Clarice At first, the idea of a week at a secluded resort in Bali with my girlfriends sounded like just the thing I needed to get me out of my funk. Of course, I should have realized that there was

more to their plan than just a regular trip. But who could have guessed what they had up their sleeves? A sex club?? Excuse me, hedonistic resort... like there's much difference... This wasn't what I signed up for, and I definitely don't feel ready for it. So maybe that's why, when I ended up meeting the gorgeous British owner, I was so open to his absolutely outrageous proposal... HarrisonRunning my father's resort in Bali has a lot of perks, not the least of which is the easy

and immediate access to a bevy of beautiful and sexually explorative women. However, the fact that it's about as far away as I can get from my parents is almost equally important to me. My father and I have never seen eye to eye, and I know I've always been a disappointment to him. He's been trying to use my huge inheritance as a bargaining chip for years, trying to bend me to his will. But it's not like I don't already have a lot of money, so I thought I could just continue to

avoid the issue forever. And then I sent that bloody, drunken email... The British National Bibliography Ulverscroft Goodbye to the timid person I was...
