*Taming Change with Portfolio Management* John Wiley & Sons  
 A gripping tale that reveals what occupies the minds of the world's best business leaders As CEO, most everything that Rich O'Connor did had something to do with at least one of the four disciplines on his famed "yellow sheet." Some of the firm's executives joked that he was obsessed with it. Interestingly, only a handful of people knew what was on that sheet, and so it remained something of a mystery. Which was okay with Rich, because no one really needed to understand it, other than him. He certainly never suspected that it

would become the blueprint of an employee's plan to destroy the firm. In this stunning follow-up to his best-selling book, *The Five Temptations of a CEO*, Patrick Lencioni offers up another leadership fable that's every bit as compelling and illuminating as its predecessor. This time, Lencioni's focus is on a leader's crucial role in building a healthy organization - an often overlooked but essential element of business life that is the linchpin of sustained success. Readers are treated to a story of corporate intrigue as Rich O'Connor, fictional CEO of technology consulting company Telegraph Partners, faces a leadership challenge so great that it threatens to topple his company, his career and everything he holds true about what makes a leader truly exceptional. In the story's telling, Lencioni deftly helps his

readers understand the disarming simplicity and power of creating a healthy organization and reveals four key disciplines that they can follow to achieve it. In *The Four Obsessions of an Extraordinary Executive*, Lencioni delivers an utterly gripping tale with a powerful and memorable message for all who strive to be remarkable leaders. [The Effective Manager](#) John Wiley & Sons Practical exercises and hands-on tools to bring to life the timeless advice found in the author's best-selling book, *The Five Dysfunctions of a Team* In the years following the publication of Patrick Lencioni's best seller, *The Five Dysfunctions of a Team*, fans have been clamoring for more information on how to implement the ideas outlined in the book. In *Overcoming the Five Dysfunctions of a*

Team, Lencioni offers specific, practical guidance for overcoming the five dysfunctions, using tools, exercises, assessments, and real-world examples. He examines questions that all teams must ask themselves: Are we really a team? How are we currently performing? Are we prepared to invest the time and energy required to be a great team? Written concisely and to the point, this guide gives leaders, line managers, and consultants alike the tools they need to get their teams up and running quickly and effectively.

The Four Obsessions of an Extraordinary Executive John Wiley & Sons

From the Reum brothers—former Goldman Sachs investment bankers, successful operators, and investors—comes *Shortcut Your Startup*, a practical playbook for both aspiring and seasoned entrepreneurs, filled with unconventional yet accessible advice for maximizing your business venture. Courtney and Carter Reum have years of experience in the field, from investing in over 130 companies, including Lyft, Pinterest, Warby Parker, and ClassPass, to driving the success of their own liquor brand, VEEV Spirits. The Reum brothers have learned from every triumph and tribulation, and over the years have developed an effective and easy-to-understand guide to help entrepreneurs through the startup journey from inception to sale. Complete with personal anecdotes and real-life advice from the business playing field, *Shortcut Your Startup* outlines Courtney and Carter's ten key "Startup Switchups" that flip traditional advice on its head:

- Get into the Trenches
- Know if You're a Speedboat or a Sailboat
- Obsessively Take Advantage of Your Unfair Advantages
- Do What You Do Best, and Outsource the Rest
- Build in Flexibility and a Diversified Focus
- Think Milestones, Not Time
- Nail It Before You Scale It
- 1 Percent Better Is 1000 Percent Better
- Gain Buy-in with Heart-Based Momentum
- Success Doesn't Equate to a Successful Exit

Whether you're a veteran entrepreneur looking for new ways to boost performance and reinvent your brand, or an aspiring entrepreneur ready to take a leap of faith, *Shortcut Your Startup* is essential reading to speed up your success!

*Death By Meeting* Simon and Schuster  
A guide that shows how any organisation can harness the power of change by applying the cutting-edge discipline of portfolio management. Features: Enormous potential audience. The authors provide software and software services to over 500,000 individuals world-wide. In addition, the authors will use the book for presentations to senior members of the Project Management Institute, an organisation with over 500,000 members in more than 170 countries; A user-friendly introduction to a tremendously powerful management system. With clever graphics and case studies drawn from the authors' fifty years of combined experience, this book is essential reading for anyone seeking an effective and adaptable approach to managing organisations in a world of constant change; The first book to show companies how to unify the portfolio management process. While hundreds of books have been written about various portions of this system, this is the first book to synthesise all the information into one definitive treatment and expand the scope of project portfolio management to company--wide applications.

