and remarkable incidents of the life of this person, and how he spent his time from day to day, as to his external behavior; but also what passed in his own heart." --

Jonathan Edwards David Brainerd, an early missionary to the American Indians in New York, New Jersey, and eastern Pennsylvania, died in 1747 at the age of twenty-nine at the home of his long-time friend and supporter, the eminent Puritan theologian and preacher Jonathan Edwards. It is thanks to Edwards' careful preservation and thoughtful editing of his friend's Diary and Journal that Brainerd has influenced Christians all over the world for over 250 years. As he labored in what was still the untamed American frontier to bring the Gospel to the Indians, Brainerd faced many challenges, including depression, loneliness, and physical illness. Yet his genuine piety and single-minded devotion to God, both in heart and

in practice, form a consistent backdrop to his turbulent inner world. This compilation offers a rare glimpse into the life of a man compelled by God to share His love with others in the most difficult of circumstances.

**Ministering Healing And Deliverance**

The Battle Cry Christian Ministries

Faces the question of whether a Christian can have a demon, examines various methods of deliverance, and teaches how deliverance can be maintained. This book describes how people can be released from demonic oppression. It includes prayers for deliverance, release from curses, soul ties and Freemasonry.

*History of Plymouth Plantation, 1620-1647*  
Manchester University Press
