A Narrative of Cultural Change Faber Music Ltd

In 2017, Amrit Singh experienced the deaths of his grandmother and uncle. Soon after, his mother was diagnosed with a life-threatening illness. Raised in a family that lacked open communication among each other, Amrit struggled to understand his place in the world as the lives and histories of the people closest to him were being lost to time. When the family comes together to care for his mother over the course of her treatment, Amrit begins a journey of unearthing and preserving the stories of his elders. He discovers the details of his father's years travelling undocumented and working at sea, the political and economic factors that sparked his family's relocation out of Punjab, the challenges they faced as new immigrants in Canada, and how key moments of his life still connect to his parents' migration. 'Keep Moving On' is a memoir that finds parallels between family members born in different eras and circumstances, and explores themes of mental health, intergenerational trauma, religion, death, and race through the lens of Amrit's upbringing as a first generation Sikh-Canadian. It is a story of discovery, hope, resilience, and the importance of making the most of the present.

In Search of Heer Star Bright Books

In the village of Takht Hazara, the musically gifted Deedho Ranjha struggles against family and society. He rejects the pursuit of wealth and power as the measure of a man's worth. In distant Jhang, the spirited Heer Syal is an accomplished warrior who fearlessly challenges the norms of her community. Heer and Ranjha are destined to meet and fall in love—the former chastised for her 'manly' pursuits and the latter ridiculed for his lack thereof. Told from multiple perspectives, set against the lush riverbanks and rugged countryside of West Punjab, this is a wise, passionate and lyrical retelling of one of the subcontinent's most beloved epics. A rich cast of characters—Kaido Langra, Jhang's seemingly pious conscience-keeper; Malki, the mother of a daughter she cannot understand; Seida Khera, Heer's hapless fiancé; a silent, watchful crow; a flock of excitable pigeons who bear witness and a philosophical goat—all play their part in bringing this stirring story to life. Manjul Bajaj scratches away at the many meanings of love in the timeless tale of Heer-Ranjha, who dreamt not only of love for themselves but of a kinder, freer and fairer world for all of creation

Love Stories from Punjab Stylus Publishing, LLC.

Reese Witherspoon's Book Club Pick A lively, sexy, and thought-provoking East-meets-West story about community, friendship, and women's lives at all ages—a spicy and alluring mix of *Together Tea* and *Calendar Girls*. Every woman has a secret life . . . Nikki lives in cosmopolitan West London, where she tends bar at the local pub. The daughter of Indian immigrants, she's spent most of her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father's death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London's close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community's "moral police." But when the widows' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens them all.

A comprehensive assessment of the economic, social and cultural impacts of migration within South Asia This book addresses the concept of migration with the aim of building theory as well as drawing from existing theories to understand South Asian realities. It highlights the less-explored cultural dimensions of migration—music, literature, cinema and art—thereby extending migration research into the realms of security discourse. The author explores how ideas migrate along with people, and the extent to which the process of transformation and adaptation of these ideas is necessitated by social interactions in the adopted society. Since South Asia is culturally diverse, most migrants need to adapt themselves to unfamiliar social milieus, and this juxtaposition finds expression in rich and diverse cultural forms. The book will be indispensable to researchers and scholars of migration studies, South Asia studies, social anthropology and international relations.

Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. image than the resident sports star and tabloid favorite. Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her...

This book is not intended to provide a list of the 100 'best' books ever written and published by Punjabi authors. Given the sheer range of books written by Punjabi authors and the unpredictability of individual taste, any such definitive list is quite impossible. Secondly, the choice has been restricted to books that were written by them either in Punjabi, Hindi or Urdu but have been translated into English. Thus, personal choice restricted by availability has dictated this selection. The choice of books includes autobiographies, novels, short stories, poems, and plays. Research books, religious books, and books written originally in English have not been included. From the Introduction I am amazed at the scholarship, the passion and the love with which Paramjeet Singh has written this book. It will be a reference volume for all times. Nirupama Dutt Poet, Journalist & Translator Mr. Singh's effort is commendable as he is making available some of the rarest of gems of Punjabi literature to the non-Punjabi readers. I congratulate Mr. Singh on putting together this selection and hope that non-Punjabi readers of this book would find new horizons of cultural experience opening up before them. Of course, for Punjabi readers, it may be yet another opportunity to experience a sense of genuine pride in their rich legacy of language, literature and culture. . Prof. Rana Nayar