**Helping People Win at Work** John Wiley & Sons

\* Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. By reading this summary, you will discover how to organize dynamic and efficient work meetings, and thus, gain in productivity. You will also discover that : to be more efficient at work, you should not have fewer meetings, but better structure them; to be useful, a meeting must be a source of debate and allow divergent opinions to be expressed; it is not useful to try to deal with all the subjects at once: each meeting must have its own theme and objective; a well-organized meeting is more productive and saves time. An

executive spends most of the day in a meeting. However, the majority of employees are bored at meetings, or even hate them! This problem is common to all companies and hinders employee productivity. However, how can it be solved without putting an end to meetings, which are essential for teamwork? All you have to do is change the way you think about team meetings and your work organization. By setting up more structured, lively and specialized meetings, you will see a clear evolution in the productivity of your employees and the profitability of your company! \*Buy now the summary of this book for the modest price of a cup of coffee!

The Advantage, Enhanced Edition

Greenleaf Book Group Press

The how-to guide for exceptional management from the bottom up *The Effective Manager* is a hands-on practical guide to great management at every level. Written by the man behind *Manager Tools*, the world's number-one business podcast, this book distills the author's 25 years of management training expertise into clear, actionable steps to start taking today. First, you'll identify what "effective management" actually looks like: can you get the job done at a high level? Do you attract and retain top talent without burning them out? Then you'll dig into the four critical behaviors that make a manager great, and learn how to adjust your own behavior to be the leader your team needs. You'll learn the four major tools that should be a part of every manager's repertoire, how to use them, and even how to introduce them to the team in a productive, non-disruptive way. Most management books are written for CEOs and geared toward improving corporate management, but this book is expressly aimed at managers of any level—with a behavioral framework designed to be tailored to your team's specific needs. Understand your team's strengths, weaknesses, and goals in a meaningful way Stop limiting feedback to when something goes wrong Motivate your people to continuous improvement Spread the work around and let people stretch their skills Effective managers are good at the job and "good at people." The key is combining those skills to foster your team's development, get better and better results, and maintain a culture of positive productivity. *The Effective Manager* shows you how to turn good into great with clear, actionable, expert guidance.

**SUMMARY** John Wiley & Sons

Market\_Desc: For leaders, managers, facilitators, and anyone else who participates in meetings, in business, non-

profit, government, religion, or other organizations. Special Features: · Lencioni's three fables have sold extremely well· As an author his name had a wide recognition About The Book: Best-selling author Patrick Lencioni's business fable takes on meetings - why we hate them, why we shouldn't, and how to make them great. The thought of meetings makes most business people miserable, but they're a critical and unavoidable part of what we do. Through fictional narrative, modelling, and practical suggestions, Lencioni shows how to turn meetings from painful and tedious to productive, compelling, and even energizing. The story follows a failing executive, never much of a team player, who finds his job on the line and his future dependent on his ability to dramatically improve his disastrous meetings. An irreverent grad student comes into the picture with fresh ideas and a new perspective to help the executive turn things around. It's a quick, engrossing book that explores the keys to holding meetings that improve the morale, effectiveness, and bottom line of an organizatio

**The Five Temptations of a CEO, 10th Anniversary Edition** John Wiley & Sons

The Five Dysfunctions of a Team: Participant Workbook is part of The Five Dysfunctions of a Team Workshop collection. It is the companion piece to The Five Dysfunctions of a Team: Facilitator's Guide. The workbook gives the workshop participant a structure to engage in exercises and review presented material.

**Meetings Matter** John Wiley & Sons These are some of the most practical and absorbing books on management I've read. Lencioni is fast defining the next generation of leadership thinkers. Don't put this collection in your library. Keep it on your desk Ken Blanchard, coauthor, The One Minute Manager This four-book set brings together Patrick Lencioni's unique and best-selling leadership fables: The Five Temptations of a CEO, The Four Obsessions of an Extraordinary Executive, The Five Dysfunctions of a Team, and Death by Meeting. Each book contains both an engaging fictional story and a separate insightful analysis to help readers address some of their most pressing leadership challenges, including becoming a better leader, running a healthy company, building a cohesive team, and conducting effective and engaging meetings. While these tales are set in the business world, Lencioni's wisdom and practical advice will appeal to managers and benefit leaders in all types of organizations.

