His father's over expectations only ruined his self-confidence further with each failure. A ray of hope walked into his life as his wife, a charismatic personality spreading joy wherever she went. Everything is going per plan, but darkness comes knocking soon. He finds out that she does not have much time to live and takes it upon himself to fight all odds – even his family, if need be – to help her fight her medical condition. His father sees his own redemption in helping them; he knows his son will be a winner only if he will fight for her, with her. Will a defeated son prove himself to be a good husband? Will the father-son duo together be able to change the course of fate? Her Last Wish is an inspiring story of love, relationships and sacrifice, which proves once again how a good wife makes the best husband.

NCERT SUMMARY (CLASS VI-XII) Tulika Books

Images of religious extremism and violence in Pakistan—and the narratives that interpret them—inform global events but also twist back to shape local class politics. Ammara Maqsood focuses on life in Lahore, where she untangles these narratives to show how central they are for

understanding competition between middle-class groups.

The fifty-one essays compiled in this book were written over a forty-year period by India's leading independent filmmaker. They provide new insights into a turbulent era in modern India's cultural history. Although known primarily as a filmmaker, Kumar Shahani has taught, spoken and written on a variety of subjects over this period, that include the cinema, but also politics, aesthetics, history and psychoanalysis. In these essays Shahani addresses diverse political issues, aesthetic practice, questions of artistic freedom and censorship. There are also personal essays on filmmakers and artists including his teachers and colleagues. Shahani's often polemical positions, as they occur in several previously unpublished essays and presentations, are essential contributions to film and cultural histories of the Indian cinema as well as of the New Cinema worldwide. The book includes a comprehensive introductory essay, "Kumar Shahani Now," by Ashish Rajadhyaksha.
