Simply Sinful Penguin

One single mom. One chaotic family. One quirky stranger. One irresistible love story from the New York Times bestselling author of *The Giver of Stars* Suppose your life sucks. A lot. Your husband has done a vanishing act, your teenage stepson is being bullied, and your math whiz daughter has a once-in-a-lifetime opportunity that you can't afford to pay for. That's Jess's life in a nutshell—until an unexpected knight in shining armor offers to rescue them. Only Jess's knight turns out to be Geeky Ed, the obnoxious tech millionaire whose vacation home she happens to clean. But Ed has big problems of his own, and driving the dysfunctional family to the Math Olympiad feels like his first unselfish act in ages . . . maybe ever. *One Plus One* is Jojo Moyes at her astounding best. You'll laugh, you'll weep, and when you flip the last page, you'll want to start all over again.

*The V Games* EverAfter Romance

This collection of essays deals with three clusters of problems in the philosophy of science: scientific method, conceptual models,

and ontological underpinnings. The disjointedness of topics is more apparent than real, since the whole book is concerned with the scientific knowledge of fact. Now, the aim of factual knowledge is the conceptual grasping of being, and this understanding is provided by theories of whatever there may be. If the theories are testable and specific, such as a theory of a particular chemical reaction, then they are often called 'theoretical models' and classed as scientific. If the theories are extremely general, like a theory of synthesis and dissociation without any reference to a particular kind of stuff, then they may be called 'metaphysical' - as well as 'scientific' if they are consonant with science. Between these two extremes there is a whole gamut of kinds of factual theories. Thus the entire spectrum should be dominated by the scientific method, quite irrespective of the subject matter. This is the leitmotiv of the present book. The introductory chapter, on method in the philosophy of science, tackles the question 'Why don't scientists listen to their philosophers?'

A New York Times bestseller! "Has everything you'd want in a retelling of a classic fairy tale." - Jodi Picoult, New York Times bestselling author of *A Spark of Light* and *Small Great Things* "Absolutely spellbinding." - Stephanie Garber, #1 New York Times bestselling author of *Caraval* and *Legendary* In a lush, contemporary fantasy retelling of *Beauty and the Beast*, Brigid Kemmerer gives readers another compulsively readable romance perfect for fans of Marissa Meyer. Fall in love, break the curse. It once seemed so easy to Prince Rhen, the heir to Emberfall. Cursed by a powerful enchantress to repeat the autumn of his eighteenth year over and over, he knew he could be saved if a girl fell for him. But that was before he learned that at the end of each autumn, he would turn into a vicious beast hell-bent on destruction. That was before he destroyed his castle, his family, and every last shred of hope. Nothing has ever been easy for Harper. With her father long gone, her mother dying, and her brother barely holding their family together while constantly underestimating her because of her cerebral palsy, she learned to be tough enough to survive. But when she tries to save someone else on the streets of Washington, DC, she's instead somehow sucked into Rhen's cursed world. Break the curse, save the kingdom. A prince? A monster? A curse? Harper doesn't know where she is or what to believe. But as she spends time with Rhen in this enchanted land, she begins to understand what's at stake. And as Rhen realizes Harper is not just another girl to charm, his hope comes flooding back. But powerful forces are standing against Emberfall . . . and it will take more than a broken curse to save Harper, Rhen, and his people from utter ruin.

Offended by an earl's daughter's rude temperament, wealthy Raphael Locke takes the young woman under his wing to prove to a friend that he can transform her into a good-natured and eligible match for a gentleman.

*Wicked Grind* HQN Books

From the New York Times bestselling author of the beloved, million-copy selling Stark series, comes *Sweetest Taboo*, the provocative third book in the Stark S.I.N. series. For fans of *Fifty Shades of Grey*, Sylvia Day, Meredith Wild and Jodi Ellen Malpas. All eyes are on us...and there's nowhere to run. Everyone has their own ideas about Dallas Sykes: he's a reckless billionaire, a devilish playboy, a man who gets whatever he wants the minute he wants it. But I know the real Dallas behind the money, bravado and power - and he's completely, blissfully mine. We carefully guarded our secrets, and in each other's arms we sought refuge from our dark past. Our pain became our pleasure, our control within the chaos. But we could only hide from the truth for so long. Now we've let loose our inhibitions and are ready to face the future. And no matter what people think or say, coming clean is its own sweet reward. Don't miss the entire sexy Stark S.I.N. series: *Dirtiest Secret*, *Hottest Mess* and *Sweetest Taboo*. Find out how it all began for Damien and Nikki Stark in J. Kenner's hot and addictive bestselling Stark series: *Release Me*, *Claim Me*, *Complete Me*, *Take Me*, *Have Me*, *Play My Game*, *Seduce Me*, *Unwrap Me* and *Deepest Kiss*. Return to the smoking hot Stark world with the Stark International trilogy: *Say My Name*, *On My Knees* and *Under My Skin* is the explosively emotional story of Jackson Steele and Sylvia Brooks. Don't miss J. Kenner's sizzling *Most Wanted* series of three enigmatic and powerful men, and the striking women who can bring them to their knees: *Wanted*, *Heated* and *Ignited*.

**The Last Letter from Your Lover (Movie Tie-In)** Scholastic UK

To become a king of the underworld at long last, William must resist an irresistible beauty—or a curse will ensure his end... A merciless prince feared by all... Cursed by a vengeful witch, William of the Dark will die if he ever falls in love—murdered by the woman who steals his heart. His lone shot at redemption is a book filled with indecipherable code. Break the code, break the curse. Now, centuries later, he's condemned to a string of one-night stands...until he finds the only woman in the worlds able to set him free. A rare creature of myth and power... One of the last living unicorn shifters, Sunday "Sunny" Lane works from the shadows as a cryptanalyst, on the run from assassins and poachers. Then the darkly seductive William abducts her, holding her captive in Hell. The closer they get, the more she hungers for his touch...and the stronger a mystical desire to kill him becomes... But which desire will prove stronger—lust or death? And who will give in first? Don't Miss *The Immortal*, the second dark and sexy book in Gena Showalter's *Rise of the Warlords* series, featuring a cold and merciless assassin and a stubborn harpy warrior, both forced to relive the same day over and over in the hopes of saving her life.