Patrick Lencioni Library (Five Temp. of a Ceo,four Obsess. of an Extraordinary Exec. ,five Dysf. of a Team,death by Meeting( for Amazon Only) John Wiley & Sons

Shay was still angry but shrugged nonchalantly as if to say, it's not that big of a deal. "So, what am I wrong about?" "You're not going to want to hear this, but I have to tell you anyway." Liam paused before finishing. "You might be working hard, but you're not doing it for the company." "What the hell does that mean?" Shay wanted to know. Knowing that his adversary might punch him for what he was about to say, Liam responded. "You're doing it for yourself." New York Times best-selling author Patrick Lencioni has written a dozen books that focus on how leaders can build teams and lead organizations. In *The Motive*, he shifts his attention toward helping them understand the importance of why they're leading in the first place. In what may be his edgiest page-turner to date, Lencioni thrusts his readers into a day-long conversation between rival CEOs. Shay Davis is the CEO of Golden Gate Alarm, who, after just a year in his role, is beginning to worry about his job and is desperate to figure out how to turn things around. With nowhere else to turn, Shay receives some hard-to-swallow advice from the most unlikely and unwanted source—Liam Alcott, CEO of a more successful security company and his most hated opponent. Lencioni uses unexpected plot twists and crisp dialogue to take us on a journey that culminates in a resolution that is as unexpected as it is enlightening. As he does in his other books, he then provides a straightforward summary of the lessons from the fable, combining a clear explanation of his theory with practical advice to help executives examine their true motivation for leading. In addition to provoking readers to honestly assess themselves, Lencioni presents action steps for changing their approach in five key areas. In doing so, he helps leaders avoid the pitfalls that stifle their organizations and even hurt the people they are meant to serve.

*Shortcut Your Startup* John Wiley & Sons Block presents models of stewardship, both for entire companies and for individuals, to produce reforms in such areas as human resource practices, performance appraisal, and the role of staff groups.

*Getting Naked* Figure 1 Publishing Your guide to becoming an explanation specialist. You've done the hard work. Your product or service works beautifully - but something is missing. People just don't see the big idea - and it's keeping you

from being successful. Your idea has an explanation problem. *The Art of Explanation* is for business people, educators and influencers who want to improve their explanation skills and start solving explanation problems. Author Lee LeFever is the founder of Common Craft, a company known around the world for making complex ideas easy to understand through short animated videos. He is your guide to helping audiences fall in love with your ideas, products or services through better explanations in any medium. You will learn to: Plan: Learn explanation basics, what causes them to fail and how to diagnose explanation problems. Package: Using simple elements, create an explanation strategy that builds confidence and motivates your audience. Present: Produce remarkable explanations with visuals and media. *The Art of Explanation* is your invitation to become an explanation specialist and see why explanation is now a fundamental skill for professionals.

**The 3 Big Questions for a Frantic Family** Jossey-Bass

Make every minute count. Your calendar is full, and yet your meetings don't always seem to advance your work. Problems often arise with unrealistic or vague agendas, off-track conversations, tuned-out participants who don't know why they're there, and follow-up notes that no one reads—or acts on. Meetings can feel like a waste of time. But when you invest a little energy in preparing yourself and your participants, you'll stay focused, solve problems, gain consensus, and leave each meeting ready to take action. With input from over 20 experts combined with useful checklists, sample agendas, and follow-up memos, the HBR Guide to Making Every Meeting Matter will teach you how to: Set and communicate your meeting's purpose Invite the right people Prepare an achievable agenda Moderate a lively conversation Regain control of a wayward meeting Ensure follow-through without babysitting or haranguing Arm yourself with the advice you need to succeed on the job, from a source you trust. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

*The Ideal Team Player* Pfeiffer

Technologists who want their ideas heard, understood, and funded are often told to speak the language of business—without really knowing what that is. This book's toolkit provides architects, product managers, technology managers, and executives with a shared language—in the form of repeatable, practical patterns

and templates to produce great technology strategies. Author Eben Hewitt developed 39 patterns over the course of a decade in his work as CTO, CIO, and chief architect for several global tech companies. With these proven tools, you can define, create, elaborate, refine, and communicate your architecture goals, plans, and approach in a way that executives can readily understand, approve, and execute. This book covers: Architecture and strategy: Adopt a strategic architectural mindset to make a meaningful material impact Creating your strategy: Define the components of your technology strategy using proven patterns Communicating the strategy: Convey your technology strategy in a compelling way to a variety of audiences Bringing it all together: Employ patterns individually or in clusters for specific problems; use the complete framework for a comprehensive strategy

