Listen on Apple Music. EDITORS' NOTES. A confessional autobiography and meditation on being black in America, this album finds Solange searching for answers within a set of

achingly lovely funk tunes. She finds intensity behind the patient grooves of “Weary,” expresses rage ...
A Seat at the Table by Solange on Apple Music
 He offers a sales approach designed to help you earn a "seat at the table"-the place reserved for those select people who set the direction and the budget of an enterprise. Miller explains how to connect with decision makers from the very first point of contact-psychologically, strategically, and financially-enabling you to create demand for your products and services, protect your core business, and close more sales.
