First 50 Christmas Songs You Should Play on the Piano Chester Music

Christmas is a special time of the year when we are reminded of the birth of Christ. The country is all aglow with the lights and decorations of this joyous season. Families come together to celebrate and the children are rife with energy to partake in all the activities surrounding the Christmas season. There are Christmas pageants and plays, gift-giving events and the wonderful visions of the season. This book is a work spawned as a result of the Christmas illustrations drawn by a 7 year old. Her sense of color and her wonderful figures all represent Christmas in such a wonderful way. The book has taken off from those wonderful images and offers a new technique for any one who wants to share music with family and friends in a special way. While the ukulele is traditionally known as a Hawaiian strumming instrument used for accompanying singing or hula dancing, this book does not use the traditional ukulele teaching method for which teaches chords and strumming. This book, instead, teaches the one to pluck melodies on the ukulele. You will be taught how to locate positions on the ukulele grid and become able to play all the great songs of Christmas. It is great learning since we all have a memory of these songs in our minds so, once the technique is learned, the music will flow. There is no need for a piano or a guitar to lead, since you are playing the lead. Rather, other instruments can follow and complement you with backgrounds. Once these tunes are set to memory miracles can happen. The beauty of this technique is that almost anyone from 5 - 95 can learn it. Children have already learned many of these melodies and can hum or sing them. The book is arranged into two volumes wherein the first volume contains the details of playing instruction followed by 15 Classic Christmas Songs. The second volume is a continuation which includes 15 additional songs with a brief review of the playing technique. (30 songs in all). Even if you have never played an instrument before, you will enjoy this journey into music and develop a new way to celebrate the Christmas season.

This is the second half of the Christmas Book, "Easy Ukulele Christmas Music." It is the second half of the 30 song series which the book covers. The book contains the second set of 15 songs which the novice player can perform. The songs are written in FPS style, which means Finger Placement System. There is a short review of the technique which was fully explained in Volume 1. It is, again illustrated by a 7 year old girl who was the inspiration for this book series with her sense of color and drawing. Once the techniques is learned from Volume 1, all 30 songs from both volumes can be played easily. The FPS technique does not rely on chords (which is typical for ukulele). It will, instead, provide you with the ability to play the melody lines to the old and classic Christmas tunes and you can astonish your family and friends with your newfound skill. The season of Christmas is one filled with lights and music and what a pleasure to be able to play all the old well-known tunes. The knowledge of those tunes is what will make learning to play them easier. With both books in hand, you will have a treasury of Christmas music which you will be able to play. Your ability to play these tunes will contribute to a more beautiful Christmas for you and your family. The original book used glitter to highlight the illustrations - the reader may opt to also add glitter where desired.