*Method, Model and Matter* St. Martin's Paperbacks

A husband and wife find a solution to their troubles in this historical erotic romance by the New York Times bestselling author of *Simply Sexual*. At Madame Helene's exclusive House of Pleasure in London, all guests are welcome to explore beyond their inhibitions . . . Forced to wed at a young age, Abigail Beecham is tired of living in a sexless marriage. She longs to succumb to the delicious pleasures of pure carnal lust that she has only read about. And if her husband can't satisfy her erotic needs, she's ready to find a man who can . . . Peter Howard is accustomed to unusual sexual requests. His ten years as a slave in a Turkish brothel left him skilled in sensual delights. But there is little that actually arouses him—until he meets Abigail. Now he longs to tease and torment her until she cries out with pleasure. Maybe then he'll finally experience that exquisite feeling of bliss he so desperately desires . . . Praise for *Simply Sinful* "Pearce provides an interesting twist to the standard "love lessons" plot in this story where both the husband and wife receive erotic training from a master. With historical detail, strong character development, a slight mystery, caring relationships and smoking hot sex, there is something for everyone." —RT Book Reviews "Pushes the envelope on eroticism. More than once I found myself fanning myself over the heat generated between Peter, Abigail, and James. Whether they were together as a ménage or paired off as a couple, the emotional intensity was scorching hot . . . *Simply Sinful* is truly a decadent read!" —Romance Junkies

NEW YORK TIMES BESTSELLER • From J. Kenner comes the second novel in the fast-paced trilogy that started with *Release Me*. This sexy, emotionally charged romance continues the story of Damien Stark, the powerful multimillionaire who's never had to take "no" for an answer, and Nikki Fairchild, the Southern belle who only says "yes" on her own terms. For Damien, our obsession is a game. For me, it is fiercely, blindingly, real. Damien Stark's need is palpable—his need for pleasure, his need for control, his need for me. Beautiful and brilliant yet tortured at his core, he is in every way my match. I have agreed to be his alone, and now I want him to be fully mine. I want us to possess each other beyond the sweetest edge of our ecstasy, into the deepest desires of our souls. To let the fire that burns between us consume us both. But there are dark places within Damien that not even our wildest passion can touch. I yearn to know his secrets, yearn for him to surrender to me as I have surrendered

to him. But our troubled pasts will either bind us close . . . or shatter us completely. NOTE: This edition includes an excerpt from J. Kenner's *Say My Name*. *Claim Me* is intended for mature audiences.

**A Novel** Simon and Schuster

*Dark Alpha's Claim* is the first in an exclusive new series from New York Times bestselling author Donna Grant! There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I am coming for you... My whole existence is based on taking what Death wants. Born to eliminate Fae guilty of unforgivable crimes, my reckless, wild nature makes me the perfect assassin to carry out Death's bidding. I've seen more sinister and violent dealings than anyone could ever imagine. But it was the sight of her face that stopped me cold. I've never wanted a woman-never mind a human-so badly; never felt my heart, hardened by death, burn brighter and hotter until it burst into flames. She is everything I desire. The kind of woman that compels you to stake your claim on her, to let the world know that she's yours. A Reaper saving her life will only attract danger, but I vow to protect her at all costs from the Fae that hunt her, and keep safe the woman who has claimed me, body and soul.

Cassie Bellamy thought she'd left Bowie, Texas and Luke Matthews behind for good. She'd been gone for ten years and in that time had built a successful real estate business, had a new fianc, and had all but forgotten about the Texas bad boy who'd sent her running to Phoenix in the first place. She wouldn't be going back now, but her daddy needed her at the Double

B. Driving her old pickup truck "Bessie" back to Bowie had seemed like a good idea when she'd left Phoenix, but it didn't seem so good when she was broken down on the side of the road in ninety plus Texas weather in between Bowie and her daddy's farm. And it seemed an even worse idea when her knight in brown khaki turned out to be none other than the bad boy himself, a Sheriff now, and still as hot as the Texas sun. Cassie does her best to ignore Luke and remember her fianc back in Phoenix, but Luke seems determined to make her remember his kisses and their nights of stargazing by the lake instead. And she definitely still has stars in her eyes when she looks at the delectable Sheriff. Luke Matthews had worked damned hard to change the way people thought of him. He wasn't know as the bad boy son of the town's drunk anymore, they called him Sheriff now. For ten years, Luke had been living on the right side of the law, and had forgotten about Cassie Bellamy, the woman who'd left him dangling on a limb ten years ago. All that changes when he plays good Samaritan and stops to rescue a woman stranded on the side of the road. He finds out the fine behind and illegally long legs sticking out from under the hood of the beat up old truck belong to Cassie Bellamy. She was back in Bowie and just as sassy and stubborn as always...looking better than ever. Luke is determined to get answers as to why she left like she did, and she's just as determined to keep him at arm's length. Taking the choice away from her, Luke takes a vacation from his job, and hires on at the Double B as a ranch hand to help out while her daddy's down. The heat and the close proximity work in his favor and soon Luke has her cornered like a stray calf...but what was he going to do with her now? He had a few ideas, and all of them involved a king-sized bed and his lasso. She might be trouble, but Cassie Bellamy had always been his kind of trouble...and if it took hog-tying to get her to believe that, he was definitely game.
