Savage commands an army of monstrous shapechangers called rakshasas, who want only to seize the arrowhead and restore Ravana to power. As they hunt Ash through magnificent fortresses and brutal deserts, he must learn to work with a powerful rakshasa girl named Parvati, and find the strength within himself to fight on and save the world as we know it.

Mission Road Entangled: Teen New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In this curse-word-free edition of *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

stranger to the darkness. But when darkness comes knocking and looks that good, who wouldn't invite him in? Draven is mysterious, evasive, and hot as sin. The only thing more infuriating than his silence is how obnoxious he is every time he does open his mouth. But when a group of strangers attacks me and he fights back—causing them to vanish into a cloud of black dust—I know Draven is more than he seems. Now I know the truth. There's a veil separating the world I know from a world of demons living all around us. Turns out, good and evil are just words. Some of the demons don't fall into either category. And I'm realizing just how easily I fit in among the ancient warlocks, the divine soldiers, and the twisted supernaturals... There's so much more to me and my past that I don't know—let alone what I am truly capable of. So when all signs point to me having the ability to unleash Hell on earth? I'll have to decide if I want to do the world a solid and save it...or give it one hell of a makeover. The Ember of Night series is best enjoyed in order. A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.