*HBR Guide to Making Every Meeting Matter (HBR Guide Series)* John Wiley & Sons

In yet another page-turner, New York Times best-selling author and acclaimed management expert Patrick Lencioni addresses the costly and maddening issue of silos, the barriers that create organizational politics. Silos devastate organizations, kill productivity, push good people out the door, and jeopardize the achievement of corporate goals. As with his other books, Lencioni writes *Silos*, *Politics*, and *Turf Wars* as a fictional—but eerily realistic—story. The story is about Jude Cousins, an eager young management consultant struggling to launch his practice by solving one of the more universal and frustrating problems faced by his clients. Through trial and error, he develops a simple yet groundbreaking approach for helping them transform confusion and infighting into clarity and alignment.

[SUMMARY - Death By Meeting: A Leadership Fable... About Solving The Most Painful Problem In Business By Patrick Lencioni](#) John Wiley & Sons  
Another extraordinary business fable from the New York Times bestselling author

Patrick Lencioni Written in the same dynamic style as his previous bestsellers including *The Five Dysfunctions of a Team*, Lencioni illustrates the principles of inspiring client loyalty through a fascinating business fable. He explains the theory of vulnerability in depth and presents concrete steps for putting it to work in any organization. The story follows a small consulting firm, Lighthouse Partners, which often beats out big-name competitors for top clients. One such competitor buys out Lighthouse and learns important lessons about what it means to provide value to its clients. Offers a key resource for gaining competitive advantage in tough times Shows why the quality of vulnerability is so important in business Includes ideas for inspiring customer and client loyalty Written by the highly successful consultant and business writer Patrick Lencioni This new book in the popular Lencioni series shows what it takes to gain a real and lasting competitive edge.

[Death by Meeting](#) Shortcut Edition

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The most important meeting of McDaniel's life was about to take place. It would determine the fate of his career, his financial future, and the company he had built from scratch. #2 The McDaniel family had lived modestly in Carmel for the past fifty years, and Casey grew up on or around the many golf courses in the area. He had a love for golf and computers, so he left home after high school to attend the University of Arizona on a golf scholarship. #3 Yip Software, the company that created the game, was successful because of its close relationship with golfers. It was a purely accidental occurrence that propelled the game beyond being a niche video game and onto the pages of *Sports Illustrated*. #4 Casey's company, Yip, was a success story. It had brought eight successful games to market, covering golf, cycling, and most recently, tennis. But there was another side to the company, and it was as baffling as it was undeniable.

*Death by Meeting* John Wiley & Sons  
Read This Before Our Next Meeting is Al Pittampalli's accessible guide on making meetings more effective, efficient, and worthy of attending The average office worker spends eleven hours in meetings every week. Yet all that time sitting around a conference table hasn't made us more productive. If anything, meetings have made work worse. Traditional meetings reduce efficiency, kill urgency, and breed compromise and complacency. But there is a solution, a way to have fewer, shorter, more purposeful meetings: Al Pittampalli's Modern Meeting Standard. By following its eight simple but radical principles you may never have to attend a useless meeting again. 'I dutifully avoid meetings whenever possible, which is pretty much always. If I were to go to meetings, though, I'd want Al to run them.' Chris Guillebeau, author of *The \$100 Startup* and *The Art of Non-Conformity Stewardship* FT Press

Based on my work with executive teams over the past ten years, I've come to the conclusion that teamwork remains the single most untapped competitive advantage for any organization. Whether you work in a corporation, a non-profit, or a small, entrepreneurial venture, finding a way to minimize politics and confusion within your organization can lead to extraordinary improvement in morale, productivity, and results. --Patrick Lencioni  
Based on the best-selling leadership fable *The Five Dysfunctions of a Team*, the new edition of this easy-to-use workbook provides participants with an opportunity to explore the pitfalls that are side-tracking their team. Beginning with a 38-item team assessment, the workbook guides participants through *The Five Dysfunctions of a Team*:  
• Absence of Trust  
• Fear of Conflict  
• Lack of Commitment  
• Avoidance of Accountability  
• Inattention to Results  
Ideal for team off-sites and retreats or even a series of team development meetings, this workbook is an excellent team development tool. It will allow teams of all types to begin the process of increasing cohesiveness and productivity.
